MEDNAX, INC.
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
March 31, 2019
(Unaudited)

1. Basis of Presentation and New Accounting Pronouncements:

The accompanying unaudited Condensed Consolidated Financial Statements of the Company and the notes thereto presented in this Form 10-Q have been prepared in accordance with the rules and regulations of the Securities and Exchange Commission (“SEC”) applicable to interim financial statements, and do not include all disclosures required by accounting principles generally accepted in the United States of America (“GAAP”) for complete financial statements. In the opinion of management, these financial statements include all adjustments, consisting only of normal recurring adjustments, necessary for a fair statement of the results of interim periods. The financial statements include all the accounts of MEDNAX, Inc. and its consolidated subsidiaries (collectively, “MDX”) together with the accounts of MDX’s affiliated business corporations or professional associations, professional corporations, limited liability companies and partnerships (the “affiliated professional contractors”). Certain subsidiaries of MDX have contractual management arrangements with its affiliated professional contractors, which are separate legal entities that provide physician services in certain states and Puerto Rico. The terms “MEDNAX” and the “Company” refer collectively to MEDNAX, Inc., its subsidiaries and the affiliated professional contractors.

The Company is a party to a joint venture in which it owns a 37.5% economic interest and a second joint venture in which it owns a 49.0% economic interest. The Company accounts for these joint ventures under the equity method of accounting because the Company exercises significant influence over, but does not control, these entities.

The consolidated results of operations for the interim periods presented are not necessarily indicative of the results to be experienced for the entire fiscal year. In addition, the accompanying unaudited Condensed Consolidated Financial Statements and the notes thereto should be read in conjunction with the Consolidated Financial Statements and the notes thereto included in the Company’s most recent Annual Report on Form 10-K (the “Form 10-K”).

On November 1, 2018, the Company announced the initiation of a process to potentially divest the Company’s management services service line to allow the Company to focus on its core physician services business. The Company determined that the criterion to classify the management services service line as assets held for sale within the Company’s Consolidated Balance Sheets effective March 31, 2019 were met, and accordingly, the assets and liabilities of that service line were classified as current assets and liabilities held for sale at March 31, 2019. In addition, in accordance with accounting guidance for discontinued operations, the expected divestiture of the management services service line was deemed to represent a fundamental strategic shift that will have a major effect on the Company’s operations, and accordingly, the operating results of the service line were reported as discontinued operations in the Company’s Consolidated Statements of Income for the three months ended March 31, 2019. Reclassifications have been made to certain prior period financial statements and footnote disclosures to reflect the impact of discontinued operations. See note 6 for more information.

Recently Adopted Accounting Pronouncements

In February 2016, the accounting guidance related to leases was issued that require an entity to recognize leased assets and the rights and obligations created by those leased assets on the balance sheet and to disclose key information about the entity’s leasing arrangements. This guidance became effective for the Company on January 1, 2019. The adoption of this guidance had a material impact on the Company’s Consolidated Balance Sheets and related disclosures, resulting from the recognition of significant right of use assets and related liabilities, primarily related to its operating lease arrangements for space in hospitals and certain other facilities for its business and medical offices. See note 8 for more information.

2. Cash Equivalents and Investments:

As of March 31, 2019 and December 31, 2018, the Company’s cash equivalents consisted entirely of money market funds totaling \$2.5 million and \$0.5 million, respectively. Investments consisted of municipal debt securities, federal home loan securities and certificates of deposit.

During the three months ended March 31, 2019, the Company changed its accounting policy for and the classification of its investments from held-to-maturity to available for sale. Although there is no stated expectation that the investments will be sold within one year, the investments are available for use, if needed, and accordingly are classified as short-term. Such investments are carried at fair value with any unrealized gains and losses reported as a component of other accumulated comprehensive income or loss.

Prior to January 1, 2019, the Company classified its investments as held-to-maturity and carried such investments at amortized cost. Investments with remaining maturities of less than one year were classified as short-term and investments classified as long-term had maturities of one year to five years.

Investments held at March 31, 2019 and December 31, 2018 are summarized as follows (in thousands):

	March 31, 2019		December 31, 2018	
	Short-Term	Long-Term	Short-Term	Long-Term
Municipal debt securities	\$ 45,111	\$ —	\$ 18,473	\$ 30,841
Federal home loan securities	35,234	—	2,000	34,393
Certificates of deposit	5,878	—	1,450	4,465
	<u>\$ 86,223</u>	<u>\$ —</u>	<u>\$ 21,923</u>	<u>\$ 69,699</u>

3. Fair Value Measurements:

The accounting guidance establishes a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Each fair value measurement is reported in one of three levels:

Level 1 – inputs are based upon unadjusted quoted prices for identical instruments traded in active markets.

Level 2 – inputs are based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 – inputs are generally unobservable and typically reflect management’s estimates of assumptions that market participants would use in pricing the asset or liability. The fair values are therefore determined using model-based techniques that include option pricing models, discounted cash flow models, and similar techniques.

The following table presents information about the Company’s financial instruments that are accounted for at fair value on a recurring basis at March 31, 2019 and December 31, 2018 (in thousands):

	Fair Value Category	Fair Value	
		March 31, 2019	December 31, 2018
Assets:			
Money market funds	Level 1	\$ 2,454	\$ 481
Short-term investments	Level 2	86,223	— (1)
Company-owned life insurance	Level 2	11,787	10,464
Liabilities:			
Contingent consideration	Level 3	15,069	20,039

(1) Investments were measured at carrying value as of December 31, 2018. See table below.

The following table presents information about the Company’s financial instruments that are not carried at fair value at March 31, 2019 and December 31, 2018 (in thousands):

	March 31, 2019		December 31, 2018	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Assets:				
Short-term investments	\$ — (2)	\$ — (2)	21,923	21,858
Long-term investments	\$ — (2)	\$ — (2)	69,699	69,090
Liabilities:				
2023 Notes	750,000	759,375	750,000	736,725
2027 Notes	1,000,000	1,010,000	500,000	482,500

(2) Investments were measured at fair value as of March 31, 2019. See table above.

The carrying amounts of cash equivalents, accounts receivable and accounts payable and accrued expenses approximate fair value due to the short maturities of the respective instruments. The carrying value of the line of credit approximates fair value. If the Company’s line of credit was measured at fair value, it would be categorized as Level 2 in the fair value hierarchy.

4. Accounts Receivable and Net Revenue:

Accounts receivable, net consists of the following (in thousands):

	<u>March 31, 2019</u>	<u>December 31, 2018</u>
Gross accounts receivable	\$ 1,966,918	\$ 1,993,395
Allowance for contractual adjustments and uncollectibles	(1,444,280)	(1,486,672)
	<u>\$ 522,638</u>	<u>\$ 506,723</u>

Patient service revenue is recognized at the time services are provided by the Company's affiliated physicians. The Company's performance obligations related to the delivery of services to patients are satisfied at the time of service. Accordingly, there are no performance obligations that are unsatisfied or partially unsatisfied at the end of the reporting period with respect to patient service revenue. Almost all of the Company's patient service revenue is reimbursed by government-sponsored healthcare programs ("GHC Programs") and third-party insurance payors. Payments for services rendered to the Company's patients are generally less than billed charges. The Company monitors its revenue and receivables from these sources and records an estimated contractual allowance to properly account for the anticipated differences between billed and reimbursed amounts.

Accordingly, patient service revenue is presented net of an estimated provision for contractual adjustments and uncollectibles. The Company estimates allowances for contractual adjustments and uncollectibles on accounts receivable based upon historical experience and other factors, including days sales outstanding ("DSO") for accounts receivable, evaluation of expected adjustments and delinquency rates, past adjustments and collection experience in relation to amounts billed, an aging of accounts receivable, current contract and reimbursement terms, changes in payor mix and other relevant information. Contractual adjustments result from the difference between the physician rates for services performed and the reimbursements by GHC Programs and third-party insurance payors for such services.

Collection of patient service revenue the Company expects to receive is normally a function of providing complete and correct billing information to the GHC Programs and third-party insurance payors within the various filing deadlines and typically occurs within 30 to 60 days of billing.

Some of the Company's hospital agreements require hospitals to pay the Company administrative fees. Some agreements provide for fees if the hospital does not generate sufficient patient volume in order to guarantee that the Company receives a specified minimum revenue level. The Company also receives fees from hospitals for administrative services performed by its affiliated physicians providing medical director or other services at the hospital.

The following table summarizes the Company's net revenue by category (in thousands):

	Three Months Ended	
	March 31,	
	<u>2019</u>	<u>2018</u>
Net patient service revenue	\$749,585	\$756,374
Hospital contract administrative fees	94,721	91,239
Other revenue	6,877	5,015
	<u>\$851,183</u>	<u>\$852,628</u>

The approximate percentage of net patient service revenue by type of payor was as follows:

	Three Months Ended	
	March 31,	
	<u>2019</u>	<u>2018</u>
Contracted managed care	69%	70%
Government	24	25
Other third-parties	5	4
Private-pay patients	2	1
	<u>100%</u>	<u>100%</u>

5. Business Acquisitions:

During the three months ended March 31, 2019, the Company completed the acquisition of one neonatology physician group practice for \$4.3 million. This acquisition expanded the Company's national network of physician practices. In connection with this acquisition, the Company recorded goodwill of \$4.1 million and other intangible assets consisting primarily of physician and hospital agreements of \$0.2 million. The Company expects that the goodwill recorded during the three months ended March 31, 2019 will be deductible for tax purposes.

In addition, the Company paid \$1.4 million for contingent consideration in connection with a prior period acquisition. The Company also recorded a decrease of \$4.0 million related to the change in fair value of a contingent consideration agreement for which the probability of the achievement of certain performance measures was updated during the three months ended March 31, 2019. This change in fair value of contingent consideration was recorded within operating expenses.

6. Assets Held for Sale and Discontinued Operations:

On November 1, 2018, the Company announced the initiation of a process to potentially divest of its management services service line to allow the Company to focus on its core physician services business. The Company determined that the criterion to classify the management services service line as assets held for sale within the Company's Consolidated Balance Sheets effective March 31, 2019 were met. Accordingly, the assets and liabilities of that service line were classified as current assets and liabilities held for sale at March 31, 2019 as the Company expects to divest of the management services organization within the next twelve months, although there is no assurance that any such divestiture will occur. The classification to assets held for sale impacted the net book value of the assets and liabilities expected to be transferred upon sale. The estimated fair value of the management services service line was determined based on a range of market multiples and other assumptions along with estimated broker, accounting, legal and other costs to sell. The Company deemed the carrying amount of other assets within the service line, specifically accounts receivable and property and equipment, to represent fair value and therefore recorded a non-cash charge of \$285.0 million against goodwill, which represented the difference between the estimated fair value of the management services service line and the carrying amount of the net assets held for sale. Recognition of the charge against goodwill resulted in a tax benefit which generated an additional \$36.6 million deferred tax asset that increased the fair value of the service line. An incremental non-cash charge is then required to reduce the service line to its previously determined fair value. Accordingly, the Company recorded the incremental non-cash charge of \$36.6 million for a total non-cash charge of \$321.6 million, reducing the goodwill balance of the management services service line to zero. Upon completion of a divestiture, the Company could record an additional gain or loss on disposal at the time final net proceeds are determined.

In addition, in accordance with accounting guidance for discontinued operations, the expected divestiture of the management services service line was deemed to represent a fundamental strategic shift that will have a major effect on the Company's operations, and accordingly, the operating results of the service line were reported as discontinued operations in the Company's Consolidated Statements of Income for the three months ended March 31, 2019 with prior periods recast to conform with the current period presentation.

The following table is a reconciliation of the major classes of assets and liabilities classified as assets and liabilities held for sale in the accompanying Consolidated Balance Sheets representing the management services service line as of March 31, 2019 and December 31, 2018 (in thousands):

	March 31, 2019	December 31, 2018
Accounts payable	\$ 32,149	\$ 31,059
Accrued salaries and bonuses	105,565	242,888

The net decrease in accrued salaries and bonuses of \$137.3 million, from December 31, 2018 to March 31, 2019, is primarily due to the payment of performance-based incentive compensation, principally to the Company's affiliated physicians, partially offset by performance-based incentive compensation accrued during the three months ended March 31, 2019. A majority of the Company's payments for performance-based incentive compensation is paid annually during the first quarter.

8. Leases:

Effective January 1, 2019, the Company adopted the new accounting guidance using the modified retrospective method of applying the new guidance at the adoption date. The Company elected practical expedients permitted under the transition provisions, which allowed the Company to carryforward historical assessments of whether contracts are or contain leases and lease classification. Beginning with January 1, 2019, the Company's financial position is presented under the new guidance, while the prior period financial statements were not adjusted and continue to be reported in accordance with the previous guidance.

The Company primarily leases property under operating leases and has one material equipment operating lease for an aircraft. The Company's property leases are primarily for its regional, medical and business offices, storage space and temporary housing for medical staff.

For leases with terms greater than 12 months, the Company records the related asset and obligation at the present value of the lease payment using a discount rate that reflects the Company's estimated incremental borrowing rate. Certain of the Company's leases include rental escalation clauses and renewal options that are factored into the determination of lease payments when appropriate. Operating leases for office equipment are not material, and therefore are excluded from the Company's Consolidated Balance Sheet. Finance leases are not material but will continue to be reported on the Company's Consolidated Balance Sheets with the right-of-use assets included in property and equipment, net, and the liabilities included in current portion of long-term debt and finance lease obligations.

The table below presents the operating lease-related right-of-use assets and related liabilities recorded on the Company's balance sheet and the weighted average remaining lease term and discount rate as of March 31, 2019 (dollars in thousands):

9. Common and Common Equivalent Shares:

Basic net income per common share is calculated by dividing net income by the weighted average number of common shares outstanding during the period. Diluted net income per common share is calculated by dividing net income by the weighted average number of common and potential common shares outstanding during the period. Potential common shares consist of outstanding restricted stock, deferred stock and stock options and is calculated using the treasury stock method.

The calculation of shares used in the basic and diluted net income per common share calculation for the three months ended March 31, 2019 and 2018 is as follows (in thousands):

	Three Months Ended March 31,	
	2019	2018
Weighted average number of common shares outstanding	86,073	92,859
Weighted average number of dilutive common share equivalents	472	646

10. Stock Incentive Plans and Stock Purchase Plans:

The Company's Amended and Restated 2008 Incentive Compensation Plan, as amended (the "Amended and Restated 2008 Incentive Plan") provides for grants of stock options, stock appreciation rights, restricted stock, deferred stock, and other stock-related awards and performance awards that may be settled in cash, stock or other property.

Under the Amended and Restated 2008 Incentive Plan, options to purchase shares of common stock may be granted at a price not less than the fair market value of the shares on the date of grant. The options must be exercised within 10 years from the date of grant and generally become exercisable on a pro rata basis over a three-year period from the date of grant. The Company issues new shares of its common stock upon exercise of its stock options. Restricted stock awards generally vest over periods of three years upon the fulfillment of specified service-based conditions and in certain instances performance-based conditions. Deferred stock awards generally vest upon the satisfaction of specified performance-based conditions and service-based conditions. The

Company recognizes compensation expense related to its restricted stock and deferred stock awards ratably over the corresponding vesting periods. During the three months ended March 31, 2019, the Company granted 977,745 shares of restricted stock to its employees and non-employee directors under the Amended and Restated 2008 Incentive Plan. At March 31, 2019, the Company had 53,779 shares available for future grants and awards under its Amended and Restated 2008 Incentive Plan. On March 20, 2019, the Company's Board of Directors amended and restated the Amended and Restated 2008 Incentive Plan, subject to shareholder approval, to, among other things, increase the number of shares of the Company's common stock available for issuance under the Amended and Restated 2008 Incentive Plan by 8,275,000 shares.

Under the Company's 1996 Non-Qualified Employee Stock Purchase Plan, as amended (the "ESPP"), employees are permitted to purchase the Company's common stock at 85% of market value on January 1st, April 1st, July 1st and October 1st of each year. Under the Company's 2015 Non-Qualified Stock Purchase Plan (the "SPP"), certain eligible non-employee service providers are permitted to purchase the Company's common stock at 90% of market value on January 1st, April 1st, July 1st and October 1st of each year.

Each of the ESPP and the SPP provide for the issuance of an aggregate of 2.6 million shares of the Company's common stock less the number of shares of common stock purchased under the other plan. The Company recognizes stock-based compensation expense for the discount received by participating employees and non-employee service providers. During the three months ended March 31, 2019, 99,866 shares in aggregate were issued under the ESPP and SPP. At March 31, 2019, the Company had approximately 1.5 million shares in aggregate reserved for issuance under the ESPP and SPP.

During the three months ended March 31, 2019 and 2018, the Company recognized stock-based compensation expense of \$11.0 million and \$9.7 million, respectively.

11. Common Stock Repurchase Programs:

In July 2013, the Company's Board of Directors authorized the repurchase of shares of the Company's common stock up to an amount sufficient to offset the dilutive impact from the issuance of shares under the Company's equity compensation programs. The share repurchase program allows the Company to make open market purchases from time-to-time based on general economic and market conditions and trading restrictions. The repurchase program also allows for the repurchase of shares of the Company's common stock to offset the dilutive impact from the issuance of shares, if any, related to the Company's acquisition program. No shares were purchased under this program during the three months ended March 31, 2019.

In August 2018, the Company announced that its Board of Directors had authorized the repurchase of up to \$500.0 million of the Company's common stock in addition to its existing share repurchase program, of which \$250.0 million remained available for repurchase as of December 31, 2018. Under this program, during the three months ended March 31, 2019, the Company repurchased approximately 2.5 million shares of its common stock for \$78.6 million. The Company also withheld 19,331 shares to satisfy minimum statutory withholding obligations of \$0.6 million in connection with the vesting of restricted stock during the quarter. Subsequent to the end of the first quarter of 2019, the Company repurchased an additional 817,950 shares of its common stock for \$21.4 million.

The Company intends to utilize various methods to effect any future share repurchases, including, among others, open market purchases and accelerated share repurchase programs. The amount and timing of repurchases will depend upon several factors, including general economic and market conditions and trading restrictions.

12. Commitments and Contingencies:

The Company expects that audits, inquiries and investigations from government authorities and agencies will occur in the ordinary course of business. Such audits, inquiries and investigations and their ultimate resolutions, individually or in the aggregate, could have a material adverse effect on the Company's business, financial condition, results of operations, cash flows and the trading price of its securities. The Company has not included an accrual for these matters as of March 31, 2019 in its Condensed Consolidated Financial Statements, as the variables affecting any potential eventual liability depend on the currently unknown facts and circumstances that arise out of, and are specific to, any particular future audit, inquiry and investigation and cannot be reasonably estimated at this time.

In the ordinary course of business, the Company becomes involved in pending and threatened legal actions and proceedings, most of which involve claims of medical malpractice related to medical services provided by the Company's affiliated physicians. The Company's contracts with hospitals generally require the Company to indemnify them and their affiliates for losses resulting from the negligence of the Company's affiliated physicians. The Company may also become subject to other lawsuits which could involve large claims and significant costs. The Company believes, based upon a review of pending actions and proceedings, that the outcome of such legal actions and proceedings will not have a material adverse effect on its business, financial condition, results of operations, cash flows and the trading price of its securities. The outcome of such actions and proceedings, however, cannot be predicted with certainty and an unfavorable resolution of one or more of them could have a material adverse effect on the Company's business, financial condition, results of operations, cash flows and the trading price of its securities.

Although the Company currently maintains liability insurance coverage intended to cover professional liability and certain other claims, the Company cannot assure that its insurance coverage will be adequate to cover liabilities arising out of claims asserted against it in the future where the outcomes of such claims are unfavorable. With respect to professional liability risk, the Company generally self-insures a portion of this risk through its wholly owned captive insurance subsidiary. Liabilities in excess of the Company's insurance coverage, including coverage for professional liability and certain other claims, could have a material adverse effect on the Company's business, financial condition, results of operations, cash flows and the trading price of its securities.

Item 2. Management’s Discussion and Analysis of Financial Condition and Results of Operations

The following discussion highlights the principal factors that have affected our financial condition and results of operations, as well as our liquidity and capital resources, for the periods described. This discussion should be read in conjunction with the unaudited Condensed Consolidated Financial Statements and the notes thereto included in this Quarterly Report. In addition, reference is made to our audited consolidated financial statements and notes thereto and related Management’s Discussion and Analysis of Financial Condition and Results of Operations included in our most recent Annual Report on Form 10-K. As used in this Quarterly Report, the terms “MEDNAX”, the “Company”, “we”, “us” and “our” refer to the parent company, MEDNAX, Inc., a Florida corporation, and the consolidated subsidiaries through which its businesses are actually conducted (collectively, “MDX”), together with MDX’s affiliated business corporations or professional associations, professional corporations, limited liability companies and partnerships (“affiliated professional contractors”). Certain subsidiaries of MDX have contracts with our affiliated professional contractors, which are separate legal entities that provide physician services in certain states and Puerto Rico. The following discussion contains forward-looking statements. Please see the Company’s most recent Annual Report on Form 10-K, including Item 1A, Risk Factors, for a discussion of the uncertainties, risks and assumptions associated with these forward-looking statements. In addition, please see “Caution Concerning Forward-Looking Statements” below.

Overview

MEDNAX is a leading provider of physician services including newborn, anesthesia, maternal-fetal, radiology and teleradiology, pediatric cardiology and other pediatric subspecialty care. Our national network is comprised of affiliated physicians who provide clinical care in 39 states and Puerto Rico. Our affiliated physicians provide neonatal clinical care, primarily within hospital-based neonatal intensive care units, to babies born prematurely or with medical complications; anesthesia care to patients in connection with surgical and other procedures, as well as pain management; radiology services including diagnostic imaging and interventional radiology; and maternal-fetal and obstetrical medical care to expectant mothers experiencing complicated pregnancies primarily in areas where our affiliated neonatal physicians practice. Our network also includes other pediatric subspecialists, including those who provide pediatric intensive care, pediatric cardiology care, hospital-based pediatric care, pediatric surgical care, pediatric ear, nose and throat, pediatric ophthalmology and pediatric urology services. MEDNAX also provides teleradiology services in all 50 states, the District of Columbia and Puerto Rico through a network of affiliated radiologists. In addition to our national physician network, we provide services nationwide to healthcare facilities and physicians, including ours, through a consulting services company.

Divestiture of the Management Services Organization

On November 1, 2018, we announced the initiation of a process to potentially divest our management services service line to allow us to focus on our core physician services business. We determined that the criterion to classify the management services service line as assets and liabilities held for sale within our consolidated balance sheets effective March 31, 2019 were met, and accordingly, the assets and liabilities of that service line were classified as current assets and liabilities held for sale at March 31, 2019. In addition, in accordance with the accounting guidance for discontinued operations, the expected divestiture of the management services service line was deemed to represent a fundamental strategic shift that will have a major effect on the Company’s operations, and accordingly, the operating results of the service line were reported as discontinued operations in the consolidated statements of income for the three months ended March 31, 2019.

Reclassifications

Reclassifications have been made to certain prior period financial statements and footnote disclosures to conform to the current period presentation, specifically to reflect the impact of the management services organization being classified as assets held for sale and discontinued operations.

2019 Acquisition Activity

During the three months ended March 31, 2019, we completed the acquisition of one neonatology physician group practice. Based on our experience, we expect that we can improve the results of acquired physician practices through improved managed care contracting, improved collections, identification of growth initiatives, as well as, operating and cost savings based upon the significant infrastructure that we have developed.

Shared Services and Operational Initiatives

We have developed a number of strategic initiatives across our organization, in both our shared services functions and our operational infrastructure, with a goal of generating improvements in our general and administrative expenses and our operational infrastructure. In our shared services departments, we are focused on improving processes, using our resources more efficiently and utilizing our scale more effectively to improve cost and service performance across our operations. Within our operational infrastructure, we have developed specific operational plans within each of our service lines and affiliated physician practices, with specific milestones and regular reporting, with the goal of generating long-term operational improvements and fostering even greater collaboration across our national medical group. We currently intend to make a series of information-technology and other investments to improve processes and performance across our enterprise, using both internal and external resources. We are targeting annualized financial improvements related to these initiatives of \$40 million within general and administrative expenses and \$80 million in operational improvements by the end of 2019. We achieved the goals we established for these initiatives of \$60 million in improvements in 2018, comprised of \$25 million within shared services and \$35 million in operational improvements, and we remain committed to achieve the remaining improvements by the end of 2019, although there is no assurance that these improvements will be obtained. We believe these strategic initiatives, together with our continued plans to invest in focused, targeted and strategic organic and acquisitive growth, position us well to deliver a differentiated value proposition to our stakeholders while continuing to provide the highest quality care for our patients.

Senior Notes

In February 2019, we completed a private offering of \$500.0 million aggregate principal amount of 6.25% senior unsecured notes due 2027 (the “Additional 2027 Notes”), which are treated as a single class together with the 6.25% senior unsecured notes due 2027 that we issued in November 2018 (“the Initial 2027 Notes”), collectively (the “2027 Notes”). Our obligations under the 2027 Notes are guaranteed on an unsecured senior basis by the same subsidiaries and affiliated professional contractors that guarantee our Credit Agreement. We used the net proceeds of approximately \$491.7 million from the issuance of the Additional 2027 Notes to repay a portion of the indebtedness outstanding under our Credit Agreement. Interest on the 2027 Notes accrues at the rate of 6.25% per annum and is payable semi-annually in arrears on January 15 and July 15.

Common Stock Repurchase Programs

In July 2013, our Board of Directors authorized the repurchase of shares of our common stock up to an amount sufficient to offset the dilutive impact from the issuance of shares under our equity compensation programs. The share repurchase program allows us to make open market purchases from time-to-time based on general economic and market conditions and trading restrictions. The repurchase program also allows for the repurchase of shares of our common stock to offset the dilutive impact from the issuance of shares, if any, related to our acquisition program. We did not repurchase any shares under this program during the three months ended March 31, 2019.

In August 2018, we announced that our Board of Directors had authorized the repurchase of up to \$500.0 million of shares of our common stock in addition to our existing share repurchase program, of which \$250.0 million remained available as of December 31, 2018. Under this share repurchase program, during the three months ended March 31, 2019, we repurchased approximately 2.5 million shares of our common stock for \$78.6 million. We also withheld 19,331 shares to satisfy minimum statutory withholding obligations of \$0.6 million in connection with the vesting of restricted stock. Subsequent to the end of the first quarter of 2019, we repurchased an additional 817,950 shares of our common stock for \$21.4 million.

We may utilize various methods to effect any future share repurchases, including, among others, open market purchases and accelerated share repurchase programs.

General Economic Conditions and Other Factors

Our operations and performance depend significantly on economic conditions. During the three months ended March 31, 2019, the percentage of our patient service revenue being reimbursed under government-sponsored or funded healthcare programs (the “GHC Programs”), was slightly favorable as compared to the three months ended March 31, 2018. If, however, economic conditions in the United States deteriorate, we could experience shifts toward GHC Programs, and patient volumes could decline. Further, we could experience and have experienced shifts toward GHC Programs if changes occur in population demographics within geographic locations in which we provide services. We have also experienced, and could continue to experience, a shift toward GHC Programs, particularly in anesthesia care. Payments received from GHC Programs are substantially less for equivalent services than payments received from commercial insurance payors. In addition, due to the rising costs of managed care premiums and patient responsibility amounts, we may experience lower net revenue resulting from increased bad debt due to patients’ inability to pay for certain services.

Healthcare Reform

The Patient Protection and Affordable Care Act (the “ACA”) contains a number of provisions that have affected us and, absent amendment or repeal, may continue to affect us over the next several years. These provisions include the establishment of health insurance exchanges to facilitate the purchase of qualified health plans, expanded Medicaid eligibility, subsidized insurance premiums and additional requirements and incentives for businesses to provide healthcare benefits. Other provisions have expanded the scope and reach of the Federal Civil False Claims Act and other healthcare fraud and abuse laws. Moreover, we could be affected by potential changes to various aspects of the ACA, including subsidies, healthcare insurance marketplaces and Medicaid expansion.

The ACA remains subject to continuing legislative and administrative flux and uncertainty. In 2017, Congress unsuccessfully sought to replace substantial parts of the ACA with different mechanisms for facilitating insurance coverage in the commercial and Medicaid markets. Additionally, CMS has administratively revised a number of provisions and may seek to advance additional significant changes through regulation, guidance and enforcement in the future. At the end of 2017, Congress repealed part of the ACA that required most individuals to purchase and maintain health insurance or face a tax penalty. The 2018 mid-term elections in November 2018 changed the balance of power in Congress and may change the direction of future health-related legislation. More recently, a federal judge in Texas declared that key portions of the ACA were inconsistent with the United States Constitution and specifically that the ACA cannot stand on its own since Congress repealed the individual mandate. Several states are now engaged in appealing this decision.

If the ACA is repealed or further substantially modified, or if implementation of certain aspects of the ACA are diluted or delayed, such repeal, modification or delay may impact our business, financial condition, results of operations, cash flows and the trading price of our securities. We are unable to predict the impact of any repeal, modification or delay in the implementation of the ACA, including the repeal of the individual mandate, on us at this time.

[Table of Contents](#)

In addition to the potential impacts to the ACA under the current Administration and Congress, there could be more sweeping changes to GHC Programs, such as a change in the structure of Medicaid by converting it into a block grant or instituting “per capita caps,” which could eliminate the guarantee that everyone who is eligible and applies for benefits would receive them and could potentially give states sweeping new authority to restrict eligibility, cut benefits and make it more difficult for people to enroll. Additionally, several states are considering and pursuing changes to their Medicaid programs, such as requiring recipients to engage in employment activities as a condition of eligibility for most adults, disenrolling recipients for failure to pay a premium, or adjusting premium amounts based on income.

As a result, we cannot predict with any assurance the ultimate effect of these laws and resulting changes to payments under GHC Programs, nor can we provide any assurance that they will not have a material adverse effect on our business, financial condition, results of operations, cash flows and the trading price of our securities. Further, any fiscal tightening impacting GHC Programs or changes to the structure of any GHC Programs could have a material adverse effect on our financial condition, results of operations, cash flows and the trading price of our securities.

The Medicare Access and CHIP Reauthorization Act

Medicare pays for most physician services based upon a national service-specific fee schedule. The Medicare Access and CHIP Reauthorization Act (“MACRA”) provides physicians 0.5% annual increases in reimbursement through 2019 as Medicare transitions to a payment system designed to reward physicians for the quality of care provided, rather than the quantity of procedures performed. MACRA requires physicians to choose to participate in one of two payment formulas, Merit-Based Incentive Payment System (“MIPS”) or Alternative Payment Models (“APMs”). Effective January 1, 2019, MIPS allows eligible physicians to receive incentive payments based on the achievement of certain quality and cost metrics, among other measures, and be reduced for those who are underperforming against those same metrics and measures. As an alternative, physicians can choose to participate in an Advanced APMs, and physicians who are meaningful participants in APMs will receive bonus payments from Medicare pursuant to the law. MACRA also remains subject to review and potential modification by Congress, as well as shifting regulatory requirements established by CMS. We currently anticipate that our affiliated physicians will be eligible to receive bonus payments in 2019 through participation in the MIPS, although the amounts of such bonus payments are not expected to be material. We will continue to operationalize the provisions of MACRA and assess any further changes to the law or additional regulations enacted pursuant to the law.

We cannot predict the ultimate effect that these changes will have on us, nor can we provide any assurance that its provisions will not have a material adverse effect on our business, financial condition, results of operations, cash flows and the trading price of our securities.

Medicaid Expansion

The ACA also allows states to expand their Medicaid programs through federal payments that fund most of the cost of increasing the Medicaid eligibility income limit from a state’s historic eligibility levels to 133% of the federal poverty level. To date, 36 states and the District of Columbia have expanded Medicaid eligibility to cover this additional low-income patient population, and other states are considering expansion. All the states in which we operate, however, already cover children in the first year of life and pregnant women if their household income is at or below 133% of the federal poverty level.

Medicare Sequestration

The Budget Control Act of 2011, as amended by the American Taxpayer Relief Act of 2012, required across-the-board cuts (“sequestrations”) to Medicare reimbursement rates. These annual reductions of 2%, on average, apply to mandatory and discretionary spending through 2025. Unless Congress acts in the future to modify these sequestrations, Medicare reimbursements will be reduced by 2%, on average, annually. However, this reduction in Medicare reimbursement rates is not expected to have a material adverse effect on our business, financial condition, results of operations, cash flows or the trading price of our securities.

Non-GAAP Measures

In our analysis of our results of operations, we use certain non-GAAP financial measures. We have historically reported earnings before interest, taxes and depreciation and amortization (“EBITDA”). During 2019, we anticipate that we will incur certain expenses related to transformational and restructuring related expenses that are expected to be project-based and periodic in nature. In addition, we have reported our management services as assets held for sale and discontinued operations as of March 31, 2019. Accordingly, beginning with the first quarter of 2019, we have begun reporting Adjusted EBITDA from continuing operations, defined as income from continuing operations before interest, taxes, depreciation and amortization, and transformational and restructuring related expenses. Adjusted earnings per common share (“Adjusted EPS”) from continuing operations will also be further adjusted for these items and beginning with the first quarter of 2019 consists of diluted income from continuing operations per common and common equivalent share adjusted for amortization expense, stock-based compensation expense and transformational and restructuring related expenses. Adjusted EPS from continuing operations for the first quarter of 2019 was further adjusted to reflect the favorable impacts from the settlement of certain tax matters. Historical periods do not include any material items that meet the definition of transformational and restructuring related expenses, so although we are retrospectively presenting historical periods for the new definitions, we do not expect any adjustments for these items.

We believe these measures, in addition to income from operations, net income and diluted net income per common and common equivalent share, provide investors with useful supplemental information to compare and understand our underlying business trends and performance across reporting periods on a consistent basis. These measures should be considered a supplement to, and not a substitute for, financial performance measures determined in accordance with GAAP. In addition, since these non-GAAP measures are not determined in accordance with GAAP, they are susceptible to varying calculations and may not be comparable to other similarly titled measures of other companies.

- (1) Effective tax rates of 27.0% and 27.5% were used to calculate the tax effects of the adjustments in March 31, 2019 and 2018, respectively. The effective tax rate used for the three months ended March 31, 2019 excludes the impacts from the discrete tax benefit.

Results of Operations

Three Months Ended March 31, 2019 as Compared to Three Months Ended March 31, 2018

Our net revenue attributable to continuing operations was \$851.2 million for the three months ended March 31, 2019, as compared to \$852.6 million for the same period in 2018. The decrease in revenue of \$1.4 million, or 0.2%, was attributable to a decline in revenue from the non-renewal of certain contracts and acquisitions, partially offset by an increase in same-unit net revenue. Same units are those units at which we provided services for the entire current period and the entire comparable period. Same-unit net revenue grew by \$8.2 million, or 1.0%. The increase in same-unit net revenue was comprised of a net increase of \$10.8 million, or 1.3%, from net reimbursement-related factors and a decrease of \$2.6 million, or 0.3%, related to patient service volumes. The net increase in revenue related to net reimbursement-related factors was primarily due to modest improvements in managed care contracting and favorable rate impacts from our radiology services. The decrease in revenue from patient service volumes was primarily related to a decline in our anesthesia services, partially offset by growth in our neonatology and other pediatric services, primarily newborn nursery.

Practice salaries and benefits attributable to continuing operations increased \$17.5 million, or 2.9%, to \$621.5 million for the three months ended March 31, 2019, as compared to \$604.0 million for the same period in 2018. This increase was primarily attributable to increased costs associated with physicians and other staff to support organic-growth initiatives, acquisition-related growth and growth at our existing units, of which \$6.5 million was related to salaries and \$11.0 million was related to benefits and incentive compensation. We anticipate that we will continue to experience a higher rate of growth in clinician compensation expense at our existing units over historic averages, which could adversely affect our business, financial condition, results of operations, cash flows and the trading price of our securities.

Practice supplies and other operating expenses attributable to continuing operations decreased \$1.6 million, or 5.9%, to \$25.8 million for the three months ended March 31, 2019, as compared to \$27.4 million for the same period in 2018. The decrease was primarily attributable to decreases in practice supply, rent and other costs.

General and administrative expenses attributable to continuing operations primarily include all billing and collection functions and all other salaries, benefits, supplies and operating expenses not specifically related to the day-to-day operations of our physician practices and services. General and administrative expenses were \$101.8 million for the three months ended March 31, 2019, as compared to \$101.7 million for the same period in 2018. General and administrative expenses for the three months ended March 31, 2019 included \$2.5 million in cost improvements as part of our shared services initiative. General and administrative expenses as a percentage of net revenue was 12.0% for the three months ended March 31, 2019, as compared to 11.9% for the same period in 2018.

Depreciation and amortization expense attributable to continuing operations was \$20.0 million for the three months ended March 31, 2019, as compared to \$19.9 million for the same period in 2018.

[Table of Contents](#)

Transformational and restructuring related expenses attributable to continuing operations were \$3.5 million for the three months ended March 31, 2019 primarily for external consulting costs for various process improvement and restructuring initiatives.

Income from operations attributable to continuing operations decreased \$21.2 million, or 21.3%, to \$78.5 million for the three months ended March 31, 2019, as compared to \$99.7 million for the same period in 2018. Our operating margin was 9.2% for the three months ended March 31, 2019, as compared to 11.7% for the same period in 2018. The decrease of 247 basis points was primarily due to higher operating expense growth and a decrease in revenue growth.

Net non-operating expenses attributable to continuing operations were \$27.8 million for the three months ended March 31, 2019, as compared to \$16.9 million for the same period in 2018. The net increase in non-operating expenses was primarily related to an increase in interest expense due to the issuance of senior notes at higher average interest rates, a higher average interest rate on slightly higher borrowings under our credit agreement (the "Credit Agreement") and the write off of approximately \$1.5 million in deferred debt costs from the amendment of our Credit Agreement during the three months ended March 31, 2019.

Our effective income tax rate attributable to continuing operations was 17.7% and 27.5% for the three months ended March 31, 2019 and 2018, respectively. After excluding a \$4.8 million net income tax benefit resulting from the favorable settlement of a tax matter during the three months ended March 31, 2019, our effective income tax rate for the three months ended March 31, 2019 was 27.0%. We believe excluding the favorable impacts on our effective income tax rate related to the settlement provides a more comparable view of our effective income tax rate.

Income from continuing operations was \$41.7 million for the three months ended March 31, 2019, as compared to \$60.0 million for the same period in 2018. Adjusted EBITDA from continuing operations was \$104.9 million for the three months ended March 31, 2019, as compared to \$122.6 million for the same period in 2018.

Diluted income from continuing operations per common and common equivalent share was \$0.48 on weighted average shares outstanding of 86.5 million for the three months ended March 31, 2019, as compared to \$0.64 on weighted average shares outstanding of 93.5 million for the same period in 2018. Adjusted EPS from continuing operations was \$0.65 for the three months ended March 31, 2019, as compared to \$0.82 for the same period in 2018. The decrease of 7.0 million in our weighted average shares outstanding is primarily due to the impact of shares repurchased under a 2018 accelerated share repurchase program and through other open market repurchase activity.

Loss from discontinued operations was \$284.5 million for the three months ended March 31, 2019, as compared to income of \$3.4 million for the same period in 2018, reflecting the loss on classification as assets held for sale recorded during the three months ended March 31, 2019. Diluted loss from discontinued operations per common and common equivalent share was \$3.29 on weighted average shares outstanding of 86.5 million for the three months ended March 31, 2019, as compared to diluted income of \$0.04 on weighted average shares outstanding of 93.5 million for the same period in 2018. The decrease of 7.0 million in our weighted average shares outstanding is primarily due to the impact of shares repurchased under a 2018 accelerated share repurchase program and through other open market repurchase activity.

Net loss was \$242.9 million for the three months ended March 31, 2019, as compared to net income of \$63.4 million for the same period in 2018. Diluted net loss per common and common equivalent share was \$2.81 on weighted average shares outstanding of 86.5 million for the three months ended March 31, 2019, as compared to diluted net income per common and common equivalent share of \$0.68 on weighted average shares outstanding of 93.5 million for the same period in 2018. The decrease of 7.0 million in our weighted average shares outstanding is primarily due to the impact of shares repurchased under a 2018 accelerated share repurchase program and through open market repurchase activity.

Liquidity and Capital Resources

As of March 31, 2019, we had \$26.5 million of cash and cash equivalents attributable to our continuing operations as compared to \$25.5 million at December 31, 2018. Additionally, we had working capital attributable to our continuing operations of \$302.0 million at March 31, 2019, an increase of \$173.0 million from working capital of \$129.0 million at December 31, 2018. The net increase in working capital is primarily due to net borrowings on our Credit Agreement and reclassification of investments to available for sale, partially offset by the use of funds for repurchases of our common stock.

Cash Flows from Continuing Operations

Cash (used in) provided by operating, investing and financing activities from continuing operations is summarized as follows (in thousands):

	Three Months Ended March 31,	
	2019	2018
Operating activities	\$(60,408)	\$(116,877)
Investing activities	(5,271)	(18,213)
Financing activities	66,664	116,556

Operating Activities from Continuing Operations

During the three months ended March 31, 2019, our net cash used in operating activities for continuing operations was \$60.4 million, compared to \$116.9 million for the same period in 2018. The net decrease in cash used of \$56.8 million was primarily due to an increase in cash flow from income taxes payable and accounts receivable, partially offset by a decrease in cash flow from lower earnings. Cash outflow from income taxes payable in the first quarter of 2018 included tax payments made for 2017 taxes that were deferred by the Internal Revenue Service for companies impacted by the 2017 hurricanes.

During the three months ended March 31, 2019, cash flow from accounts receivable for continuing operations decreased by \$15.9 million, as compared to \$38.4 million for the same period in 2018. The decrease in cash flow from accounts receivable for the three months ended March 31, 2019 was primarily due to increased ending accounts receivable balances at existing units due to timing of cash collections.

Days sales outstanding (“DSO”) is one of the key factors that we use to evaluate the condition of our accounts receivable and the related allowances for contractual adjustments and uncollectibles. DSO reflects the timeliness of cash collections on billed revenue and the level of reserves on outstanding accounts receivable. Our DSO for continuing operations was 55.3 days at March 31, 2019 as compared to 52.5 days at December 31, 2018. The increase in our DSO primarily related to the increases in our accounts receivable balances at existing units due to timing of cash collections.

Investing Activities from Continuing Operations

During the three months ended March 31, 2019, our net cash used in investing activities for continuing operations of \$5.3 million included acquisition payments of \$4.3 million and capital expenditures of \$5.8 million, partially offset by net proceeds of \$4.8 million related to the maturity of investments.

Financing Activities from Continuing Operations

During the three months ended March 31, 2019, our net cash provided from financing activities for continuing operations of \$66.7 million consisted primarily of net repayments on our Credit Agreement of \$347.5 million and the repurchase of \$79.0 million of our common stock, partially offset by proceeds of \$500.0 from the Additional 2027 Notes.

Liquidity

On March 28, 2019, we amended and restated our Credit Agreement to reduce the size of the revolving credit facility, extend the maturity and make other technical and conforming changes. As amended and restated, the Credit Agreement provides for a \$1.2 billion unsecured revolving credit facility and includes a \$37.5 million sub-facility for the issuance of letters of credit. The Credit Agreement matures on March 28, 2024 and is guaranteed by substantially all of our subsidiaries and affiliated professional associations and corporations. At our option, borrowings under the Credit Agreement will bear interest at (i) the alternate base rate (defined as the higher of (a) the prime rate, (b) the Federal Funds Rate plus 1/2 of 1.00% and (c) LIBOR for an interest period of one month plus 1.00%) plus an applicable margin rate ranging from 0.125% to 0.750% based on our consolidated leverage ratio or (ii) the LIBOR rate plus an applicable margin rate ranging from 1.125% to 1.750% based on our consolidated leverage ratio. The Credit Agreement also calls for other customary fees and charges, including an unused commitment fee ranging from 0.150% to 0.200% of the unused lending commitments, based on our consolidated leverage ratio. The Credit Agreement contains customary covenants and restrictions, including covenants that require us to maintain a minimum interest charge ratio, not to exceed a specified consolidated leverage ratio and to comply with laws, and restrictions on the ability to pay dividends and make certain other distributions, as specified therein. Failure to comply with these covenants would constitute an event of default under the Credit Agreement, notwithstanding the ability of the company to meet its debt service obligations. The Credit Agreement also includes various customary remedies for the lenders following an event of default, including the acceleration of repayment of outstanding amounts under the Credit Agreement.

At March 31, 2019, we had an outstanding principal balance of \$392.0 million on our Credit Agreement. We also had outstanding letters of credit of \$0.1 million which reduced the amount available on our Credit Agreement to \$807.9 million at March 31, 2019.

In February 2019, we completed a private offering of Additional 2027 Notes. At March 31, 2019, the outstanding balance on the 2027 Notes was \$1.0 billion. We also had an outstanding principal balance of \$750.0 million on our 5.25% senior unsecured notes due 2023 (the “2023 Notes”). Our obligations under the 2023 Notes and the 2027 Notes are guaranteed on an unsecured senior basis by the same subsidiaries and affiliated professional contractors that guarantee our Credit Agreement. Interest on the 2023 Notes accrues at the rate of 5.25% per annum, or \$39.4 million, and is payable semi-annually in arrears on June 1 and December 1. Interest on the 2027 Notes accrues at the rate of 6.25% per annum, or \$62.5 million, and is payable semi-annually in arrears on January 15 and July 15.

The indenture under which the 2023 Notes and the 2027 Notes are issued, among other things, limits our ability to (1) incur liens and (2) enter into sale and lease-back transactions, and also limits our ability to merge or dispose of all or substantially all of our assets, in all cases, subject to a number of customary exceptions. Although we are not required to make mandatory redemption or sinking fund payments with respect to the 2023 Notes and the 2027 Notes, upon the occurrence of a change in control of MEDNAX, we may be required to repurchase the 2023 Notes and the 2027 Notes at a purchase price equal to 101% of the aggregate principal amount of the 2023 Notes and the 2027 Notes repurchased plus accrued and unpaid interest.

At March 31, 2019, we believe we were in compliance, in all material respects, with the financial covenants and other restrictions applicable to us under the Credit Agreement and the 2023 Notes and the 2027 Notes. We believe we will be in compliance with these covenants throughout 2019.

We maintain professional liability insurance policies with third-party insurers, subject to self-insured retention, exclusions and other restrictions. We self-insure our liabilities to pay self-insured retention amounts under our professional liability insurance coverage through a wholly owned captive insurance subsidiary. We record liabilities for self-insured amounts and claims incurred but not reported based on an actuarial valuation using historical loss information, claim emergence patterns and various actuarial assumptions. Our total liability related to professional liability risks at March 31, 2019 was \$249.8 million, of which \$41.2 million is classified as a current liability within accounts payable and accrued expenses in the Consolidated Balance Sheet. In addition, there is a corresponding insurance receivable of \$16.7 million recorded as a component of other assets for certain professional liability claims that are covered by insurance policies.

We anticipate that funds generated from operations, together with our current cash on hand and funds available under our Credit Agreement, will be sufficient to finance our working capital requirements, fund anticipated acquisitions and capital expenditures, fund expenses related to our transformational and restructuring activities, fund our share repurchase programs and meet our contractual obligations for at least the next 12 months from the date of issuance of this Form 10-Q.

Caution Concerning Forward-Looking Statements

Certain information included or incorporated by reference in this Quarterly Report may be deemed to be “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements may include, but are not limited to, statements relating to our objectives, plans and strategies, and all statements, other than statements of historical facts, that address activities, events or developments that we intend, expect, project, believe or anticipate will or may occur in the future are forward-looking statements. These statements are often characterized by terminology such as “believe,” “hope,” “may,” “anticipate,” “should,” “intend,” “plan,” “will,” “expect,” “estimate,” “project,” “positioned,” “strategy” and similar expressions, and are based on assumptions and assessments made by our management in light of their experience and their perception of historical trends, current conditions, expected future developments and other factors they believe to be appropriate. Any forward-looking statements in this Quarterly Report are made as of the date hereof, and we undertake no duty to update or revise any such statements, whether as a result of new information, future events or otherwise. Forward-looking statements are not guarantees of future performance and are subject to risks and uncertainties. Important factors that could cause actual results, developments and business decisions to differ materially from forward-looking statements are described in the Company’s most recent Annual Report on Form 10-K, including the section entitled “Risk Factors.”

Item 3. Quantitative and Qualitative Disclosures about Market Risk

We are subject to market risk primarily from exposure to changes in interest rates based on our financing, investing and cash management activities. We intend to manage interest rate risk through the use of a combination of fixed rate and variable rate debt. We borrow under our Credit Agreement at various interest rate options based on the Alternate Base Rate or LIBOR rate depending on certain financial ratios. At March 31, 2019, the outstanding principal balance on our Credit Agreement was \$392.0 million, and considering this outstanding balance, a 1% change in interest rates would result in an impact to income before income taxes of approximately \$3.9 million per year.

Item 4. Controls and Procedures

Evaluation of Disclosure Controls and Procedures

We maintain disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended (the “Exchange Act”)) that are designed to provide reasonable assurance that information required to be disclosed by the Company in reports it files or submits under the Exchange Act is (i) recorded, processed, summarized and reported within the time periods specified in SEC rules and forms and (ii) accumulated and communicated to our management, including our principal executive officer and principal financial officer, as appropriate to allow timely decisions regarding required disclosure.

We carried out an evaluation, under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer, of the effectiveness of our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act). Based upon that evaluation, the Chief Executive Officer and Chief Financial Officer have concluded that our disclosure controls and procedures were effective at the reasonable assurance level as of the end of the period covered by this report.

Changes in Internal Controls Over Financial Reporting

During the first quarter of 2019, we implemented controls and processes relating to adoption of the new lease accounting guidance that we adopted as of January 1, 2019. Throughout the implementation, we evaluated the impact of the adoption of the new accounting guidance on our internal control over financial reporting and made changes to controls where necessary to maintain the effectiveness of internal control over financial reporting. No other changes in our internal control over financial reporting occurred during the quarter ended March 31, 2019 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II - OTHER INFORMATION

Item 1. Legal Proceedings

We expect that audits, inquiries and investigations from government authorities and agencies will occur in the ordinary course of business. Such audits, inquiries and investigations and their ultimate resolutions, individually or in the aggregate, could have a material adverse effect on our business, financial condition, results of operations, cash flows and the trading price of our securities.

In the ordinary course of our business, we become involved in pending and threatened legal actions and proceedings, most of which involve claims of medical malpractice related to medical services provided by our affiliated physicians. Our contracts with hospitals generally require us to indemnify them and their affiliates for losses resulting from the negligence of our affiliated physicians and other clinicians. We may also become subject to other lawsuits that could involve large claims and significant defense costs. We believe, based upon a review of pending actions and proceedings, that the outcome of such legal actions and proceedings will not have a material adverse effect on our business, financial condition, results of operations, cash flows or the trading price of our securities. The outcome of such actions and proceedings, however, cannot be predicted with certainty and an unfavorable resolution of one or more of them could have a material adverse effect on our business, financial condition, results of operations, cash flows and the trading price of our securities.

Although we currently maintain liability insurance coverage intended to cover professional liability and certain other claims, we cannot assure that our insurance coverage will be adequate to cover liabilities arising out of claims asserted against us in the future where the outcomes of such claims are unfavorable to us. With respect to professional liability risk, we self-insure a significant portion of this risk through our wholly owned captive insurance subsidiary. Liabilities in excess of our insurance coverage, including coverage for professional liability and certain other claims, could have a material adverse effect on our business, financial condition, results of operations, cash flows and the trading price of our securities.

On July 10, 2018, a securities class action lawsuit was filed against our company and certain of our officers and a director in the U.S. District Court for the Southern District of Florida (Case No. 0:18-cv-61572-WPD) that purports to state a claim for alleged violations of Sections 10(b) and 20(a) of the Exchange Act, and Rule 10b-5 thereunder, based on statements made by the defendants primarily concerning our anesthesiology business. The complaint seeks unspecified damages, interest, attorneys' fees and other costs. We believe this lawsuit to be without merit and intend to vigorously defend against it. The lawsuit is in the early stages and, at this time, no assessment can be made as to its likely outcome or whether the outcome will be material to us. A lead plaintiff has been chosen and has filed an amended complaint, and we have filed a motion to dismiss, which is pending.

Additionally, on March 20, 2019, a separate derivative action was filed by plaintiff Beverly Jackson on behalf of MEDNAX, Inc. against MEDNAX, Inc. and certain of its officers and directors in the Seventeenth Judicial Circuit in and for Broward County, Florida (Case Number CACE-19-006253). The plaintiff purports to bring suit derivatively on behalf of our company against certain of our officers and directors for breach of fiduciary duties and unjust enrichment. The derivative complaint repeats many of the allegations in the securities class action described above. The derivative complaint seeks unspecified damages, restitution, attorneys' fees and costs and governance relief. We believe this action to be without merit and intend to vigorously defend against it. The action is in the early stages and, at this time, no assessment can be made as to its likely outcome or whether the outcome will be material to us.

Item 1A. Risk Factors

There have been no material changes to the risk factors previously disclosed in our most recent Annual Report on Form 10-K.

Item 2. Unregistered Sales of Equity Securities and Use of Proceeds

During the three months ended March 31, 2019, we repurchased 2.5 million shares of our common stock in connection with a share repurchase program that was approved by our board of directors in August 2018. Subsequent to the end of the first quarter of 2019, we repurchased an additional 817,950 shares of our common stock under this program.

<u>Period</u>	<u>Total Number of Shares Repurchased</u>	<u>Average Price Paid per Share</u>	<u>Total Number of Shares Purchased as part of the Repurchase Program</u>	<u>Approximate Dollar Value of Shares that May Yet Be Purchased Under the Repurchase Programs (a)</u>
January 1 – January 31, 2019	—	\$ —	—	(a)
February 1 – February 28, 2019	—	—	—	(a)
March 1 – March 31, 2019	2,524,534 (a)(b)	31.37	2,505,203	(a)
Total	2,524,534	\$ 31.37	2,505,203	(a)

- (a) We have two active repurchase programs. Our July 2013 program allows us to repurchase shares of our common stock up to an amount sufficient to offset the dilutive impact from the issuance of shares under our equity compensation programs, which is estimated to be approximately 1.3 million shares for 2019. Our August 2018 repurchase program allowed us to repurchase up to an additional \$500.0 million of shares of our common stock, of which we repurchased \$328.6 million as of March 31, 2019, inclusive of the shares indicated in the table above. Including the additional repurchase activity subsequent to March 31, 2019, we have repurchased \$350.0 million of shares of our common stock under the August 2018 repurchase program.
- (b) Includes 19,331 shares withheld to satisfy minimum statutory withholding obligations of \$0.6 million in connection with the vesting of restricted stock.

The amount and timing of any future repurchases will depend upon several factors, including general economic and market conditions and trading restrictions.

AMENDMENT NO. 2 TO CREDIT AGREEMENT

AMENDMENT NO. 2 dated as of March 28, 2019 (this "Amendment"), to the Credit Agreement, dated as of October 30, 2017 (as amended, modified, extended, restated, replaced, or supplemented from time to time in accordance with its terms prior to the date hereof, the "Credit Agreement"), among MEDNAX, INC., a Florida corporation (the "Borrower"), the Guarantors party thereto, the Lenders and JPMORGAN CHASE BANK, N.A., as administrative agent (the "Administrative Agent"), by and among the Borrower, the Guarantors, the Lenders party hereto and the Administrative Agent. Terms defined in the Amended Credit Agreement (as defined below) and used herein shall have the meanings given to them in the Amended Credit Agreement unless otherwise defined herein.

W I T N E S S E T H:

WHEREAS, the Borrower has requested certain amendments to the Credit Agreement;

WHEREAS, the Borrower desires to reduce the unused portion of the Revolving Committed Amount by \$800,000,000, effective as of, and conditioned on, the Amendment No. 2 Effective Date (as defined below) such that after giving effect to such reduction, the Revolving Committed Amount shall be \$1,200,000,000;

WHEREAS, on the date hereof, the Borrower, the Administrative Agent and each Lender on the Amendment No. 2 Effective Date, constituting all of the affected Lenders required to consent to the amendments contemplated by this Amendment, desire to amend the Credit Agreement to, among other things, (i) extend the maturity of the existing Revolving Commitments to March 28, 2024 and (ii) make certain other amendments to the Credit Agreement;

WHEREAS, each Revolving Lender under the Credit Agreement immediately prior to the Amendment No. 2 Effective Date that is party to this Amendment (each, an "Existing Lender") (other than any such Revolving Lender that is a Non-Continuing Lender (as defined below)) has agreed, subject to the terms and conditions set forth in this Amendment, to provide Revolving Commitments in such amounts as set forth in Schedule 2.1(a) to the Amended Credit Agreement and to make Revolving Loans from time to time as provided herein and in the Amended Credit Agreement; and each Existing Lender (including the Non-Continuing Lenders) agree that such Revolving Commitments shall replace in their entirety the existing Revolving Commitments outstanding under the Credit Agreement immediately prior to the Amendment No. 2 Effective Date (the "Existing Revolving Credit Commitments");

WHEREAS, JPMorgan Chase Bank, N.A. is acting as the lead "left" arranger and bookrunner of this Amendment (in such capacity, the "Amendment No. 2 Lead Arranger"); and

WHEREAS, the Administrative Agent, the Borrower and the Existing Lenders and Issuing Banks signatory hereto, constituting all of the Existing Lenders and Issuing Banks required to consent to the amendments contemplated by this Amendment, are willing to so agree pursuant to Section 9.1 of the Credit Agreement, subject to the terms and conditions set forth in this Amendment.

NOW, THEREFORE, the parties hereto hereby agree as follows:

ARTICLE I
Required Lender Amendments to Credit Agreement

Section 1.1. The Credit Agreement is, effective as of the Amendment No. 2 Effective Date, hereby amended to delete the stricken text (indicated textually in the same manner as the following example:) and to add the double-underlined text (indicated textually in the same manner as the following example: double-underlined text) as set forth in the pages attached as Exhibit A hereto (as amended, the "Amended Credit Agreement").

Section 1.2. Schedule 2.1(a) attached hereto as Exhibit B shall replace Schedule 2.1(a) to the Credit Agreement.

Section 1.3. The parties hereto hereby acknowledge and agree that any term or provision of the Credit Agreement or any other Credit Document that requires pro rata payment and sharing among Lenders (or any provision of similar intent or effect) is hereby waived solely for purposes of payments to be made pursuant thereto to the Non-Continuing Lenders on the Amendment No. 2 Effective Date pursuant to the terms contained herein.

ARTICLE II
Revolving Loans; Letters of Credit

Section 2.1. Effective as of the Amendment No. 2 Effective Date, each Revolving Lender (other than the Non-Continuing Lenders) hereby agrees, on the terms and conditions set forth herein and in the Amended Credit Agreement, including as to the extension of the maturity of their Revolving Commitments, to make Revolving Loans in accordance with Section 2.1 of the Amended Credit Agreement. In addition, by its signature hereto, each Revolving Lender hereby agrees to the Revolving Commitments set forth in Schedule 2.1(a) attached hereto as Exhibit B. The Interest Period then in effect for the Revolving Loans made under the Credit Agreement and outstanding immediately prior to the Amendment No. 2 Effective Date will be the same for the Revolving Loans under the Amended Credit Agreement on the Amendment No. 2 Effective Date.

Section 2.2. If any Revolving Loans are outstanding on the Amendment No. 2 Effective Date, subject to Section 5.7 of this Amendment, each Revolving Lender shall be deemed to have purchased or sold to each other Revolving Lender, such loans on the Amendment No. 2 Effective Date in such amount as directed by the Administrative Agent such that, after giving effect thereto, each Revolving Lender's respective Revolving Commitment Percentage of each outstanding Borrowing shall be pro rata based on their respective Revolving Commitment Percentage of the resulting Revolving Credit Commitments.

Section 2.3. If any Letters of Credit are outstanding on the Amendment No. 2 Effective Date, subject to Section 5.7 of this Amendment, each Revolving Lender shall be deemed to have purchased or sold to each other Revolving Lender, such Participation Interests in each such Letter of Credit on the Amendment No. 2 Effective Date in such amount as directed by the Administrative Agent such that, after giving effect thereto, each Revolving Lender's respective LOC Commitment shall be pro rata based on their respective Revolving Commitment Percentage of the LOC Committed Amount.

ARTICLE III
Conditions to Effectiveness

Section 3.1. Effective Date. This Amendment shall become effective on the date (the "Amendment No. 2 Effective Date") on which:

(a) The Administrative Agent shall have received counterparts to this Amendment duly executed and delivered by the Borrower, each Guarantor, the Administrative Agent and the Issuing Lenders and Existing Lenders required to consent to the amendments contemplated by this Amendment.

(b) The Borrower shall have paid (i) all fees due and payable on the Amendment No. 2 Effective Date under the fee letter, dated as of March 15, 2019, among the Borrower and the Amendment No. 2 Lead Arranger (the "Amendment No. 2 Fee Letter"), (ii) all accrued and unpaid interest on the Revolving Loans and Unused Commitment Fees with respect to the Revolving Commitments as of immediately prior to the Amendment No. 2 Effective Date and (iii) all reasonable and documented out-of-pocket fees and expenses incurred by the Administrative Agent and the Amendment No. 2 Lead Arranger (including the reasonable and documented expenses of Cahill Gordon & Reindel LLP, counsel to the Administrative Agent and the Amendment No. 2 Lead Arranger) for which invoices have been presented at least two (2) Business Days prior to the Amendment No. 2 Effective Date.

(c) The Administrative Agent shall have received customary evidence of authorization of the transactions described herein, valid organization and good standing (or applicable equivalent) in the jurisdiction of incorporation or organization, in each case, with respect to the Borrower and each Guarantor, and officer's certificates related thereto (which shall include an incumbency certificate), substantially in the form delivered on the Closing Date pursuant to Section 4.1(b) of the Credit Agreement.

(d) The Administrative Agent shall have received the opinion or opinions (including, if requested by the Administrative Agent, local counsel opinions) of counsel for the Credit Parties dated as of the Closing Date and addressed to the Administrative Agent and the Lenders in form and substance reasonably satisfactory to the Administrative Agent.

(e) (i) The representations and warranties of each Credit Party set forth in Section 3 below are true and correct on and as of the Amendment No. 2 Effective Date and (ii) as of the date hereof, no Default or Event of Default has occurred and is continuing.

(f) The Administrative Agent shall have received a certificate signed by the President, a Vice President or a Financial Officer of the Borrower certifying as to the satisfaction of the condition set forth in paragraph (e) of this Section 3.1 as of the Amendment No. 2 Effective Date.

(g) To the extent reasonably requested by the Administrative Agent, and in such case reasonably satisfactory to the Administrative Agent, either (i) such affidavits relative to the execution and delivery of any Credit Document as required to support the determination that no Florida documentary stamp taxes are required to be paid or (ii) evidence of payment by the Borrower of any Florida documentary stamp taxes applicable to the execution and delivery of the Credit Documents.

(h) The Borrower shall have notified the Administrative Agent of its election to reduce the aggregate Revolving Committed Amount to \$1,200,000,000 on the Amendment No. 2 Effective Date and the Lenders, by submitting their signature pages hereto, hereby waive any prior notice required under Section 2.6(a) of the Credit Agreement.

(i) At least three (3) Business Days prior to the Amendment No. 2 Effective Date, to the extent reasonably requested in writing by the Administrative Agent at least ten (10) Business Days prior to the Amendment No. 2 Effective Date, the Administrative Agent shall have received such information reasonably requested by the Lenders in connection with applicable "know your customer" rules and regulations, including the PATRIOT Act.

(j) Each Non-Continuing Lender shall, substantially concurrently with the Amendment No. 2 Effective Date, have received payment in full of all amounts owing to such Non-Continuing Lender under the Credit Documents (including all accrued and unpaid principal, interest and fees (after giving effect to Section 5.7(c) of this Amendment) to and including the Amendment No. 2 Effective Date).

ARTICLE IV
Representation and Warranties

Section 4.1. The Borrower hereby represents and warrants as of the Amendment No. 2 Effective Date that this Amendment has been, or when executed and delivered will be, duly executed and delivered by the Borrower. Neither the execution and delivery of this Amendment, nor the consummation of the transactions herein contemplated, nor performance of and compliance with the terms and provisions herein and thereof, by the Borrower will (a) violate in any material respect any Requirement of Law (except those as to which waivers or consents have been obtained), (b) conflict with, result in a breach of or constitute a default under (i) the articles of incorporation, bylaws, articles of organization, operating agreement or other organization documents of the Credit Parties or (ii) any Material Contract to which such Person is a party or by which any of its properties may be bound or any material approval or material consent from any Governmental Authority relating to such Person (except those as to which waivers or consents have been obtained) which conflict, breach or default in any such case in this clause (ii) could reasonably be expected to have a Material Adverse Effect, or (c) result in, or require, the creation or imposition of any Lien on any Credit Party's properties or revenues pursuant to any Requirement of Law, the articles of incorporation, bylaws, articles of organization, operating agreement or other organization documents of such Credit Party or Contractual Obligation other than the Liens arising under or contemplated in connection with the Credit Documents or Permitted Liens.

Section 4.2. The representations and warranties contained in Article III of the Amended Credit Agreement (A) with respect to representations and warranties that contain a materiality qualification, are true and correct and (B) with respect to representations and warranties that do not contain a materiality qualification, are true and correct in all material respects, in each case as of the Amendment No. 2 Effective Date as if made on and as of such date except for any representation or warranty made as of an earlier date, which representation and warranty shall remain true and correct (subject to the applicable materiality threshold in the preceding clauses (A) or (B)) as of such earlier date.

ARTICLE V
Miscellaneous

Section 5.1. Counterparts. This Amendment may be executed in any number of counterparts and by different parties hereto on separate counterparts, each of which when so executed and delivered shall be deemed to be an original, but all of which when taken together shall constitute a single instrument. Delivery of an executed counterpart of a signature page of this Amendment by facsimile or other electronic transmission shall be effective as delivery of a manually executed counterpart hereof.

Section 5.2. Reaffirmation. Each of the undersigned Guarantors (each, a "Reaffirming Party") hereby acknowledges the Amendment and the transactions contemplated thereby. Each Reaffirming Party hereby reaffirms all obligations and liabilities of such Reaffirming Party under the Loan Documents to which it is a party, as such obligations and liabilities have been amended by this Amendment, and confirms that such obligations and liabilities shall continue to be in full force and effect and shall continue to apply to the Credit Agreement and each other Loan Document.

Section 5.3. Applicable Law. THIS AMENDMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO ITS CONFLICTS OF LAW PRINCIPLES THAT WOULD CAUSE THE LAW OF ANOTHER JURISDICTION TO APPLY (OTHER THAN SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW).

Section 5.4. JURY WAIVER. EACH PARTY TO THIS AMENDMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER THIS AMENDMENT OR IN ANY WAY CONNECTED WITH OR RELATED TO THIS AMENDMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AMENDMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 5.4 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

Section 5.5. Headings. The headings of this Amendment are for purposes of reference only and shall not limit or otherwise affect the meaning hereof.

Section 5.6. Effect of Amendment. On and after the Amendment No. 2 Effective Date, each reference to the Credit Agreement in any Loan Document (including to any Exhibit or Schedule attached thereto) shall be deemed to be a reference to the Credit Agreement as amended by this Amendment. Except as expressly set forth in this Amendment, nothing herein shall be deemed to entitle any Loan Party to a consent to, or a waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement as in effect immediately prior to the Amendment No. 2 Effective Date or any other Loan Document in similar or different circumstances. This Amendment shall constitute a "Loan Document" for all purposes of the Credit Agreement and the other Loan Documents.

Section 5.7. Non-Continuing Lender Consent. By its execution of this Amendment, each of Citizens Bank, N.A. and Bank Hapoalim (each, a "Non-Continuing Lender" and, collectively, the "Non-Continuing Lenders") hereby (a) consents to the provisions of this Amendment for purposes of being repaid in full for all amounts owed to such Non-Continuing Lender under the Loan Documents, (b) acknowledges and agrees to Article I, Article II and Article III of this Amendment and (c) waives any amounts due under Section 2.15 of the Existing Credit Agreement to the extent the Amendment No. 2 Effective Date occurs within one (1) day of March 29, 2019. Each of the parties hereto hereby agrees and confirms that after giving effect to Article I, Article II and Article III of this Amendment on the Amendment No. 2 Effective Date, each Non-Continuing Lender's Revolving Commitment shall be \$0, its Revolving Commitment Percentage shall be 0%, its commitment to lend and all of its obligations under the Credit Agreement and Amended Credit Agreement shall be terminated and the Non-Continuing Lender shall cease to be a Lender for all purposes under the Credit Documents, except to the extent of any provisions thereof which by their terms expressly survive for the benefit of a Lender regardless of the termination or expiration of any Credit Document.

[Remainder of this page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be executed and delivered by their respective duly authorized officers as of the date first above written.

If for any reason the Administrative Agent shall have determined (which determination shall be conclusive in the absence of manifest error) that it is unable to ascertain the Federal Funds Effective Rate, for any reason, including the inability or failure of the Administrative Agent to obtain sufficient quotations in accordance with the terms set forth in the definition of Federal Funds Effective Rate, the Alternate Base Rate shall be determined without regard to clause (b) of the first sentence of this definition, as appropriate, until the circumstances giving rise to such inability no longer exist. Any change in the Alternate Base Rate due to a change in any of the foregoing will become effective on the date of such change in the Federal Funds Rate, the Prime Rate or LIBOR for an Interest Period of one (1) month. Notwithstanding anything contained herein to the contrary, to the extent that the provisions of Section 2.13 shall be in effect in determining LIBOR pursuant to clause (c) hereof, the Alternate Base Rate shall be the greater of (i) the Prime Rate in effect on such day and (ii) the Federal Funds Effective Rate in effect on such day plus 1/2 of 1%. Applicable Margin				
Level	Consolidated Net Leverage Ratio	LIBOR Margin & L/C Fee	Alternate Base Rate Margin	Unused Commitment Fee
I	> 3.50 to 1.0	1.750%	0.750%	0.200%
II	< 3.50 to 1.0 and > 2.75 to 1.0	1.500%	0.500%	0.200%
III	< 2.75 to 1.0 and > 2.00 to 1.0	1.375%	0.375%	0.150%
IV	< 2.00 to 1.0 and > 1.25 to 1.0	1.250%	0.250%	0.150%
V	< 1.25 to 1.0	1.125%	0.125%	0.150%

The Applicable Margin shall, in each case, be determined quarterly on the date five (5) Business Days after the date on which the Administrative Agent has received from the Borrower the quarterly financial information (in the case of the first three fiscal quarters of the Borrower’s fiscal year), the annual financial information (in the case of the fourth fiscal quarter of the Borrower’s fiscal year) and the certifications required to be delivered to the Administrative Agent and the Lenders in accordance with the provisions of Sections 5.1(a), 5.1(b) and 5.2(b) (each an “Interest Determination Date”). provide the financial information or certifications in accordance with the provisions of Sections 5.1(a), 5.1(b) and 5.2(b), the Applicable Margin shall, on the date five (5) Business Days after the date by which the Credit Parties were so required to provide such financial information or certifications to the Administrative Agent and the Lenders, be based on Level I until such time as such information or certifications or corrected information or corrected certificates are provided, whereupon the Level shall be determined by the then current Consolidated Net Leverage Ratio. Notwithstanding the foregoing, the initial Applicable Margin shall be set at Level III until the financial information and certificates required to be delivered pursuant to Section 5 for the period ending December 31, 2017 have been delivered to the Administrative Agent. In the event that any financial statement or certification delivered pursuant to Sections 5.1 or 5.2 is shown to be inaccurate (regardless of whether this Agreement or the Commitments are in effect when such inaccuracy is discovered), and such inaccuracy, if corrected, would have led to the application of a higher Applicable Margin for any period (an “Applicable Period”) than the Applicable Margin applied for such Applicable Period, the Borrower shall promptly (a) deliver to the Administrative Agent a corrected compliance certificate for such Applicable Period, (b) determine the Applicable Margin for such Applicable Period based upon the corrected compliance certificate, and (c) promptly pay to the Administrative Agent for the benefit of the Lenders the accrued additional interest and other fees owing as a result of such increased Applicable Margin for such Applicable Period, which payment shall be promptly distributed by the Administrative Agent to the Lenders entitled thereto. Section 1.7 LIBOR Notification. The interest rate on LIBOR Rate Loans is determined by reference to the LIBOR Rate, which is derived from the London interbank offered rate. The London interbank offered rate is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. In July 2017, the U.K. Financial Conduct Authority announced that, after the end of 2021, it would no longer persuade or compel contributing banks to make rate submissions to the ICE Benchmark Administration (together with any successor to the ICE Benchmark Administrator, the “IBA”) for purposes of the IBA setting the London interbank offered rate. As a result, it is possible that commencing in 2022, the London interbank offered rate may no longer be available or may no longer be deemed an appropriate reference rate upon which to determine the interest rate on LIBOR Rate Loans. In light of this eventuality, public and private sector industry initiatives are currently underway to identify new or alternative reference rates to be used in place of the London interbank offered rate. In the event that the London interbank offered rate is no longer available or in certain other circumstances as set forth in Section 2.13(b) of this Agreement, such Section 2.13(b) provides a mechanism for determining an alternative rate of interest. The Administrative Agent will notify the Borrower, pursuant to Section 2.13, in advance of any change to the reference rate upon which the interest rate on LIBOR Loans is based. However, the Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission or any other matter related to the London interbank offered rate or other rates in the definition of “LIBOR Rate” or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate, as it may or may not be adjusted pursuant to Section 2.13(b), will be similar to, or produce the same value or economic equivalence of, the LIBOR Rate or have the same volume or liquidity as did the London interbank offered rate prior to its discontinuance or unavailability.

ARTICLE II

THE LOANS; AMOUNT AND TERMS

Section 2.1 Revolving Loans.

(a) **Revolving Commitment.** During the Commitment Period, subject to the terms and conditions hereof, each Revolving Lender severally, but not jointly, shall make revolving credit loans in Dollars (“Revolving Loans”) to the Borrower from time to time in an aggregate principal amount not at any time exceeding the total of Revolving Commitments of all the Lenders, which amount on the Amendment No. 2 Effective Date shall equal **ONE BILLION TWO HUNDRED MILLION DOLLARS (\$1,200,000,000)** (as increased from time to time as provided in Section 2.22 and as such aggregate maximum amount may be reduced

from time to time as provided in Section 2.6, the “Revolving Committed Amount”) for the purposes hereinafter set forth (the “Revolving Facility”); provided, however, that (i) with regard to each Revolving Lender individually, the sum of such Revolving Lender’s Revolving Commitment Percentage of the aggregate principal amount of outstanding Revolving Loans plus such Revolving Lender’s Revolving Commitment Percentage of the outstanding principal amount of the LOC Obligations shall not exceed such Revolving Lender’s Revolving Commitment and (ii) with regard to the Revolving Lenders collectively, the sum of the aggregate principal amount of outstanding Revolving Loans plus the aggregate principal amount of outstanding LOC Obligations shall not exceed the Revolving Committed Amount then in effect. Revolving Loans may consist of Alternate Base Rate Loans or LIBOR Rate Loans, or a combination thereof, as the Borrower may request, and may be repaid and reborrowed in accordance with the provisions hereof; provided, however, the Revolving Loans made on the Closing Date or any of the three (3) Business Days following the Closing Date, may only consist of Alternate Base Rate Loans unless the Borrower delivers a funding indemnity letter, substantially in the form of Exhibit 2.1(a), reasonably acceptable to the Administrative Agent on or before the Closing Date, in which case LIBOR Rate Loans are available to the Borrower. LIBOR Rate Loans shall be made by each Revolving Lender at its LIBOR Lending Office and Alternate Base Rate Loans at its Domestic Lending Office.

(b) Revolving Loan Borrowings.

Notice of Borrowing. The Borrower shall request a Revolving Loan borrowing by delivering a written Notice of Borrowing (or telephone notice promptly confirmed in writing by delivery of a written Notice of Borrowing, which delivery may be by fax) to the Administrative Agent not later than 2:00 p.m. on the Business Day of the requested borrowing in the case of Alternate Base Rate Loans, and on the third Business Day prior to the date of the requested borrowing in the case of LIBOR Rate Loans. Each such Notice of Borrowing shall be irrevocable and shall specify (A) that a Revolving Loan is requested, (B) the date of the requested borrowing (which shall be a Business Day), (C) the aggregate principal amount to be borrowed and (D) whether the borrowing shall be comprised of Alternate Base Rate Loans, LIBOR Rate Loans or a combination thereof, and if LIBOR Rate Loans are requested, the Interest Period(s) therefor. If the Borrower shall fail to specify in any such Notice of Borrowing (1) an applicable Interest Period in the case of a LIBOR Rate Loan, then such notice shall be deemed to be a request for an Interest Period of one month, or (2) the Type of Revolving Loan requested, then such notice shall be deemed to be a request for an Alternate Base Rate Loan hereunder. The Administrative Agent shall give notice to each Revolving Lender promptly upon receipt of each Notice of Borrowing, the contents thereof and each such Revolving Lender’s share thereof.

Minimum Amounts. Each Revolving Loan that is made as an Alternate Base Rate Loan shall be in a minimum aggregate amount of \$1,000,000 and in integral multiples of \$500,000 in excess thereof (or the remaining amount of the Revolving Committed Amount, if less). Each Revolving Loan that is made as a LIBOR Rate Loan shall be in a minimum aggregate amount of \$1,000,000 and in integral multiples of \$500,000 in excess thereof (or the remaining amount of the Revolving Committed Amount, if less).

Advances. Each Revolving Lender will make its Revolving Commitment Percentage of each Revolving Loan borrowing available to the Administrative Agent for the account of the Borrower at the office of the Administrative Agent specified in Section 9.2, or at such other office as the Administrative Agent may designate in writing, by 1:00 P.M. (or in the case of a borrowing of Alternative Base Rate Loans by 3:00 P.M.) on the date specified in the applicable Notice of Borrowing, in Dollars and in funds immediately available to the Administrative Agent. Such borrowing will then be made available to the Borrower by the Administrative Agent by crediting the account of the Borrower on the books of such office (or such other account that the Borrower may designate in writing to the Administrative Agent) with the aggregate of the amounts made available to the Administrative Agent by the Revolving Lenders and in like funds as received by the Administrative Agent.

(c) Repayment. Subject to the terms of this Agreement, Revolving Loans may be borrowed, repaid and reborrowed during the Commitment Period. The principal amount of all Revolving Loans shall be due and payable in full on the Maturity Date, unless accelerated sooner pursuant to Section 7.2. The Borrower shall have the right to repay Revolving Loans in whole or in part from time to time in accordance with Section 2.7.

(d) Interest. Subject to the provisions of Section 2.8, Revolving Loans shall bear interest as follows:

(i) Alternate Base Rate Loans. During such periods as any Revolving Loans shall be composed of Alternate Base Rate Loans, each such Alternate Base Rate Loan shall bear interest at a per annum rate equal to the sum of the Alternate Base Rate plus the Applicable Margin; and

(ii) LIBOR Rate Loans. During such periods as Revolving Loans shall be composed of LIBOR Rate Loans, each such LIBOR Rate Loan shall bear interest at a per annum rate equal to the sum of the LIBOR Rate plus the Applicable Margin.

Interest on Revolving Loans shall be payable in arrears on each Interest Payment Date.

(e) Revolving Notes; Covenant to Pay. The Borrower's obligation to pay each Revolving Lender shall be evidenced by this Agreement and, upon such Revolving Lender's request, by a duly executed promissory note of the Borrower to such Revolving Lender in substantially the form of Exhibit 2.1(c). The Borrower covenants and agrees to pay the Revolving Loans in accordance with the terms of this Agreement.

Section 2.2 [Reserved].

Section 2.3 Letter of Credit Subfacility.

(a) Issuance. Subject to the terms and conditions hereof and of the LOC Documents, if any, and any other terms and conditions which the Issuing Lenders may reasonably require, during the Commitment Period each Issuing Lender shall issue, and the Revolving Lenders shall participate in, Letters of Credit for the account of the Borrower from time to time upon request in a form acceptable to the applicable Issuing Lender; provided, however, that (i) the aggregate principal amount of LOC Obligations shall not at any time exceed **THIRTY-SEVEN MILLION, FIVE HUNDRED THOUSAND DOLLARS (\$37,500,000)** (the "LOC Committed Amount"), (ii) the sum of the aggregate principal amount of outstanding Revolving Loans plus the aggregate principal amount of outstanding LOC Obligations shall not at any time exceed the Revolving Committed Amount then in effect, (iii) no Issuing Lender will be required to issue Letters of Credit in an aggregate amount in excess of such Issuing Lender's Issuing Lender Sublimit, (iv) all Letters of Credit shall be denominated in Dollars and (v) Letters of Credit shall be issued for any lawful corporate purposes and may be issued as standby letters of credit, including in connection with workers' compensation and other insurance programs and commercial letters of credit. Except as otherwise expressly agreed upon by all the Revolving Lenders, no Letter of Credit shall have an original expiry date more than twelve (12) months from the date of issuance; provided, however, so long as no Default or Event of Default has occurred and is continuing and subject to the other terms and conditions to the issuance of Letters of Credit hereunder, the expiry dates of Letters of Credit may be extended annually or periodically from time to time on the request of the Borrower or by operation of the terms of the applicable Letter of Credit to a date not more than twelve (12) months from the date of extension; provided, further, that no Letter of Credit, as originally issued or as extended, shall have an expiry date extending beyond the date that is thirty (30) days prior to the Maturity Date. Each Letter of Credit shall comply with the related LOC Documents. The issuance and expiry date of each Letter of Credit shall be a Business Day. Each Letter of Credit issued hereunder shall be in a minimum original face amount of \$100,000 or such lesser amount as approved by the applicable Issuing Lender. The Borrower's Reimbursement Obligations in respect of each Existing Letter of Credit, and each Revolving Lender's participation obligations in connection therewith, shall be governed by the terms of this Credit Agreement. The Existing Letters of Credit shall, as of the Closing Date, be deemed to have been issued as Letters of Credit hereunder and subject to and governed by the terms of this Agreement.

(b) Notice and Reports. The request for the issuance of a Letter of Credit shall be submitted to the applicable Issuing Lender at least five (5) Business Days prior to the requested date of issuance. The applicable Issuing Lender will promptly upon request provide to the Administrative Agent for dissemination to the Revolving Lenders a detailed report specifying the Letters of Credit which are then issued by such Issuing Lender and outstanding and any activity with respect thereto which may have occurred since the date of any prior report, and including therein, among other things, the account party, the beneficiary, the face amount, expiry date as well as any payments or expirations which may have occurred. Each Issuing Lender will further provide to the Administrative Agent promptly upon request copies of the Letters of Credit. Each Issuing Lender will provide to the Administrative Agent promptly upon request a summary report of the nature and extent of LOC Obligations then outstanding.

(c) Participations. Each Revolving Lender, (i) on the Closing Date with respect to each Existing Letter of Credit and (ii) upon issuance of a Letter of Credit, shall be deemed to have purchased without recourse a risk participation from the applicable Issuing Lender in such Letter of Credit and the obligations arising thereunder, in each case in an amount equal to its Revolving Commitment Percentage of the obligations under such Letter of Credit and shall absolutely, unconditionally and irrevocably assume, as primary obligor and not as surety, and be obligated to pay to the applicable Issuing Lender therefor and discharge when due, its Revolving Commitment Percentage of the obligations arising under such Letter of Credit; provided that any Person that becomes a Revolving Lender after the Closing Date shall be deemed to have purchased a Participation Interest in all outstanding Letters of Credit on the date it becomes a Lender hereunder and any Letter of Credit issued on or after such date, in each case in accordance with the foregoing terms. Without limiting the scope and nature of each Revolving Lender's participation in any Letter of Credit, to the extent that the applicable Issuing Lender has not been reimbursed as required hereunder or under any LOC Document, each such Revolving Lender shall pay to such Issuing Lender its Revolving Commitment Percentage of such unreimbursed drawing in same day funds pursuant to and in accordance with the provisions of subsection (d) hereof. The obligation of each Revolving Lender to so reimburse the Issuing Lenders shall be absolute and unconditional and shall not be affected by the occurrence of a Default, an Event of Default or any other occurrence or event. Any such reimbursement shall not relieve or otherwise impair the obligation of the Borrower to reimburse the Issuing Lenders under any Letter of Credit, together with interest as hereinafter provided.

(d) Reimbursement. In the event of any drawing under any Letter of Credit, the applicable Issuing Lender will promptly notify the Borrower and the Administrative Agent. The Borrower shall reimburse the applicable Issuing Lender on the day of drawing under any Letter of Credit if notified prior to 3:00 P.M. on a Business Day or, if after 3:00 P.M., on the following Business Day (either with the proceeds of a Revolving Loan obtained hereunder or otherwise) in same day funds as provided herein or in the LOC Documents. If the Borrower shall fail to reimburse the Issuing Lenders as provided herein, the unreimbursed amount of such drawing shall bear interest at a per annum rate equal to the Default Rate. Unless the Borrower shall immediately notify the applicable Issuing Lender and the Administrative Agent of its intent to otherwise reimburse such Issuing Lender, the Borrower shall be deemed to have requested a Mandatory LOC Borrowing (as defined in Section 2.3(e)) in the amount of the drawing as provided in subsection (e) hereof, the proceeds of which will be used to satisfy the Reimbursement Obligations. The Borrower's Reimbursement Obligations hereunder shall be absolute and unconditional under all circumstances irrespective of any rights of set-off, counterclaim or defense to payment the Borrower may claim or have against the Issuing Lenders, the Administrative Agent, the Lenders, the beneficiary of the Letter of Credit drawn upon or any other Person, including, without limitation, any defense based on any failure of the Borrower to receive consideration or the legality, validity, regularity or unenforceability of the Letter of Credit. Each Issuing Lender will promptly notify the other Revolving Lenders of the amount of any unreimbursed drawing and each Revolving Lender shall promptly pay to the Administrative Agent for the account of such Issuing Lender, in Dollars and in immediately available funds, the amount of such Revolving Lender's Revolving Commitment Percentage of such unreimbursed drawing. Such payment shall be made on the Business Day such notice is received by such Revolving Lender from the applicable Issuing Lender if such notice is received at or before 2:00 P.M., otherwise such payment shall be made at or before noon on the Business Day next succeeding the Business Day such notice is received. If such Revolving Lender does not pay such amount to the applicable Issuing Lender in full upon such request, such Revolving Lender shall, on demand, pay to the Administrative Agent for the account of such Issuing Lender interest on the unpaid amount during the period from the date of such drawing until such Revolving Lender pays such amount to such Issuing Lender in full at a rate per annum equal to, if paid within two (2) Business Days of the date of drawing, the Federal Funds Effective Rate and thereafter at a rate equal to the Alternate Base Rate. Each Revolving Lender's obligation to make such payment to the Issuing Lenders, and the right of the Issuing Lenders to receive the same, shall be absolute and unconditional, shall not be affected by any circumstance whatsoever and without regard to the termination of this Agreement or the Commitments hereunder, the existence of a Default or Event of Default or the acceleration of the Obligations hereunder and shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Repayment with Revolving Loans. On any day on which the Borrower shall have requested, or been deemed to have requested, a Revolving Loan to reimburse a drawing under a Letter of Credit, the Administrative Agent shall give notice to the Revolving Lenders that a Revolving Loan has been requested or deemed requested in connection with a drawing under a Letter of Credit, in which case a Revolving Loan borrowing comprised entirely of Alternate Base Rate Loans (each such borrowing, a "Mandatory LOC Borrowing") shall be

made (without giving effect to any termination of the Commitments pursuant to Section 7.2) pro rata based on each Revolving Lender's respective Revolving Commitment Percentage (determined before giving effect to any termination of the Commitments pursuant to Section 7.2) and the proceeds thereof shall be paid directly to the applicable Issuing Lender for application to the respective LOC Obligations. Each Revolving Lender hereby irrevocably agrees to make such Revolving Loans on the day such notice is received by the Revolving Lenders from the Administrative Agent if such notice is received at or before 2:00 P.M., otherwise such payment shall be made at or before noon on the Business Day next succeeding the day such notice is received, in each case notwithstanding (i) the amount of Mandatory LOC Borrowing may not comply with the minimum amount for borrowings of Revolving Loans otherwise required hereunder, (ii) whether any conditions specified in Section 4.2 are then satisfied, (iii) whether a Default or an Event of Default then exists, (iv) failure for any such request or deemed request for Revolving Loan to be made by the time otherwise required in Section 2.1(b), (v) the date of such Mandatory LOC Borrowing, or (vi) any reduction in the Revolving Committed Amount after any such Letter of Credit may have been drawn upon. In the event that any Mandatory LOC Borrowing cannot for any reason be made on the date otherwise required above (including, without limitation, as a result of the occurrence of a Bankruptcy Event), then each such Revolving Lender hereby agrees that it shall forthwith fund its Participation Interests in the outstanding LOC Obligations on the Business Day such notice to fund is received by such Revolving Lender from the Administrative Agent if such notice is received at or before 2:00 P.M., otherwise such payment shall be made at or before 12:00 Noon on the Business Day next succeeding the Business Day such notice is received; provided, further, that in the event any Revolving Lender shall fail to fund its Participation Interest as required herein, then the amount of such Revolving Lender's unfunded Participation Interest therein shall automatically bear interest payable by such Revolving Lender to the Administrative Agent for the account of the Issuing Lenders upon demand, at the rate equal to, if paid within two (2) Business Days of such date, the Federal Funds Effective Rate, and thereafter at a rate equal to the Alternate Base Rate.

(f) Modification, Extension. The issuance of any supplement, modification, amendment, renewal, or extension to any Letter of Credit shall, for purposes hereof, be treated in all respects the same as the issuance of a new Letter of Credit hereunder.

(g) ISP98 and UCP. Unless otherwise expressly agreed by the applicable Issuing Lender and the Borrower, when a Letter of Credit is issued, (i) the rules of the "International Standby Practices 1998," published by the Institute of International Banking Law & Practice (or such later version thereof as may be in effect at the time of issuance) shall apply to each standby Letter of Credit, and (ii) the rules of The Uniform Customs and Practice for Documentary Credits, as most recently published by the International Chamber of Commerce at the time of issuance, shall apply to each commercial Letter of Credit.

(h) Conflict with LOC Documents. In the event of any conflict between this Agreement and any LOC Document (including any letter of credit application and any LOC Documents relating to the Existing Letters of Credit), this Agreement shall control.

(i) Designation of Subsidiaries as Account Parties. Notwithstanding anything to the contrary set forth in this Agreement, including, without limitation, Section 2.3(a), a Letter of Credit issued hereunder may contain a statement to the effect that such Letter of Credit is issued for the account of a Subsidiary of the Borrower; provided that, notwithstanding such statement, the Borrower shall be the actual account party for all purposes of this Agreement for such Letter of Credit and such statement shall not affect the Borrower's Reimbursement Obligations hereunder with respect to such Letter of Credit.

(j) Cash Collateral. At any point in time in which there is a Defaulting Lender, the Issuing Lenders may require the Borrower to Cash Collateralize the LOC Obligations pursuant to Section 2.20.

(k) Resignation of Issuing Lender. An Issuing Lender may resign by giving 30 days' prior written notice to each of the Administrative Agent, the Borrower and the Revolving Lenders in the event that such Person and its Affiliates no longer hold any Revolving Commitments; provided that no such resignation shall be effective if there shall not be one or more other Issuing Lender (or Revolving Lenders willing to become an Issuing Lender) (each, a "Successor Issuing Lender") at such time that will provide a LOC Commitment (or in the case of existing Issuing Lenders, that will increase its LOC Commitment) in an amount not less than such resigning Issuing Lender's Issuing Lender Sublimit. Notwithstanding the foregoing, no such resignation shall be effective if it results

(after giving effect to the proviso of the immediately preceding sentence) in a decrease in the LOC Committed Amount then in effect. The acceptance of any appointment as an Issuing Lender hereunder by a Successor Issuing Lender shall be evidenced by an agreement entered into by such resigning Issuing Lender and Successor Issuing Lender, in a form satisfactory to the Borrower and the Administrative Agent (each, a "Successor Issuing Lender Agreement"). Upon the acceptance of any appointment as an Issuing Lender hereunder and the effectiveness of the applicable Successor Issuing Lender Agreement, (i) such Successor Issuing Lender shall succeed to and become vested with all of the rights, powers, privileges and duties of the resigning Issuing Lender in its capacity as a resigning Issuing Lender, (ii) such resigning Issuing Lender shall be discharged from all of its respective duties and obligations hereunder or under the other Credit Documents, and (iii) the Successor Issuing Lender shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the resigning Issuing Lender and the Borrower to effectively assume the obligations of such resigning Issuing Lender with respect to such Letters of Credit. Such resignation shall not affect the validity or effectiveness of any Letter of Credit issued prior to such resignation by the resigning Issuing Lender. At the time such resignation of an Issuing Lender shall become effective, the Borrower shall pay all accrued and unpaid Letter of Credit Facing Fees to such resigning Issuing Lender.

Section 2.4 [Reserved].

Section 2.5 Fees.

(a) Unused Commitment Fee. Subject to Section 2.21, in consideration of the Revolving Commitments, the Borrower agrees to pay to the Administrative Agent, for the ratable benefit of the Revolving Lenders, a commitment fee (the "Unused Commitment Fee") at an annual rate equal to the Applicable Margin multiplied by the average daily unused amount of the Revolving Committed Amount. For purposes of computation of the Unused Commitment Fee, LOC Obligations shall be considered usage of the Revolving Committed Amount. The Unused Commitment Fee shall be calculated by the Administrative Agent and shall be payable by the Borrower quarterly in arrears on the last Business Day of each calendar quarter or, in the case of Revolving Commitments in effect immediately prior to the Amendment No. 2 Effective Date, on the Amendment No. 2 Effective Date with respect to the portion of the calendar quarter ended immediately prior to such Amendment No. 2 Effective Date.

(b) Letter of Credit Fees. Subject to Section 2.21, in consideration of the LOC Commitments, the Borrower agrees to pay to the Administrative Agent, for the ratable benefit of the Revolving Lenders, a fee (the "Letter of Credit Fee") equal to the Applicable Margin for Revolving Loans that are LIBOR Rate Loans per annum on the average daily maximum amount available to be drawn under each Letter of Credit from the date of issuance to the date of expiration. The Letter of Credit Fee shall be calculated by the Administrative Agent and shall be payable by the Borrower quarterly in arrears on the last Business Day of each calendar quarter.

(c) Issuing Lender Fees. In addition to the Letter of Credit Fees payable pursuant to subsection (b) hereof, the Borrower shall pay to each Issuing Lender for its own account without sharing by the other Lenders the reasonable and customary charges from time to time of such Issuing Lender with respect to the amendment, transfer, administration, cancellation and conversion of, and drawings under, the Letters of Credit issued by such Issuing Lender (collectively, the "Issuing Lender Fees"). Each Issuing Lender may charge, and retain for its own account without sharing by the other Lenders, an additional facing fee (the "Letter of Credit Facing Fee") of 0.125% per annum on the average daily maximum amount available to be drawn under each such Letter of Credit issued by it. The Issuing Lender Fees and the Letter of Credit Facing Fee shall be calculated by the Administrative Agent and shall be payable by the Borrower quarterly in arrears on the last Business Day of each calendar quarter.

(d) Administrative Fee. The Borrower agrees to pay to the Administrative Agent the annual administrative fee as described in its Fee Letter.

Section 2.6 Revolving Commitment Reductions.

(a) Voluntary Reductions. The Borrower shall have the right to terminate or permanently reduce the unused portion of the Revolving Committed Amount at any time or from time to time subject to Section 2.15 but otherwise without premium or penalty upon not less than five (5) Business Days' prior written notice to the Administrative Agent (which shall notify the Lenders thereof as soon as practicable) of each such termination or

reduction, which notice shall specify the effective date thereof and the amount of any such reduction which shall be in a minimum amount of \$1,000,000 or a whole multiple of \$500,000 in excess thereof and shall be irrevocable and effective upon receipt by the Administrative Agent; provided that no such reduction or termination shall be permitted if after giving effect thereto, and to any prepayments of the Revolving Loans made on the effective date thereof, the sum of the aggregate principal amount of outstanding Revolving Loans plus the aggregate principal amount of outstanding LOC Obligations would exceed the Revolving Committed Amount then in effect; provided, further that such notice may be conditioned upon the effectiveness of other credit facilities or the consummation of a transaction, the proceeds of which shall be used to repay the Obligations in connection with any such termination, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition or conditions are not satisfied.

(b) LOC Committed Amount. If the Revolving Committed Amount is reduced below the then current LOC Committed Amount, the LOC Committed Amount shall automatically be reduced by an amount such that the LOC Committed Amount equals the Revolving Committed Amount.

(c) Maturity Date. The Revolving Commitments and the LOC Commitment shall automatically terminate on the Maturity Date.

Section 2.7 Repayments.

(a) Optional Repayments. The Borrower shall have the right to repay Loans in whole or in part from time to time; provided, however, that each partial repayment of (i) Alternate Base Rate Loans shall be in a minimum principal amount of \$1,000,000 and integral multiples of \$500,000 in excess thereof (or the remaining outstanding principal amount), (ii) LIBOR Rate Loans shall be in a minimum principal amount of \$1,000,000 and integral multiples of \$500,000 in excess thereof (or the remaining outstanding principal amount). The Borrower shall give three (3) Business Days' irrevocable notice of repayment in the case of LIBOR Rate Loans and same-day irrevocable notice on any Business Day in the case of Alternate Base Rate Loans, to the Administrative Agent (which shall notify the applicable Lenders thereof as soon as practicable); provided, that such notice may be conditioned upon the effectiveness of other credit facilities or the consummation of a transaction, the proceeds of which shall be used to repay the Loans in full or in part, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition or conditions are not satisfied. Within the foregoing parameters, repayments under this Section shall be applied first to Alternate Base Rate Loans and then to LIBOR Rate Loans in direct order of Interest Period maturities. All repayments under this Section shall be subject to Section 2.15, but otherwise without premium or penalty. Interest on the principal amount repaid shall be payable on the next occurring Interest Payment Date that would have occurred had such loan not been repaid or, at the request of the Administrative Agent, interest on the principal amount repaid shall be payable on any date that a repayment is made hereunder through the date of repayment.

(b) Mandatory Repayments.

Revolving Committed Amount. If at any time after the Closing Date, the sum of the aggregate principal amount of outstanding Revolving Loans plus the aggregate principal amount of outstanding LOC Obligations shall exceed the Revolving Committed Amount, the Borrower shall immediately repay the Revolving Loans or (after all Revolving Loans have been repaid) Cash Collateralize the LOC Obligations in an amount sufficient to eliminate such excess (such repayment to be applied as set forth in clause (ii) below) and on terms and conditions reasonably satisfactory to the Administrative Agent.

Application of Mandatory Repayments. All amounts required to be paid pursuant to this Section shall be applied (1) *first* to the outstanding Revolving Loans and (2) *second* to Cash Collateralize the LOC Obligations.

Within the parameters of the applications set forth above, repayments shall be applied first to Alternate Base Rate Loans and then to LIBOR Rate Loans in direct order of Interest Period maturities. All repayments under this Section shall be subject to Section 2.15 and be accompanied by interest on the principal amount repaid through the date of repayment, but otherwise without premium or penalty.

(c) Bank Products Unaffected. Any repayment made pursuant to this Section shall not affect the Borrower's obligation to continue to make payments under any Bank Product, which shall remain in full force and effect notwithstanding such repayment, subject to the terms of such Bank Product.

Section 2.8 Default Rate and Payment Dates.

(a) If all or a portion of the principal amount of any Loan which is a LIBOR Rate Loan shall not be paid when due or continued as a LIBOR Rate Loan in accordance with the provisions of Section 2.9 (whether at the stated maturity, by acceleration or otherwise), such overdue principal amount of such Loan shall be converted to an Alternate Base Rate Loan at the end of the Interest Period applicable thereto.

(b) Upon the occurrence, and during the continuance, of any Event of Default hereunder, the principal of and, to the extent permitted by law, interest on the Loans and any other amounts owing hereunder or under the other Credit Documents shall bear interest, payable on demand, at a per annum rate which is equal to the Default Rate.

(c) Interest on each Loan shall be payable in arrears on each Interest Payment Date; provided that interest accruing pursuant to paragraph (b) of this Section shall be payable from time to time on demand.

Section 2.9 Conversion Options.

(a) The Borrower may elect from time to time to convert Alternate Base Rate Loans to LIBOR Rate Loans or to continue LIBOR Rate Loans, by delivering a Notice of Conversion/Extension to the Administrative Agent at least three (3) Business Days prior to the proposed date of conversion or continuation. In addition, the Borrower may elect from time to time to convert all or any portion of a LIBOR Rate Loan to an Alternate Base Rate Loan by giving the Administrative Agent irrevocable written notice thereof by 11:00 A.M. one (1) Business Day prior to the proposed date of conversion. If the date upon which an Alternate Base Rate Loan is to be converted to a LIBOR Rate Loan is not a Business Day, then such conversion shall be made on the next succeeding Business Day and during the period from such last day of an Interest Period to such succeeding Business Day such Loan shall bear interest as if it were an Alternate Base Rate Loan. LIBOR Rate Loans may only be converted to Alternate Base Rate Loans on the last day of the applicable Interest Period. If the date upon which a LIBOR Rate Loan is to be converted to an Alternate Base Rate Loan is not a Business Day, then such conversion shall be made on the next succeeding Business Day and during the period from such last day of an Interest Period to such succeeding Business Day such Loan shall bear interest as if it were an Alternate Base Rate Loan. All or any part of outstanding Alternate Base Rate Loans may be converted as provided herein; provided that (i) no Loan may be converted into a LIBOR Rate Loan when any Default or Event of Default has occurred and is continuing and (ii) partial conversions shall be in an aggregate principal amount of \$1,000,000 or a whole multiple of \$1,000,000 in excess thereof. All or any part of outstanding LIBOR Rate Loans may be converted as provided herein; provided that partial conversions shall be in an aggregate principal amount of \$1,000,000 or a whole multiple of \$1,000,000 in excess thereof.

(b) Any LIBOR Rate Loans may be continued as such upon the expiration of an Interest Period with respect thereto by compliance by the Borrower with the notice provisions contained in Section 2.9(a); provided, that no LIBOR Rate Loan may be continued as such when any Default or Event of Default has occurred and is continuing, in which case such Loan shall be automatically converted to an Alternate Base Rate Loan at the end of the applicable Interest Period with respect thereto. If the Borrower shall fail to give timely notice of an election to continue a LIBOR Rate Loan, or the continuation of LIBOR Rate Loans is not permitted hereunder, such LIBOR Rate Loans shall be automatically converted to Alternate Base Rate Loans at the end of the applicable Interest Period with respect thereto.

Section 2.10 Computation of Interest and Fees; Usury.

(a) Interest payable hereunder with respect to any Alternate Base Rate Loan based on the Prime Rate shall be calculated on the basis of a year of three hundred sixty-five (365) days (or three hundred sixty-six (366) days, as applicable) for the actual days elapsed. All other fees, interest and all other amounts payable hereunder shall be calculated on the basis of a three hundred sixty (360) day year for the actual days elapsed. The

Administrative Agent shall as soon as practicable notify the Borrower and the Lenders of each determination of a LIBOR Rate on the Business Day of the determination thereof. Any change in the interest rate on a Loan resulting from a change in the Alternate Base Rate shall become effective as of the opening of business on the day on which such change in the Alternate Base Rate shall become effective. The Administrative Agent shall as soon as practicable notify the Borrower and the Lenders of the effective date and the amount of each such change.

(b) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be conclusive and binding on the Borrower and the Lenders in the absence of manifest error. The Administrative Agent shall, at the request of the Borrower, deliver to the Borrower a statement showing the computations used by the Administrative Agent in determining any interest rate.

(c) It is the intent of the Lenders and the Credit Parties to conform to and contract in strict compliance with applicable usury law from time to time in effect. All agreements between the Lenders and the Credit Parties are hereby limited by the provisions of this subsection which shall override and control all such agreements, whether now existing or hereafter arising and whether written or oral. In no way, nor in any event or contingency (including, but not limited to, prepayment or acceleration of the maturity of any Obligation), shall the interest taken, reserved, contracted for, charged, or received under this Agreement, under the Notes or otherwise, exceed the maximum nonusurious amount permissible under applicable law. If, from any possible construction of any of the Credit Documents or any other document, interest would otherwise be payable in excess of the maximum nonusurious amount, any such construction shall be subject to the provisions of this paragraph and such interest shall be automatically reduced to the maximum nonusurious amount permitted under applicable law, without the necessity of execution of any amendment or new document. If any Lender shall ever receive anything of value which is characterized as interest on the Loans under applicable law and which would, apart from this provision, be in excess of the maximum nonusurious amount, an amount equal to the amount which would have been excessive interest shall, without penalty, be applied to the reduction of the principal amount owing on the Loans and not to the payment of interest, or refunded to the Borrower or the other payor thereof if and to the extent such amount which would have been excessive exceeds such unpaid principal amount of the Loans. The right to demand payment of the Loans or any other Indebtedness evidenced by any of the Credit Documents does not include the right to receive any interest which has not otherwise accrued on the date of such demand, and the Lenders do not intend to charge or receive any unearned interest in the event of such demand. All interest paid or agreed to be paid to the Lenders with respect to the Loans shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term (including any renewal or extension) of the Loans so that the amount of interest on account of such Indebtedness does not exceed the maximum nonusurious amount permitted by applicable law.

Section 2.11 Pro Rata Treatment and Payments.

(a) Allocation of Payments Prior to Exercise of Remedies. Each borrowing of Revolving Loans and any reduction of the Revolving Commitments shall be made pro rata according to the respective Revolving Commitment Percentages of the Revolving Lenders. Unless otherwise required by the terms of this Agreement, each payment under this Agreement or any Note shall be applied, first, to any fees then due and owing by the Borrower pursuant to Section 2.5, second, to interest then due and owing hereunder and under the Notes of the Borrower and, third, to principal then due and owing hereunder and under the Notes of the Borrower. Each payment on account of any fees pursuant to Section 2.5 shall be made pro rata in accordance with the respective amounts due and owing (except as to the Letter of Credit Facing Fees and the Issuing Lender Fees). Each payment or prepayment by the Borrower on account of principal of and interest on the Revolving Loans shall be applied to such Loans, as applicable, on a pro rata basis. Each mandatory prepayment on account of principal of the Loans as required by Section 2.7(b)(i) shall be applied in accordance with Section 2.7(b)(ii). All payments (including prepayments) to be made by the Borrower on account of principal, interest and fees shall be made without defense, set-off or counterclaim (except as provided in Section 2.16(b)) and shall be made to the Administrative Agent for the account of the Lenders at the Administrative Agent's office specified in Section 9.2 in Dollars and in immediately available funds not later than 1:00 P.M. on the date when due. The Administrative Agent shall distribute such payments to the Lenders entitled thereto promptly upon receipt in like funds as received. If any payment hereunder (other than payments on the LIBOR Rate Loans) becomes due and payable on a day other than a Business Day, such payment shall be extended to the next succeeding Business Day, and, with respect to payments of principal, interest thereon shall be payable at the then applicable rate during such extension. If any payment on a LIBOR Rate Loan becomes due and payable on a day other than a Business Day, such payment date shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day.

(b) Allocation of Payments After Exercise of Remedies. Notwithstanding any other provisions of this Agreement to the contrary, after the exercise of remedies (other than the invocation of default interest pursuant to Section 2.8) by the Administrative Agent or the Lenders pursuant to Section 7.2 (or after the Commitments shall automatically terminate and the Loans (with accrued interest thereon) and all other amounts under the Credit Documents (including, without limitation, the maximum amount of all contingent liabilities under Letters of Credit) shall automatically become due and payable in accordance with the terms of such Section), all amounts collected or received by the Administrative Agent or any Lender on account of the Credit Party Obligations or any other amounts outstanding under any of the Credit Documents shall be paid over or delivered as follows (irrespective of whether the following costs, expenses, fees, interest, premiums, scheduled periodic payments or Credit Party Obligations are allowed, permitted or recognized as a claim in any proceeding resulting from the occurrence of a Bankruptcy Event):

FIRST, to the payment of all reasonable out-of-pocket costs and expenses (including, without limitation, reasonable attorneys' fees) of the Administrative Agent in connection with enforcing the rights of the Lenders under the Credit Documents;

SECOND, to the payment of any fees owed to the Administrative Agent and the Issuing Lenders;

THIRD, to the payment of all reasonable out-of-pocket costs and expenses (including, without limitation, reasonable and documented attorneys' fees) of each of the Lenders in connection with enforcing its rights under the Credit Documents or otherwise with respect to the Credit Party Obligations owing to such Lender to the extent due and payable by any Credit Party pursuant to Section 9.5;

FOURTH, to the payment of all of the Credit Party Obligations consisting of accrued fees and interest, and including, with respect to any Bank Product, any fees, premiums and scheduled periodic payments due under such Bank Product (other than payments on account of principal) and any interest accrued thereon;

FIFTH, to the payment of the outstanding principal amount of the Credit Party Obligations and the payment or Cash Collateralization of the outstanding LOC Obligations, and including with respect to any Bank Product, any breakage, termination or other payments due under such Bank Product;

SIXTH, to all other Credit Party Obligations and other obligations which shall have become due and payable under the Credit Documents or otherwise and not repaid pursuant to clauses "FIRST" through "FIFTH" above; and

SEVENTH, to the payment of the surplus, if any, to whoever may be lawfully entitled to receive such surplus.

In carrying out the foregoing, (a) amounts received shall be applied in the numerical order provided until exhausted prior to application to the next succeeding category; (b) each of the Lenders and any Bank Product Provider shall receive an amount equal to its pro rata share (based on the proportion that the then outstanding Loans and LOC Obligations held by such Lender or the outstanding obligations payable to such Bank Product Provider bears to the aggregate then outstanding Loans and LOC Obligations and obligations payable under all Bank Products) of amounts available to be applied pursuant to clauses "THIRD," "FOURTH," "FIFTH" and "SIXTH" above; and (c) to the extent that any amounts available for distribution pursuant to clause "FIFTH" above are attributable to the issued but undrawn amount of outstanding Letters of Credit, such amounts shall be held by the Administrative Agent in a Cash Collateral account and applied (i) first, to reimburse the applicable Issuing Lenders from time to time for any drawings under such Letters of Credit and (ii) then, following the expiration of all Letters of Credit, to all other obligations of the types described in clauses "FIFTH" and "SIXTH" above in the manner provided in this Section. Notwithstanding the foregoing terms of this Section, (x) only payments under the Guaranty (as opposed to ordinary course principal, interest and fee payments hereunder) shall be applied to obligations under

any Bank Product and (y) Excluded Swap Obligations with respect to any Guarantor shall not be paid with amounts received from such Guarantor or its assets, but appropriate adjustments shall be made with respect to payments from other Credit Parties to preserve the allocation to Credit Party Obligations otherwise set forth above in this Section.

Section 2.12 Non-Receipt of Funds by the Administrative Agent.

(a) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received written notice from a Lender prior to the proposed time of any Extension of Credit that such Lender will not make available to the Administrative Agent such Lender's share of such Extension of Credit, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with this Agreement and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Extension of Credit available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of a payment to be made by such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation and (ii) in the case of a payment to be made by the Borrower, the interest rate applicable to Alternate Base Rate Loans. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Extension of Credit to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Extension of Credit. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(b) Payments by Borrower; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Lenders, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the Issuing Lenders, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such Issuing Lender, with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under subsections (a) and (b) of this Section shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Extension of Credit set forth in Article IV are not satisfied or waived in accordance with the terms thereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) Obligations of Lenders Several. The obligations of the Lenders hereunder to make Revolving Loans, to fund participations in Letters of Credit and to make payments pursuant to Section 9.5(c) are several and not joint. The failure of any Lender to make any Loan, to fund any such participation or to make any such payment under Section 9.5(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 9.5(c).

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

Section 2.13 Alternate Rate of Interest.

(a) If prior to the commencement of any Interest Period for a LIBOR Rate Loan:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the LIBOR Rate (including, without limitation, because the LIBO Screen Rate is not available or published on a current basis), for Dollars and such Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders that the LIBOR Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone or telecopy, confirmed in writing, as promptly as practicable thereafter, and until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, any Notice of Conversion/Extension submitted by Borrower during such period that requests the conversion of any Revolving Loan to, or continuation of any Revolving Loan as, a LIBOR Rate Loan, shall be ineffective.

(b) If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in clause (a)(i) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in clause (a)(i) have not arisen but the supervisor for the administrator of the LIBO Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBO Screen Rate shall no longer be used for determining interest rates for loans, then the Administrative Agent and the Borrower shall endeavor to establish an alternate rate of interest to the LIBOR Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable. Notwithstanding anything to the contrary in Section 9.1, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within ten (10) Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders stating that such Required Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this clause (b) (but, in the case of the circumstances described in clause (ii) of the first sentence of this Section 2.13(b), only to the extent the LIBO Screen Rate for such Interest Period is not available or published at such time on a current basis), any Notice of Borrowing or Notice of Conversion/Extension submitted by Borrower during such period that requests a Loan as, or the conversion of any Loans to, or continuation of any Loans as, a LIBOR Rate Loan shall be ineffective; provided that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement.

Section 2.14 Yield Protection.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the LIBOR Rate) or any Issuing Lender;

(ii) subject any Recipient to any Taxes (other than Indemnified Taxes and Excluded Taxes) on or with respect to its loans, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital actually attributable thereto; or

(iii) impose on any Lender or any Issuing Lender or the London interbank market any other condition, cost or expense affecting this Agreement or LIBOR Rate Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any LIBOR Rate Loan or of maintaining its obligation to make any such Loan, or to increase the cost to such Lender, such Issuing Lender or such other Recipient of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender, such Issuing Lender or other Recipient hereunder (whether of principal, interest or any other amount) then, upon request of such Lender, such Issuing Lender or other Recipient, the Borrower will pay to such Lender, such Issuing Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender, such Issuing Lender or other Recipient, as the case may be, for such additional costs incurred or reduction suffered. The agreements in this Section shall survive termination of this Agreement and payment of the Credit Party Obligations.

(b) Capital Requirements. If any Lender or any Issuing Lender determines that any Change in Law affecting such Lender or such Issuing Lender or any lending office of such Lender or such Lender's or such Issuing Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or such Issuing Lender's capital or on the capital of such Lender's or such Issuing Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by the such Issuing Lender, to a level below that which such Lender or such Issuing Lender or such Lender's or such Issuing Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Lender's policies and the policies of such Lender's or such Issuing Lender's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower will pay to such Lender or such Issuing Lender, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Lender or such Lender's or such Issuing Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. Subject to Section 2.14(d) below, each Lender and each Issuing Lender shall promptly notify the Borrower and the Administrative Agent of any event of which it has knowledge, occurring after the date hereof, which will entitle such Lender or such Issuing Lender, as the case may be, to compensation pursuant to this Section. Any Lender or any Issuing Lender claiming compensation under this Section shall furnish to the Borrower and the Administrative Agent a certificate of such Lender or such Issuing Lender, as the case may be, setting forth the amount or amounts necessary to compensate such Lender or such Issuing Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section, which shall be conclusive absent manifest error. The Borrower shall pay such Lender or such Issuing Lender, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender or any Issuing Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or such Issuing Lender's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender or an Issuing Lender pursuant to this Section for any increased costs incurred or reductions suffered more than 180 days prior to the date such Lender or such Issuing Lender, as the case may be, notifies the Borrower in writing of the Change in Law giving rise to such increased costs or reductions, and of such Lender's or such Issuing Lender's intention to claim compensation therefore (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

(e) Notwithstanding any other provision of this Section 2.14, no Lender or Issuing Lender shall demand compensation for any increased costs under this Section 2.14 if it shall not be the general policy or practice of such Lender or such Issuing Lender to demand such compensation in similar circumstances and unless such demand is generally consistent with such Lender's or such Issuing Lender's, as applicable, treatment of comparable borrowers of such Lender or Issuing Lender in the United States with respect to similarly affected commitments or loans

Section 2.15 Indemnity.

The Credit Parties hereby agree to indemnify each Lender and to hold such Lender harmless from any actual funding loss or expense which such Lender may sustain or incur as a consequence of (a) the failure by the Borrower to pay the principal amount of or interest on any Loan by such Lender in accordance with the terms hereof, (b) the failure by the Borrower to accept a borrowing after the Borrower has given a notice in accordance with the terms hereof, (c) default by the Borrower in making any prepayment after the Borrower has given a notice in accordance with the terms hereof, (d) any assignment of a LIBOR Rate Loan on a day other than the last day of the interest Period therefore as a result of a request by the Borrower pursuant to Section 2.19 and/or (e) the making by the Borrower of a prepayment of a LIBOR Rate Loan, or the conversion thereof, on a day which is not the last day of the Interest Period with respect thereto, in each case including, but not limited to, any such loss or expense arising from interest or fees payable by such Lender to lenders of funds obtained by it in order to maintain its LIBOR Rate Loans hereunder. A certificate setting forth in reasonable detail as to any additional amounts payable pursuant to this Section submitted by any Lender, through the Administrative Agent, to the Borrower (which certificate must be delivered to the Administrative Agent within thirty (30) days following such default, prepayment, conversion or assignment) shall be conclusive in the absence of manifest error. The agreements in this Section shall survive termination of this Agreement and payment of the Credit Party Obligations.

Section 2.16 Taxes.

(a) Payments Free of Taxes. Except as otherwise required by Requirements of Law, any and all payments by or on account of any obligation of any Credit Party hereunder or under any other Credit Document shall be made free and clear of and without reduction or withholding for any Taxes, provided that if any applicable withholding agent shall be required by applicable law to deduct any Taxes from such payments, then (i) if such Taxes are Indemnified Taxes (including any Other Taxes), the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) the applicable Lender (or, in the case of payments made to the Administrative Agent for its own account, the Administrative Agent), receives an amount equal to the sum it would have received had no such deductions been made, (ii) the applicable withholding agent shall make such deductions and (iii) the applicable withholding agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with Requirements of Law.

(b) Payment of Other Taxes by the Borrower. Without limiting the provisions of paragraph (a) above, the Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with Requirements of Law.

(c) Indemnification by the Borrower. The Borrower shall indemnify the Administrative Agent and each Lender, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) paid by the Administrative Agent or such Lender, as the case may be, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability (setting forth in reasonable detail the basis for such demand) delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Evidence of Payments. As soon as practicable after any payment of any Taxes by the Borrower to a Governmental Authority, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) **Status of Lenders.** Each Lender that is entitled to an exemption from or reduction of any applicable withholding Tax with respect to payments hereunder or under any other Credit Document shall deliver to the Borrower (with a copy to the Administrative Agent), at the time or times prescribed by Requirements of Law or reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by Requirements of Law as will permit such payments to be made without withholding or at a reduced rate of withholding. Each such Lender shall, whenever a lapse in time or change in circumstances renders any such documentation (including any specific documentation required below in Section 2.16(f)) obsolete, expired or inaccurate in any respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and the Administrative Agent in writing of its legal ineligibility to do so. In addition, any Lender, if requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by Requirements of Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements.

(f) Without limiting the generality of the foregoing,

(i) each U.S. Lender shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) two duly completed originals of Internal Revenue Service Form W-9 certifying that such U.S. Lender is exempt from United States federal backup withholding.

(ii) each Foreign Lender shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(A) two duly completed originals of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms) claiming eligibility for benefits of an income tax treaty to which the United States of America is a party,

(B) two duly completed originals of Internal Revenue Service Form W-8ECI (or any successor forms),

(C) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under section 881(c) of the Code, (i) a certificate to the effect that such Foreign Lender is not (A) a “bank” within the meaning of section 881(c)(3)(A) of the Code, (B) a “10 percent shareholder” of the Borrower within the meaning of section 881(c)(3)(B) of the Code, or (C) a “controlled foreign corporation” described in section 881(c)(3)(C) of the Code and that no payments in connection with any Credit Document are effectively connected with such Lender’s conduct of a United States trade or business (a “United States Tax Compliance Certificate”) and (ii) two duly completed originals of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms),

(D) to the extent a Foreign Lender is not the beneficial owner of a Loan (for example, where the Foreign Lender is a partnership or a participating Lender), two duly completed originals of Internal Revenue Service Form W-8IMY (or any successor forms) of the Foreign Lender, accompanied by a Form W-8ECI, W-8BEN or W-8BEN-E, United States Tax Compliance Certificate, Form W-9, Form W-8IMY or any other required information (or any successor forms) from each beneficial owner that would be required under this Section 2.16(f) if such beneficial owner were a Lender, as applicable (provided that if the Foreign Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Foreign Lender on behalf of such direct or indirect partner(s)), or

(E) any other form prescribed by Requirements of Law as a basis for claiming exemption from or a reduction in United States federal withholding Tax duly completed together with such supplementary documentation as may be prescribed by Requirements of Law to permit the Borrower or Administrative Agent to determine the withholding or deduction required to be made.

(iii) If a payment made to a Lender under any Credit Document would be subject to United States federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by Requirements of Law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by Requirements of Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their FATCA obligations, to determine whether such Lender has or has not complied with such Lender's FATCA obligations and to determine the amount, if any, to deduct and withhold from such payment; provided, however, that the Borrower shall have no obligation to request any documentation or take any other action to decrease any withholding obligation under FATCA.

(iv) Notwithstanding any other provision of Section 2.16(e) or this Section 2.16(f), a Lender shall not be required to deliver any documentation that such Lender is not legally eligible to deliver. Each Lender hereby authorizes the Administrative Agent to deliver to the Credit Parties and to any successor Administrative Agent any documentation provided by such Lender pursuant to these Sections 2.16(e) and (f).

(g) Treatment of Certain Refunds. If the Administrative Agent or a Lender determines, in its sole discretion, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by any Credit Party or with respect to which any Credit Party has paid additional amounts pursuant to this Section, it shall pay to such Credit Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by such Credit Party under this Section 2.16 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including any Taxes) of the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that such Credit Party, upon the request of the Administrative Agent or such Lender shall repay the amount paid over to such Credit Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. This paragraph shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its Taxes that it deems confidential) to the Borrower or any other Person.

(h) For the avoidance of doubt, the term "Lender" shall, for purposes of this Section 2.16, include any Issuing Lender.

Section 2.17 Indemnification; Nature of Issuing Lenders' Duties.

(a) In addition to its other obligations under Section 2.3, the Credit Parties hereby agree to protect, indemnify, pay and save each Issuing Lender and each Lender harmless from and against any and all claims, demands, liabilities, damages, losses, costs, charges and expenses (including reasonable and documented attorneys' fees) that such Issuing Lender or such Lender may incur or be subject to as a consequence, direct or indirect, of (i) the issuance of any Letter of Credit or (ii) the failure of any Issuing Lender to honor a drawing under any Letter of Credit as a result of any act or omission, whether rightful or wrongful, of any present or future de jure or de facto government or Governmental Authority (all such acts or omissions, herein called "Government Acts").

(b) As among the Credit Parties, each Issuing Lender and each Lender, the Credit Parties shall assume all risks of the acts, omissions or misuse of any Letter of Credit by the beneficiary thereof. In the absence of their gross negligence or willful misconduct, neither any Issuing Lender nor any Lender shall be responsible: (i) for the

form, validity, sufficiency, accuracy, genuineness or legal effect of any document submitted by any party in connection with the application for and issuance of any Letter of Credit, even if it should in fact prove to be in any or all respects invalid, insufficient, inaccurate, fraudulent or forged; (ii) for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign any Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, that may prove to be invalid or ineffective for any reason; (iii) for failure of the beneficiary of a Letter of Credit to comply fully with conditions required in order to draw upon a Letter of Credit; (iv) for errors, omissions, interruptions or delays in transmission or delivery of any messages, by mail, cable, telegraph, telex or otherwise, whether or not they be in cipher; (v) for errors in interpretation of technical terms; (vi) for any loss or delay in the transmission or otherwise of any document required in order to make a drawing under a Letter of Credit or of the proceeds thereof; and (vii) for any consequences arising from causes beyond the control of any Issuing Lender or any Lender, including, without limitation, any Government Acts. None of the above shall affect, impair, or prevent the vesting of the Issuing Lenders' rights or powers hereunder.

(c) In furtherance and extension and not in limitation of the specific provisions hereinabove set forth, any action taken or omitted by any Issuing Lender or any Lender, under or in connection with any Letter of Credit or the related certificates, if taken or omitted in the absence of gross negligence or willful misconduct, shall not put such Issuing Lender or such Lender under any resulting liability to the Credit Parties. It is the intention of the parties that this Agreement shall be construed and applied to protect and indemnify each Issuing Lender and each Lender against any and all risks involved in the issuance of the Letters of Credit, all of which risks are hereby assumed by the Credit Parties, including, without limitation, any and all risks of the acts or omissions, whether rightful or wrongful, of any Government Authority. The Issuing Lenders and the Lenders shall not, in any way, be liable for any failure by the Issuing Lenders or anyone else to pay any drawing under any Letter of Credit as a result of any Government Acts or any other cause beyond the control of the Issuing Lenders and the Lenders.

(d) Nothing in this Section is intended to limit the Reimbursement Obligation of the Borrower contained in Section 2.3(d) hereof. The obligations of the Credit Parties under this Section shall survive the termination of this Agreement. No act or omissions of any current or prior beneficiary of a Letter of Credit shall in any way affect or impair the rights of the Issuing Lenders and the Lenders to enforce any right, power or benefit under this Agreement.

(e) Notwithstanding anything to the contrary contained in this Section, the Credit Parties shall have no obligation to indemnify any Issuing Lender or any Lender in respect of any liability incurred by such Issuing Lender or such Lender arising out of the gross negligence or willful misconduct of the Issuing Lenders (including action not taken by such Issuing Lender or such Lender), as determined by a court of competent jurisdiction or pursuant to arbitration.

Section 2.18 Illegality.

Notwithstanding any other provision of this Credit Agreement, if any Change in Law shall make it unlawful for such Lender or its LIBOR Lending Office to make or maintain LIBOR Rate Loans as contemplated by this Credit Agreement or to obtain in the interbank eurodollar market through its LIBOR Lending Office the funds with which to make such Loans, (a) such Lender shall promptly notify the Administrative Agent and the Borrower thereof, (b) the commitment of such Lender hereunder to make LIBOR Rate Loans or continue LIBOR Rate Loans as such shall forthwith be suspended until the Administrative Agent shall give notice that the condition or situation which gave rise to the suspension shall no longer exist, and (c) such Lender's Loans then outstanding as LIBOR Rate Loans, if any, shall be converted on the last day of the Interest Period for such Loans or within such earlier period as required by law as Alternate Base Rate Loans. The Borrower hereby agrees to promptly pay any Lender, upon its demand, any additional amounts necessary to compensate such Lender for actual and direct costs (but not including anticipated profits) reasonably incurred by such Lender in making any repayment in accordance with this Section including, but not limited to, any interest or fees payable by such Lender to lenders of funds obtained by it in order to make or maintain its LIBOR Rate Loans hereunder. A certificate (which certificate shall include a description of the basis for the computation) as to any additional amounts payable pursuant to this Section submitted by such Lender, through the Administrative Agent, to the Borrower shall be conclusive in the absence of manifest error. Each Lender agrees to use reasonable efforts (including reasonable efforts to change its LIBOR Lending Office) to avoid or to minimize any amounts which may otherwise be payable pursuant to this Section; provided, however, that such efforts shall not cause the imposition on such Lender of any additional costs or legal or regulatory burdens deemed by such Lender in its sole discretion to be material.

Section 2.19 Replacement of Lenders.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 2.14, or requires the Borrower to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.16 or 2.18, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.14, Section 2.16 or Section 2.18, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. (i) If any Lender requests compensation under Section 2.14 or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.16 or Section 2.18 and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with Section 2.19(a) or (ii) if any Lender is a Defaulting Lender or a Non-Consenting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 9.6), all of its interests, rights (other than its existing rights to payments pursuant to Section 2.14, Section 2.16 or Section 2.18) and obligations under this Agreement and the related Credit Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(A) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 9.6;

(B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in Letters of Credit, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Credit Documents (including any amounts under Section 2.15) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(C) in the case of any such assignment resulting from a claim for compensation under Section 2.14 or payments required to be made pursuant to Section 2.16 or Section 2.18, such assignment will result in a reduction in such compensation or payments thereafter;

(D) such assignment does not conflict with Requirements of Law; and

(E) in the case of any assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

Section 2.20 Cash Collateral.

(a) Cash Collateral. At any time that there shall exist a Defaulting Lender, within one (1) Business Day following the written request of the Administrative Agent, the Issuing Lenders (with a copy to the Administrative Agent), the Borrower shall Cash Collateralize all Fronting Exposure of the Issuing Lenders with respect to such Defaulting Lender (determined after giving effect to Section 2.21(a)(iv) and Section 2.21(b) and any Cash Collateral provided by the Defaulting Lender).

(b) Grant of Security Interest. The Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to the Administrative Agent, for the benefit of the Administrative Agent, the Issuing Lenders and the Lenders, and agrees to maintain, a first priority security interest in all such Cash Collateral as security for the Defaulting Lenders' obligations to which such Cash Collateral may be applied pursuant to clause (c) below. If at any time the Administrative Agent or any Issuing Lender determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent as herein provided, or that the total amount of such Cash Collateral is less than the applicable Fronting Exposure, the Borrower will, promptly upon demand by the Administrative Agent or such Issuing Lender, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (after giving effect to any Cash Collateral provided by the Defaulting Lender).

(c) Application. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under any of this Section or Section 2.21 in respect of Letters of Credit, shall be held and applied to the satisfaction of the specific LOC Obligations, obligations to fund participations therein (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) and other obligations for which the Cash Collateral was so provided, prior to any other application of such property as may be provided for herein.

(d) Termination of Requirement. Cash Collateral (or the appropriate portion thereof) provided to reduce Fronting Exposure or other obligations shall no longer be required to be held as Cash Collateral pursuant to this Section 2.20 and shall promptly be released to the Person providing such Cash Collateral following (i) the elimination of the applicable Fronting Exposure or other obligations giving rise thereto (including by the termination of Defaulting Lender status of the applicable Lender), or (ii) the determination by the Administrative Agent or any Issuing Lender that there exists excess Cash Collateral; provided that, subject to Section 2.21, the Person providing Cash Collateral and the applicable Issuing Lenders may agree that Cash Collateral shall be held to support future anticipated Fronting Exposure or other obligations.

Section 2.21 Defaulting Lenders.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Required Lenders and Section 9.1.

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 9.7 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to the Issuing Lenders hereunder; *third*, to Cash Collateralize the Issuing Lenders' Fronting Exposure in accordance with Section 2.20; *fourth*, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth*, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize the Issuing Lenders' future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement in accordance with Section 2.20; *sixth*, to the payment of any amounts owing to the Lenders, the Issuing Lenders as a result of any judgment of a court of competent

jurisdiction obtained by any Lender or by any Issuing Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (A) such payment is a payment of the principal amount of any Loans or LOC Obligations in respect of which such Defaulting Lender has not fully funded its appropriate share and (B) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 4.2 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and LOC Obligations owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or LOC Obligations owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in LOC Obligations are held by the Lenders pro rata in accordance with the Commitments under the applicable facility without giving effect to Section 2.21(a) (iv). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.21(a)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees.

(A) Unused Commitment Fees. No Defaulting Lender shall be entitled to receive any Unused Commitment Fee for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(B) Letter of Credit Fees. Each Defaulting Lender shall be entitled to receive Letter of Credit Fees for any period during which that Lender is a Defaulting Lender only to the extent allocable to its Revolving Commitment Percentage of the stated amount of Letters of Credit for which it has provided Cash Collateral pursuant Section 2.20.

(C) Reallocation of Fees. With respect to any Letter of Credit Fee not required to be paid to any Defaulting Lender pursuant to clause (B) above, the Borrower shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in LOC Obligations that has been reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (y) pay to each Issuing Lender, the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such Issuing Lender's Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(iv) Reallocation of Participations to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in LOC Obligations shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Revolving Commitment Percentage (calculated without regard to such Defaulting Lender's Revolving Commitment) but only to the extent that (x) the conditions set forth in Section 4.2 are satisfied at the time of such reallocation (and, unless the Borrower shall have otherwise notified the Administrative Agent at such time, the Borrower shall be deemed to have represented and warranted that such conditions are satisfied at such time) and (y) such reallocation does not cause the aggregate Committed Funded Exposure of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Revolving Commitment. Subject to Section 9.27, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) Cash Collateral. If the reallocation described in clause (iv) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under law, Cash Collateralize the Issuing Lenders' Fronting Exposure in accordance with the procedures set forth in Section 2.20.

(b) **Defaulting Lender Cure.** If the Borrower, the Administrative Agent and the Issuing Lenders agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit to be held on a pro rata basis by the Lenders in accordance with their Revolving Commitment Percentages (without giving effect to Section 2.21(a)(iv)), whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(c) **New Letters of Credit.** So long as any Lender is a Defaulting Lender, no Issuing Lender shall be required to issue, extend, renew or increase any Letter of Credit unless it is reasonably satisfied that it will have no Fronting Exposure after giving effect thereto.

Section 2.22 Incremental Facilities.

(a) Subject to the terms and conditions set forth herein and so long as no Default or Event of Default has occurred and is continuing, the Borrower shall have the right, at any time and from time to time prior to the Maturity Date, to incur additional Indebtedness under this Credit Agreement in the form of (i) one or more increases to the Revolving Committed Amount (each an "**Increased Revolver Commitment**") which shall constitute one and the same Facility as the existing Revolving Commitments or (ii) one or more commitments (each, an "**Incremental Facility Commitment**", and together with the Increased Revolver Commitments, the "**Incremental Commitments**") for term loan facilities which shall constitute a new Facility as provided in 2.22(d) below (an "**Incremental Facility**," and the loans thereunder, "**Incremental Loans**"), up to a maximum aggregate amount of Incremental Commitments not to exceed \$400,000,000; provided that, if the Collateral Event has occurred, the aggregate amount of all Incremental Commitments shall not exceed at the time any such Incremental Commitments are entered into the greater of (x) \$400,000,000 and (y) an amount such that, on a Pro Forma Basis after giving effect to such Incremental Commitments (and assuming such Incremental Commitments are fully drawn and/or funded, as applicable, and applied for the purpose intended) the Consolidated Net Leverage Ratio does not exceed 3.00 to 1.00.

(b) The following terms and conditions shall apply to each Increased Revolver Commitment: (i) Obligations thereunder shall constitute Credit Party Obligations and will be guaranteed (and secured, to the extent applicable) with the other Credit Party Obligations on a pari passu basis and will not be guaranteed by any obligor or secured by any assets that do not guarantee or secure, respectively, the Credit Party Obligations, (ii) each Increased Revolver Commitment shall have the same terms (including interest rate and maturity date but other than with respect to any upfront fees) as the existing Revolving Commitments, (iii) each Increased Revolver Commitment shall be entitled to the same voting rights as the existing Revolving Commitments, voting as one class, and shall be entitled to receive a pro rata share of proceeds of prepayments on the same basis as the existing Revolving Loans and shall be considered an increase to the existing Revolving Commitments, (iv) each Increased Revolver Commitment shall be obtained from existing Lenders or from other banks, financial institutions or Funds, in each case in accordance with the terms set forth below, (v) the proceeds of all Loans thereunder will be used for the purposes set forth in Section 3.11, (vi) the Borrower shall execute a Note in favor of any new Lender or any existing Lender requesting a Note whose Revolving Commitment is increased, (vii) on the effective date of each such increase, the conditions to Extensions of Credit in Section 4.2 shall have been satisfied, (viii) each such Increased Revolver Commitment shall be in a minimum amount of \$5,000,000 (and \$1,000,000 increments in excess thereof), and (ix) the Administrative Agent shall have received from the Borrower (A) resolutions, legal opinions and other corporate authority documents reasonably requested by the Administrative Agent, substantially the same in form and substance as those delivered on the Closing Date pursuant to Section 4.1 and (B) updated financial projections and an officer's certificate, in each case in form and substance reasonably satisfactory to the Administrative Agent, demonstrating that, after giving effect to such Increased Revolver Commitment and any borrowings thereunder and the application thereof on a Pro Forma Basis, the Credit Parties will be in compliance with the financial covenants set forth in Section 5.9 (and, if the Collateral Event has occurred, the condition in the proviso set forth in Section 2.22(a)) and no Default or Event of Default shall exist. Any new banks, financial institutions and Funds that

become Revolving Lenders that were not previously Lenders hereunder shall enter into such joinder agreements to give effect thereto as the Administrative Agent may reasonably request. In connection with the closing of any Increased Revolver Commitment, the outstanding Revolving Loans and Participation Interests shall be reallocated by causing such fundings and repayments (which shall not be subject to any processing and/or recordation fees) among the Revolving Lenders (with the Borrower responsible for any costs arising under Section 2.15 resulting from such reallocation and repayments) of Revolving Loans as necessary such that, after giving effect to such Increased Revolver Commitments, each Revolving Lender will hold Revolving Loans and Participation Interests based on its Revolving Commitment Percentage (after giving effect to such Increased Revolver Commitments).

(c) The following terms and conditions shall apply to each Incremental Facility: (i) Obligations thereunder shall constitute Credit Party Obligations and will be guaranteed (and secured, to the extent applicable) with the other Credit Party Obligations on a pari passu basis and will not be guaranteed by any obligor or secured by any assets that do not guarantee or secure, respectively, the Credit Party Obligations, (ii) each Incremental Facility shall otherwise have terms (including pricing terms) to be agreed by the Borrower and the Lenders providing the Incremental Commitments (the “Incremental Lenders”) subject to the following parameters: (A) no Incremental Facility shall mature prior to the Maturity Date applicable to the Revolving Loans, (B) mandatory prepayments customary for a term loan (which for the avoidance of doubt may include prepayments with the proceeds of non-ordinary course asset sales and “excess cash flow” (to be defined in a manner satisfactory to the Borrower and the Administrative Agent)) may be included on then-market terms, and (C) all terms of any Incremental Facility not set forth herein, shall be reasonably satisfactory to the Administrative Agent, (iii) each Incremental Facility shall constitute a separate Facility hereunder, and shall be incorporated into the Credit Documents such that the Incremental Lenders have similar rights and privileges to the Lenders, (iv) each Incremental Facility shall be obtained from existing Lenders or from other banks, financial institutions or Funds, in each case in accordance with the terms set forth below; provided that any Lender or any Incremental Lender offered or approached to provide all or a portion of any Incremental Facility Commitment may elect or decline, in its sole discretion, to provide such Incremental Facility Commitment, (v) the proceeds of each Incremental Facility will be used for the purposes set forth in Section 3.11, (vi) the Borrower shall execute a Note in favor of any Incremental Lender requesting a Note representing its Loans under the Incremental Facility, (vii) on the date of incurrence of the Incremental Loans, the conditions to Extensions of Credit in Section 4.2 shall have been satisfied, (viii) each such commitment for an Incremental Facility shall be in a minimum amount of \$5,000,000 (and \$1,000,000 increments in excess thereof), and (ix) the Administrative Agent shall have received from the Borrower (A) resolutions, legal opinions and other corporate authority documents reasonably requested by the Administrative Agent, substantially the same in form and substance as those delivered on the Closing Date pursuant to Section 4.1 and (B) updated financial projections and an officer’s certificate, in each case in form and substance reasonably satisfactory to the Administrative Agent, demonstrating that, after giving effect to the borrowing of such Incremental Loans and the application thereof on a Pro Forma Basis, the Credit Parties will be in compliance with the financial covenants set forth in Section 5.9 (and, if the Collateral Event has occurred, the condition in the proviso set forth in Section 2.22(a)) and no Default or Event of Default shall exist. All Incremental Lenders shall enter into such joinder agreements to give effect thereto as the Administrative Agent may reasonably request.

(d) Notwithstanding anything to the contrary in Section 9.1 or elsewhere in this Credit Agreement, the Administrative Agent is authorized to enter into, on behalf of the Lenders, any amendment to this Credit Agreement or any other Credit Document as may be necessary solely to incorporate the terms of each Increased Revolver Commitment or Incremental Facility therein. For the avoidance of doubt, such amendments may provide for, among other things, the incorporation of such Incremental Facility into the definitions of “Required Lenders”, “Required Facility Lenders”, “Commitment Percentage”, and similar terms and sections of this Credit Agreement on a similar basis to each other existing Facility, and may provide for sharing of payments and inclusion in the waterfall, and the inclusion of customary provisions for a term loan throughout the Credit Documents.\

(e) Upon executing the joinder documentation requested by the Administrative Agent, each bank, financial institution or other entity committing to be a new Revolving Lender or Incremental Lender shall become a Lender for all purposes and to the same extent as if originally a party hereto and shall be bound by and entitled to the benefits of this Agreement and the other Credit Documents, and shall benefit equally and ratably from the Guarantees and security interests (if applicable) created by the Security Documents, if any; provided that any Lender offered or approached to provide all or a portion of any Increased Revolver Commitment may elect or decline, in its sole discretion, to provide such Increased Revolver Commitments.

To the actual knowledge of the Responsible Officers of the Borrower, there has been no release or threat of release of Materials of Environmental Concern at or from the Properties, or arising from or related to the operations of any Credit Party or any Subsidiary in connection with the Properties or otherwise in connection with the Business, in violation of or in amounts or in a manner that could give rise to liability on behalf of any Credit Party under Environmental Laws.

Change of Control. There shall occur a Change of Control; or

Invalidity of Guaranty. At any time after the execution and delivery thereof, the Guaranty, for any reason other than the satisfaction in full of all Credit Party Obligations, shall cease to be in full force and effect (other than in accordance with its terms) or shall be declared to be null and void, or any Credit Party shall contest the validity, enforceability, perfection or priority of the Guaranty, any Credit Document, or any Lien granted thereunder in writing or deny in writing that it has any further liability, including with respect to future advances by the Lenders, under any Credit Document to which it is a party; or

Invalidity of Credit Documents. Any Credit Document shall fail to be in full force and effect or to give the Administrative Agent and/or the Lenders the security interests, liens, rights, powers, priority and privileges purported to be created thereby (except as such documents may be terminated or no longer in force and effect in accordance with the terms thereof, other than those indemnities and provisions which by their terms shall survive); or

(i) A state or federal regulatory agency or other Governmental Authority shall have revoked, cancelled, failed to renew or adversely modified any license, permit, certificate, authorization or Government Reimbursement Program qualification pertaining to the business of any Credit Party, regardless of whether such license, permit, certificate, authorization or qualification was held by or originally issued for the benefit of such Credit Party, a tenant or any other Person except where such revocation could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect or (ii) any of the Credit Parties or their Subsidiaries or their officers, employees or agents engage in activities which are prohibited by any of the federal Medicare and Medicaid Anti-Kickback States, 42 U.S.C. §§1320a-7b, the Ethics In Patient Referrals Act (the “Stark Law”), 42 U.S.C. §§1395nn, as amended, the regulations promulgated thereunder, or related state or local statutes or regulations or which are prohibited by rules of professional conduct, except where failure to do so could not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect; or

Subordinated Debt. The subordination provisions contained in any Subordinated Debt shall cease to be in full force and effect or shall cease to give the Lenders the rights, powers and privileges purported to be created thereby; or

Classification as Senior Debt. The Credit Party Obligations shall cease to be classified as “Senior Indebtedness,” “Designated Senior Indebtedness” or any similar designation under any Subordinated Debt instrument; or

Once a Default occurs under the Credit Documents, then such Default will continue to exist until it either is cured (to the extent specifically permitted) in accordance with the Credit Documents or is otherwise expressly waived by Administrative Agent (with the approval of requisite Lenders (in their sole and absolute discretion) as determined in accordance with Section 9.1); and once an Event of Default occurs under the Credit Documents, then such Event of Default will continue to exist until it is cured to the satisfaction of, or expressly waived by, Administrative Agent with the approval of the requisite Lenders, as required hereunder (in their sole and absolute discretion) in Section 9.1.

Section 7.2 Acceleration; Remedies.

Upon the occurrence and during the continuance of an Event of Default, then, and in any such event, (a) if such event is a Bankruptcy Event, automatically the Commitments shall immediately terminate and the Loans (with accrued interest thereon), and all other amounts under the Credit Documents (including, without limitation, the maximum amount of all contingent liabilities under Letters of Credit) shall immediately become due and payable, and (b) if such event is any other Event of Default, any or all of the following actions may be taken: (i) with the written consent of the Required Lenders, the Administrative Agent may, or upon the written request of the Required Lenders, the Administrative Agent shall, declare the Commitments to be terminated forthwith, whereupon the Commitments shall immediately terminate; (ii) the Administrative Agent may, or upon the written request of the Required Lenders, the Administrative Agent shall, declare the Loans (with accrued interest thereon) and all other amounts owing under this Agreement and the Notes to be due and payable forthwith and direct the Borrower to pay to the Administrative Agent Cash Collateral as security for the LOC Obligations for subsequent drawings under then outstanding Letters of Credit an amount equal to the maximum amount of which may be drawn under Letters of Credit then outstanding, whereupon the same shall immediately become due and payable; and/or (iii) with the written consent of the Required Lenders, the Administrative Agent may, or upon the written request of the Required Lenders, the Administrative Agent shall, exercise such other rights and remedies as provided under the Credit Documents and under applicable law.

ARTICLE VIII

THE ADMINISTRATIVE AGENT

Section 8.1 Appointment and Authority.

Each of the Lenders and each of the Issuing Lenders hereby irrevocably appoints JPMCB to act on its behalf as the Administrative Agent hereunder and under the other Credit Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably

incidental thereto. The provisions of this Article are solely for the benefit of the Administrative Agent, the Lenders and the Issuing Lenders, and neither the Borrower nor any other Credit Party shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term "agent" herein or in any other Credit Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

Section 8.2 Nature of Duties.

Anything herein to the contrary notwithstanding, none of the bookrunners, arrangers, syndication agent or other agents listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Credit Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender or an Issuing Lender hereunder. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Credit Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any subagents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

Section 8.3 Exculpatory Provisions.

The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Credit Documents, and its obligations hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent:

shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents), provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Credit Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; and

shall not, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any Credit Party or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity.

The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 9.1 and 7.2) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent in writing by the Borrower, a Lender or an Issuing Lender.

The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Credit Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

Section 8.4 Reliance by Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender or such Issuing Lender unless the Administrative Agent shall have received notice to the contrary from such Lender or such Issuing Lender prior to the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 8.5 Notice of Default.

The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless the Administrative Agent has received written notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give prompt notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders; provided, however, that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders except to the extent that this Agreement expressly requires that such action be taken, or not taken, only with the consent or upon the authorization of the Required Lenders, or all of the Lenders, as the case may be.

Section 8.6 Non-Reliance on Administrative Agent and Other Lenders.

Each Lender and each Issuing Lender expressly acknowledges that neither the Administrative Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or affiliates has made any representation or warranty to it and that no act by the Administrative Agent hereinafter taken, including any review of the affairs of any Credit Party, shall be deemed to constitute any representation or warranty by the Administrative Agent to any Lender. Each Lender and each Issuing Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and each Issuing Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder.

Section 8.7 Indemnification.

The Lenders agree to indemnify the Administrative Agent, the Issuing Lenders and their Affiliates and their respective officers, directors, agents and employees (to the extent not reimbursed by the Credit Parties and without limiting the obligation of the Credit Parties to do so), ratably according to their respective Commitment Percentages in effect on the date on which indemnification is sought under this Section, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever which may at any time (including, without limitation, at any time following the payment of the Credit Party Obligations) be imposed on, incurred by or asserted against any such indemnitee in any way relating to or arising out of any Credit Document or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by any such indemnitee under or in connection with any of the foregoing; provided, however, that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements to the extent resulting from such indemnitee's gross negligence or willful misconduct, as determined by a court of competent jurisdiction. The agreements in this Section shall survive the termination of this Agreement and payment of the Notes, any Reimbursement Obligation and all other amounts payable hereunder.

Section 8.8 Administrative Agent in Its Individual Capacity.

The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Credit Parties or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

Section 8.9 Successor Administrative Agent.

(a) The Administrative Agent may at any time give notice of its resignation to the Lenders, the Issuing Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right to appoint a successor, which shall be a bank with an office in the United States (other than a Defaulting Lender), or an Affiliate of any such bank with an office in the United States, and which appointment shall, provided no Event of Default exists under Section 7.1(a) or (f), be subject to the Borrower's approval, which approval shall not be unreasonably withheld or delayed. If no such successor shall have been so appointed by the Required Lenders, and shall have accepted such appointment, within thirty (30) days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by the Borrower and the Required Lenders) (the "Resignation Effective Date"), then the retiring Administrative Agent may (but shall not be obligated to), on behalf of the Lenders and the Issuing Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above, which appointment shall, provided no Event of Default exists under Section 7.1(a) or (f), be subject to the Borrower's approval, which approval shall not be unreasonably withheld or delayed. Whether or not a successor has been appointed, such resignation shall nonetheless become effective in accordance with such notice on the Resignation Effective Date.

(b) If the Person serving as Administrative Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, the Required Lenders may, to the extent permitted by applicable law, by notice in writing to the Borrower and such Person, remove such Person as Administrative Agent and appoint a successor, which appointment shall, provided no Event of Default exists under Section 7.1(a) or (f), be subject to the Borrower's approval, which approval shall not be unreasonably withheld or delayed. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days (or such earlier day as shall be agreed by the Borrower and the Required Lenders) (the "Removal Effective Date"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(c) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (i) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any Collateral held by the Administrative Agent on behalf of the Lenders or the Issuing Lenders under any of the Credit Documents, the retiring Administrative Agent shall continue to hold such Collateral until such time as a successor Administrative Agent is appointed) and (ii) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and each Issuing Lender directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring or removed Administrative Agent, and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this paragraph). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent's resignation or removal hereunder and under the other Credit Documents, the provisions of this Article and Section 9.5 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

(d) Any resignation by JPMCB, as Administrative Agent pursuant to this Section shall also constitute its resignation as an Issuing Lender. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of JPMCB in its capacity as a retiring Issuing Lender, (ii) such retiring Issuing Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Credit Documents, and (iii) the successor Issuing Lender shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring Issuing Lender to effectively assume the obligations of such retiring Issuing Lender with respect to such Letters of Credit. Such resignation shall not affect the validity or effectiveness of any Letter of Credit issued prior to such resignation by JPMCB as Administrative Agent.

Section 8.10 Guaranty Matters.

(a) The Lenders and each Bank Product Provider irrevocably authorize and direct the Administrative Agent to release any Guarantor from its obligations under the applicable Guaranty if such Person ceases to be a Guarantor as a result of a transaction permitted hereunder.

(b) In connection with a termination or release pursuant to this Section, the Administrative Agent shall promptly execute and deliver to the applicable Credit Party, at the Borrower's expense, all documents that the applicable Credit Party shall reasonably request to evidence such termination or release. Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release any Guarantor from its obligations under the Guaranty pursuant to this Section.

Section 8.11 Bank Products.

Except as otherwise provided herein, no Bank Product Provider that obtains the benefits of Sections 2.8 and 7.2 or any Guaranty by virtue of the provisions hereof or of any Guaranty shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Credit Documents. The Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Credit Party Obligations arising under Bank Products unless the Administrative Agent has received written notice of such Credit Party Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Bank Product Provider.

Section 8.12 Withholding Tax.

To the extent required by any Requirements of Law (as determined in good faith by the Administrative Agent), the Administrative Agent may withhold from any payment to any Lender under any Credit Document an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 2.16, each Lender shall indemnify and hold harmless the Administrative Agent against, and shall make payable in respect thereof within 10 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Credit Document against any amount due the Administrative Agent under this Section 8.12. The agreements in this Section 8.12 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations. For the avoidance of doubt, the term "Lender" shall, for purposes of this Section 8.12, include any Issuing Lender.

ARTICLE IX

(iv) subordinate the Loans to any other Indebtedness without the written consent of all of the Lenders; or

(v) permit a Letter of Credit to have an original expiry date more than twelve (12) months from the date of issuance without the consent of each of the Revolving Lenders; provided, that the expiry date of any Letter of Credit may be extended in accordance with the terms of Section 2.3(a); or

(ix) amend, modify or waive any provision of Article VIII without the written consent of the then Administrative Agent; or

(x) amend or modify the definition of Credit Party Obligations to delete or exclude any obligation or liability described therein without the written consent of each Lender and each Bank Product Provider directly affected thereby; or

(xi) amend the definitions of "Hedging Agreement," "Bank Product," or "Bank Product Provider" without the consent of any Bank Product Provider that would be adversely affected thereby; or

(xii) at any time following the Collateral Event, release all or substantially all of the Collateral without the written consent of each Lender; or

(xiii) allow the Credit Parties to Dispose of all or substantially all of their assets, without the written consent of all of the Lenders and Bank Product Providers.

provided, further, that no amendment, waiver or consent affecting the rights or duties of the Administrative Agent or any Issuing Lender under any Credit Document shall in any event be effective, unless in writing and signed by the Administrative Agent and such Issuing Lender, in addition to the Lenders required hereinabove to take such action.

Notwithstanding the foregoing, any amendment that would require the approval of the Required Lenders as set forth above but only affects the Revolving Lenders (including, for the avoidance of doubt, paragraphs (a) through (d) and (f) of Section 4.2, insofar as they apply to the borrowing of Revolving Loans) or the Incremental Lenders of any series shall instead require the approval of the applicable Required Facility Lenders (in addition to any other approvals that would otherwise be required).

Any such waiver, any such amendment, supplement or modification and any such release shall apply equally to each of the Lenders and shall be binding upon the Borrower, the other Credit Parties, the Lenders, the Administrative Agent and all future holders of the Notes. In the case of any waiver, the Borrower, the other Credit Parties, the Lenders and the Administrative Agent shall be restored to their former position and rights hereunder and under the outstanding Loans and Notes and other Credit Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default, or impair any right consequent thereon.

Notwithstanding any of the foregoing to the contrary, the consent of the Borrower and the other Credit Parties shall not be required for any amendment, modification or waiver of the provisions of Article VIII (other than the provisions of Section 8.9).

Notwithstanding any of the foregoing to the contrary, the Credit Parties and the Administrative Agent, without the consent of any Lender, may enter into any amendment, modification or waiver of any Credit Document, or enter into any new agreement or instrument, to correct any obvious error or omission of a technical nature, in each case that is immaterial (as determined by the Administrative Agent), in any provision of any Credit Document, if the same is not objected to in writing by the Required Lenders within five (5) Business Days following receipt of notice thereof.

Notwithstanding (x) the fact that the consent of all the Lenders or of each Lender directly affected thereby is required in certain circumstances as set forth above or (y) anything to the contrary contained in this Agreement, (a) each Lender is entitled to vote as such Lender sees fit on any bankruptcy reorganization plan that affects the Loans, and each Lender acknowledges that the provisions of Section 1126(c) of the Bankruptcy Code supersedes the unanimous consent provisions set forth herein, (b) the Required Lenders may consent to allow a Credit Party to use cash collateral in the context of a bankruptcy or insolvency proceeding and (c) no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except (i) that the Commitment of such Lender may not be increased or extended without the consent of such Lender and (ii) to the extent such amendment, waiver or consent impacts such Defaulting Lender more than the other Lenders.

For the avoidance of doubt and notwithstanding any provision to the contrary contained in this Section 9.1, this Agreement may be amended (or amended and restated) with the written consent of the Credit Parties and the Administrative Agent in accordance with Section 2.22.

(b) If the Administrative Agent and the Borrower acting together identify any ambiguity, omission, mistake, typographical error or other defect in any provision of this Agreement or any other Credit Document, then the Administrative Agent and the Borrower shall be permitted to amend, modify or supplement such provision to cure such ambiguity, omission, mistake, typographical error or other defect, and such amendment shall become effective without any further action or consent of any other party to this Agreement.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices delivered through electronic communications to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) Electronic Communications. Notices and other communications to the Lenders and the Issuing Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender or any Issuing Lender pursuant to Article II if such Lender or such Issuing Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) Change of Address, Etc. Any party hereto may change its address or telecopier number for notices and other communications hereunder by notice to the other parties hereto.

(d) Platform.

Each Credit Party agrees that the Administrative Agent may make the Communications available to the Lenders by posting the Communications on Intralinks or a substantially similar electronic transmission system (the "Platform").

The Platform is provided "as is" and "as available." The Agent Parties (as defined below) do not warrant the adequacy of the Platform and expressly disclaim liability for errors or omissions in the Communications effected thereby. No warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or the Platform. In no event shall the Administrative Agent or any of its affiliates or any of their respective officers, directors, employees, agents, advisors or representatives (collectively, "Agent Parties") have any liability to the Credit Parties, any Lender or any other Person or entity for damages of any kind, including, without limitation, direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of any Credit Party's or the Administrative Agent's transmission of Communications through the Platform, unless determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of an Agent Party or from any material breach by an Agent Party of the obligations owing by it to the Credit Parties under this Agreement or the other Credit Documents.

Section 9.3 No Waiver; Cumulative Remedies.

No failure to exercise and no delay in exercising, on the part of the Administrative Agent or any Lender, any right, remedy, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

Section 9.4 Survival of Representations and Warranties.

All representations and warranties made hereunder and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the Notes and the making of the Loans; provided that all such representations and warranties shall terminate on the date upon which the Commitments have been terminated and all amounts owing hereunder and under any Notes have been paid in full.

Section 9.5 Payment of Expenses; Indemnity.

(a) Costs and Expenses. The Credit Parties shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent and the Arrangers (including the reasonable and documented fees, charges and disbursements of one external counsel for the Administrative Agent and the Arrangers, taken as a whole, and one external local counsel for the Administrative Agent and the Arrangers, taken as a whole, in each jurisdiction if required), in connection with the syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Credit Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable and documented out-of-pocket expenses incurred by any Issuing Lender in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all reasonable and documented out-of-pocket fees and expenses incurred by the Administrative Agent, any Lender, any Issuing Lender (including the reasonable and documented fees, charges and disbursements of one external counsel for the Administrative Agent, the Lenders and the Issuing Lenders, taken as a whole, and one external local counsel for the Administrative Agent, the Lenders and the Issuing Lenders, taken as a whole (and to the extent any such person determines, after consultation with legal counsel, that an actual or potential conflict may require use of separate counsel by such person, separate legal counsel (including separate local counsel) for such person)) in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Credit Documents, including its rights under this Section, or (B) in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) Indemnification by the Credit Parties. The Credit Parties shall indemnify the Administrative Agent (and any sub-agent thereof), each Lender, each Issuing Lender, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, penalties, damages, liabilities and related expenses (including the reasonable and documented fees, charges and disbursements of one external counsel for the Indemnitees, taken as a whole, and one external local counsel for the Indemnitees, taken as a whole, in each applicable jurisdiction if required (and to the extent an Indemnitee determines, after consultation with legal counsel, that an actual or potential conflict may require use of separate counsel by such Indemnitee, separate legal counsel (including separate local counsel) for such Indemnitee)), incurred by any Indemnitee or asserted against any Indemnitee by any third party or by the Borrower or any other Credit Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Credit Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by any Issuing Lender to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such

Letter of Credit), (iii) any actual or alleged presence or release of Materials of Environmental Concern on or from any property owned or operated by any Credit Party or any of its Subsidiaries, or any liability under Environmental Law related in any way to any Credit Party or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any other Credit Party, and regardless of whether any Indemnitee is a party thereto, provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (A) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the bad faith, gross negligence or willful misconduct of such Indemnitee, (B) result from a claim brought by the Borrower or any other Credit Party against such Indemnitee for material breach of such Indemnitee's obligations hereunder or under any other Credit Document, if the Borrower or such Credit Party has obtained a final non-appealable judgment in its favor on such claim as determined by a court of competent jurisdiction, (C) arise from disputes arising solely among Indemnitees that do not involve any act or omission by any Credit Party or their respective Affiliates and are unrelated to any dispute involving the Administrative Agent in its capacity as such, or any claim by, the Administrative Agent, any Lender or any Issuing Lender against any Credit Party or its Affiliates, or (D) are payable as a result of a settlement agreement related to the foregoing effected without the written consent of the Borrower (which consent shall not to be unreasonably withheld or delayed); provided that (i) such consent shall be deemed given in the event that the Borrower has not objected thereto in writing within 15 days after receiving written notice thereof, (ii) such consent shall not be required if any Credit Party has defaulted under its indemnification obligations (including obligations to indemnify the Indemnitees for legal fees and expenses related to such matter as requested by an Indemnitee from time to time) and (iii) no such consent shall be required if there is a final judgment against an Indemnitee in any proceeding; provided, further however, that such Indemnitee shall promptly refund any amount to the extent that there is a final, non-appealable judicial determination that such Indemnitee was not entitled to indemnification or contribution rights with respect to such payment pursuant to the express terms of this Section 9.5(b). This Section 9.5(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) Reimbursement by Lenders. To the extent that the Credit Parties for any reason fail to indefeasibly pay any amount required under paragraph (a) or (b) of this Section to be paid by it to the Administrative Agent (or any sub-agent thereof), any Issuing Lender or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent), such Issuing Lender or such Related Party, as the case may be, such Lender's Commitment Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent), any Issuing Lender in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent) or any Issuing Lender in connection with such capacity.

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable law, none of the parties hereto or any Indemnitee shall assert, and each of them hereby waives, any claim against any other Person, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Credit Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof; provided, that such waiver shall not apply to any parties or any Indemnitee's right to indemnification hereunder for losses, claims, penalties, damages, liabilities and related expenses incurred by any party or Indemnitee as a result of a claim by any third party. No Indemnitee referred to in paragraph (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the transactions contemplated hereby or thereby other than for direct or actual damages resulting from the bad faith, gross negligence or willful misconduct of such Indemnitee as determined by a final and nonappealable judgment of a court of competent jurisdiction.

(e) Payments. All amounts due under this Section shall be payable promptly/not later than five (5) Business Days after written demand therefor.

(f) Survival. The agreements contained in this Section shall survive the resignation of the Administrative Agent and the replacement of any Issuing Lender, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of the Credit Party Obligations.

Section 9.6 Successors and Assigns; Participations.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Borrower nor any other Credit Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of paragraph (b) of this Section, (ii) by way of participation in accordance with the provisions of paragraph (d) of this Section or (iii) by way of pledge or assignment of a security interest subject to the restrictions of paragraph (f) of this Section (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in paragraph (d) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in paragraph (b)(i)(A) of this Section, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date) shall not be less than \$5,000,000 (provided, however, that simultaneous assignments shall be aggregated in respect of a Lender and its Approved Funds), unless each of the Administrative Agent and, so long as no Event of Default has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed).

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loan or the Commitment assigned, except that this clause (ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by paragraph (b)(i)(B) of this Section and, in addition:

the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (x) an Event of Default under Section 7.1(a) or (f) has occurred and is continuing at the time of such assignment or (y) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; provided that the Borrower will be deemed to have consented to any assignment to which it has not objected within ten (10) Business Days after receipt of a request for consent to such assignment;

the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments in respect of a Revolving Commitment if such assignment is to a Person that is not a Lender with a Commitment, an Affiliate of such Lender or an Approved Fund with respect to such Lender; and

the consent of the Issuing Lenders (such consent not to be unreasonably withheld or delayed) shall be required for assignments in respect of a Revolving Commitment.

(iv) **Assignment and Assumption.** The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500; provided that only one (1) such fee shall be payable in respect of simultaneous assignments by a Lender and its Approved Funds), and the assignee, if it is not a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire; provided, further, that in the case of any assignment resulting from a Lender becoming a Non-Consenting Lender, if such Non-Consenting Lender is being replaced pursuant to Section 2.19(b), such Non-Consenting Lender shall not be required to execute such Assignment and Assumption in order for such assignment to be effective.

(v) **No Assignment to Certain Persons.** No such assignment shall be made to any Person that is not an Eligible Assignee.

(vi) **Certain Additional Payments.** In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (A) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon), and (B) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit in accordance with its Revolving Commitment Percentage in the case of Revolving Lenders or its applicable Commitment Percentage in the case of Incremental Lenders. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to paragraph (c) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 2.14 and 9.5 with respect to facts and circumstances occurring prior to the effective date of such assignment. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (d) of this Section.

(c) **Register.** The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices in Charlotte, North Carolina a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans owing to, each Lender pursuant

to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(d) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person or any Credit Party or any Credit Party's Affiliates or Subsidiaries) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Administrative Agent, the Issuing Lenders and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 9.5(c) with respect to any payments made by such Lender to its Participant(s).

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that affects such Participant. Subject to paragraph (e) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.14 and 2.16 (subject to the requirements and limitations of such Sections and Section 2.19, and it being understood that the documentation required under Section 2.16(e) and (f) shall be delivered solely to the participating Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.7 as though it were a Lender, provided such Participant agrees to be subject to Section 2.11 as though it were a Lender.

Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and related interest amounts) of each Participant's interest in the Loans or other obligations under the Credit Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Credit Document) except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Sections 2.14 and 2.16 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (not to be unreasonably withheld or delayed).

(f) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

Section 9.7 Right of Setoff; Sharing of Payments.

(a) If an Event of Default shall have occurred and be continuing, each Lender, each Issuing Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender, such Issuing Lender or any such Affiliate to or for the credit or the account of the Borrower or any other Credit Party against any and all of the obligations of the Borrower or such Credit Party now or hereafter existing under this Agreement or any other Credit Document to such Lender or such Issuing Lender, irrespective of whether or not such Lender or such Issuing Lender shall have made any demand under this Agreement or any other Credit Document and although such obligations of the Borrower or such Credit Party may be contingent or unmatured or are owed to a branch, office or affiliate of such Lender or such Issuing Lender different from the branch, office or Affiliate holding such deposit or obligated on such indebtedness; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (i) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.21 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Lenders and the other Lenders, and (ii) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Credit Party Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender, each Issuing Lender and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender, such Issuing Lender or their respective Affiliates may have. Each Lender and each Issuing Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

(b) If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or other obligations hereunder resulting in such Lender's receiving payment of a proportion of the aggregate amount of its Loans and accrued interest thereon or other such obligations greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (i) notify the Administrative Agent of such fact, and (ii) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them, provided that:

(A) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(B) the provisions of this paragraph shall not be construed to apply to (x) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender), (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in Letters of Credit to any assignee or participant, other than to any Credit Party or any Subsidiary thereof (as to which the provisions of this paragraph shall apply) or (z) any amounts received by any Issuing Lender to secure the obligations of a Defaulting Lender to fund risk participations hereunder.

(c) Each Credit Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against each Credit Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of each Credit Party in the amount of such participation.

Section 9.8 Table of Contents and Section Headings.

The table of contents and the Section and subsection headings herein are intended for convenience only and shall be ignored in construing this Agreement.

Section 9.9 Counterparts; Integration; Effectiveness; Electronic Execution.

(a) Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Credit Documents, and any separate letter agreements with respect to fees payable to the Administrative Agent, the Issuing Lenders or any Arranger constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.1, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed signature page (counterpart or otherwise) of this Agreement or any Credit Document, or any certificates executed in connection herewith or therewith by telecopy or email shall be effective as if delivered manually.

(b) Electronic Execution of Assignments. The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that nothing herein shall require the Administrative Agent to accept electronic signatures in any form or format without its prior written consent.

Section 9.10 Severability.

Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 9.11 Integration.

This Agreement and the other Credit Documents represent the agreement of the Borrower, the other Credit Parties, the Administrative Agent and the Lenders with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by the Administrative Agent, the Borrower, the other Credit Parties, or any Lender relative to the subject matter hereof not expressly set forth or referred to herein or therein.

Section 9.12 Governing Law.

This Agreement shall be governed by, and construed in accordance with, the law of the State of New York without regard to its conflicts of law principals that would cause the law of another jurisdiction to apply (other than Sections 5-1401 and 5-1402 of The New York General Obligations Law).

Section 9.13 Consent to Jurisdiction; Service of Process and Venue.

(a) Consent to Jurisdiction. The Borrower and each other Credit Party irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the Supreme Court of New York County, New York, the United States District Court for the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Credit Document, or for recognition or enforcement of any judgment, and each of the parties hereto irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York sitting State court or, to the fullest extent permitted by applicable law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Credit Document shall affect any right that the Administrative Agent, any Lender or any Issuing Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Credit Document against the Borrower or any other Credit Party or its properties in the courts of any jurisdiction.

(b) Service of Process. Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 9.2. Nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable law.

(c) Venue. The Borrower and each other Credit Party irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other Credit Document in any court referred to in paragraph (a) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

Section 9.14 Confidentiality.

Each of the Administrative Agent, the Arrangers, the Lenders and the Issuing Lenders agree to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, advisors and other representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder, under any other Credit Document or Bank Product or any action or proceeding relating to this Agreement, any other Credit Document or Bank Product or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement, (g) to (i) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations, (ii) an investor or prospective investor in securities issued by an Approved Fund that also agrees that Information shall be kept confidential and used solely for the purpose of evaluating an investment in such securities issued by the Approved Fund, (iii) a trustee, collateral manager, servicer, backup servicer, noteholder or secured party in connection with the administration, servicing and reporting on the assets serving as collateral for securities issued by an Approved Fund, or (iv) a nationally recognized rating agency that requires access to information regarding the Credit Parties, the Loans and Credit Documents in connection with ratings issued in respect of securities issued by an Approved Fund (in each case, it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential), (h) with the consent of the Borrower or (i) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Administrative Agent, any Lender, any Issuing Lender or any of their respective Affiliates on a nonconfidential basis from a source other than the Borrower.

For purposes of this Section, "Information" means all information received from any Credit Party or any of its Subsidiaries relating to any Credit Party or any of its Subsidiaries or any of their respective businesses, other than any such information that is available to the Administrative Agent, any Lender or any Issuing Lender on a nonconfidential basis prior to disclosure by any Credit Party or any of its Subsidiaries; provided that, in the case of information received from any Credit Party or any of its Subsidiaries after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information. Each Lender acknowledges that federal law prohibits the purchase or sale of any of the Borrower's securities while in possession of material non-public information. Each of the Administrative Agent and the Lenders acknowledges that (a) the Information may include material non-public information concerning the Credit Parties and their Subsidiaries, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable law, including federal and state securities laws and regulations.

Section 9.15 Acknowledgments.

The Borrower and the other Credit Parties each hereby acknowledges that:

it has been advised by counsel in the negotiation, execution and delivery of each Credit Document;

neither the Administrative Agent nor any Lender has any fiduciary relationship with or duty to the Borrower or any other Credit Party arising out of or in connection with this Agreement and the relationship between the Administrative Agent and the Lenders, on one hand, and the Borrower and the other Credit Parties, on the other hand, in connection herewith is solely that of creditor and debtor; and

no joint venture exists among the Lenders and the Administrative Agent or among the Borrower, the Administrative Agent or the other Credit Parties and the Lenders.

Section 9.16 Waivers of Jury Trial.

EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 9.17 Patriot Act Notice.

Each Lender and the Administrative Agent (for itself and not on behalf of any other party) hereby notifies the Borrower that, pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies the Borrower and the other Credit Parties, which information includes the name and address of the Borrower and the other Credit Parties and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Borrower and the other Credit Parties in accordance with the Patriot Act.

Section 9.18 Resolution of Drafting Ambiguities.

Each Credit Party acknowledges and agrees that it was represented by counsel in connection with the execution and delivery of this Agreement and the other Credit Documents to which it is a party, that it and its counsel reviewed and participated in the preparation and negotiation hereof and thereof and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be employed in the interpretation hereof or thereof.

Section 9.19 Continuing Agreement.

This Credit Agreement shall be a continuing agreement and shall remain in full force and effect until all Credit Party Obligations (other than those obligations that expressly survive the termination of this Credit Agreement) have been paid in full and all Commitments and Letters of Credit have been terminated, after which this Credit Agreement automatically shall terminate. Upon termination, the Credit Parties shall have no further obligations (other than those obligations that expressly survive the termination of this Credit Agreement) under the Credit Documents; provided that should any payment, in whole or in part, of the Credit Party Obligations be rescinded or otherwise required to be restored or returned by the Administrative Agent or any Lender, whether as a

result of any proceedings in bankruptcy or reorganization or otherwise, then the Credit Documents shall automatically be reinstated and all Liens, if any, under the LOC Documents of the Administrative Agent shall reattach to the collateral and all amounts required to be restored or returned and all costs and expenses incurred by the Administrative Agent or any Lender in connection therewith shall be deemed included as part of the Credit Party Obligations.

Section 9.20 Lender Consent.

Each Person signing a Lender Consent (a) approves the Credit Agreement, (b) authorizes and appoints the Administrative Agent as its agent in accordance with the terms of Article VIII, (c) authorizes the Administrative Agent to execute and deliver this Agreement on its behalf, (d) is a Lender hereunder and therefore shall have all the rights and obligations of a Lender under this Agreement as if such Person had directly executed and delivered a signature page to this Agreement and (e) has consented to, approved or accepted or is satisfied with, each document or other matter required under Section 4.1 to be consented to or approved by or be acceptable or satisfactory to a Lender.

Section 9.21 Press Releases and Related Matters.

The Credit Parties and their Affiliates agree that they will not in the future issue any press releases or other public disclosure using the name of Administrative Agent or any Lender or their respective Affiliates or referring to this Agreement or any of the Credit Documents without the prior written consent of such Person, unless (and only to the extent that) a Credit Party or such Affiliate is required to do so under law and then, in any event, the Credit Parties or such Affiliate will to the extent practicable consult with such Person before issuing such press release or other public disclosure, provided, that no consultation shall be required in connection with disclosures in a periodic or other report filed with or furnished to the SEC. The Credit Parties consent to the publication by Administrative Agent or any Lender of customary advertising material relating to the transactions contemplated by this Agreement and the Credit Documents using the name, product photographs, logo or trademark of the Credit Parties.

Section 9.22 Appointment of Borrower.

Each of the Guarantors hereby appoints the Borrower to act as its agent for all purposes under this Agreement and agrees that (a) the Borrower may execute such documents on behalf of such Guarantor as the Borrower deems appropriate in its sole discretion and each Guarantor shall be obligated by all of the terms of any such document executed on its behalf, (b) any notice or communication delivered by the Administrative Agent or the Lender to the Borrower shall be deemed delivered to each Guarantor and (c) the Administrative Agent or the Lenders may accept, and be permitted to rely on, any document, instrument or agreement executed by the Borrower on behalf of each Guarantor.

Section 9.23 Certain Waivers, Subordinations and Consents.

(a) Each of the Credit Parties acknowledges and agrees that certain Credit Parties and their Equity Holders are, or in the future may be or become, subject to the terms of one or more Contractual Obligations with the Borrower or another Credit Party (including those arising under the terms of Management Agreements) (i) which conflict with the terms of the Credit Documents to which such Credit Parties are a party, the execution and delivery thereof by such Credit Parties, or the performance by such Credit Parties of the terms thereof, including undertakings not to incur debt, not to pledge assets to third parties, not to pay dividends and not to enter into material agreements without obtaining certain consents (collectively, the "Credit Party Intercompany Restrictions"), (ii) pursuant to which such Credit Parties grant to the Borrower or such other Credit Party a Lien on various assets of such Credit Parties (collectively, the "Borrower Pledges"), (iii) pursuant to which Equity Holders grant to the Borrower or such other Credit Party the right, upon the occurrence of certain circumstances, to acquire Equity Interests in such Credit Parties from the applicable Equity Holders (collectively, the "Holder Purchase Grants"), (iv) pursuant to which Equity Holders are restricted from transferring their Equity Interests in a Practice (the "Equity Holder Transfer Restrictions"), and/or (v) pursuant to which Equity Holders grant to the Borrower or such other Credit Party a Lien on the Equity Interests in the applicable Credit Parties owned by such Equity Holders (collectively, the "Holder Lien Grants") (each agreement, including each Management Agreement, containing any such restriction being referred to herein as a "Restrictive Agreement").

(b) Each of the Credit Parties hereby absolutely and irrevocably waives the Credit Party Intercompany Restrictions and the Equity Holder Transfer Restrictions insofar as any of such Credit Party Intercompany Restrictions or Equity Holder Transfer Restrictions conflict with or would otherwise prohibit or impair the due, punctual and full performance and observance of any term, covenant or condition now or hereafter contained in any Credit Document.

(c) The Borrower and each other Credit Party party to any such Restrictive Agreement hereby agree that, except as expressly permitted hereunder or under the terms of any other Credit Document, no Credit Party shall exercise its rights under any of the Holder Purchase Grants.

(d) So long as no Default or Event of Default has occurred and is continuing:

(i) any Credit Party may at its expense exercise rights under Borrower Pledges and Holder Lien Grants as it may determine to be reasonably necessary in the ordinary course of business (including the taking of possession of and selling or otherwise disposing of property subject to Borrower Pledges and Holder Lien Grants and retaining the proceeds thereof, in each case to the extent permitted by applicable law) to recover amounts owed or otherwise remedy defaults in payment or performance obligations arising under Management Agreements; provided, that the Borrower shall set forth in the next officer's certificate delivered to the Administrative Agent pursuant to Section 5.2(b) for the period during which such rights are exercised a reasonably detailed description of the circumstances giving rise to such exercise and the remedies exercised; and

(ii) the Borrower may at its expense exercise Holder Purchase Grants to the extent that such exercise would otherwise be permitted hereunder as a Permitted Investment.

Section 9.24 No Advisory or Fiduciary Responsibility.

In connection with all aspects of each Transaction, each of the Credit Parties acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (a) the credit facility provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Credit Document) are an arm's-length commercial transaction between the Credit Parties and their Affiliates, on the one hand, and the Administrative Agent, the Arrangers and the Lenders, on the other hand, and the Credit Parties are capable of evaluating and understanding and understand and accept the terms, risks and conditions of the Transactions and by the other Credit Documents (including any amendment, waiver or other modification hereof or thereof); (b) in connection with the process leading to such transaction, each of the Administrative Agent, each Arranger and each Lender is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary, for any Credit Party or any of their Affiliates, stockholders, creditors or employees or any other Person; (c) neither the Administrative Agent nor any Arranger nor any Lender has assumed or will assume an advisory, agency or fiduciary responsibility in favor of any Credit Party with respect to any of the Transactions or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Credit Document (irrespective of whether the Administrative Agent, any Arranger or any Lender has advised or is currently advising any Credit Party or any of its Affiliates on other matters) and neither the Administrative Agent, nor any Arranger nor any Lender has any obligation to any Credit Party or any of their Affiliates with respect to the Transactions except those obligations expressly set forth herein and in the other Credit Documents; (d) the Administrative Agent, the Arrangers, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Credit Parties and their Affiliates, and neither the Administrative Agent, nor any Arranger nor any Lender has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and (e) the Administrative Agent, the Arrangers and the Lenders have not provided and will not provide any legal, accounting, regulatory or tax advice with respect to any of the Transactions (including any amendment, waiver or other modification hereof or of any other Credit Document) and the Credit Parties have consulted their own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate. Each of the Credit Parties hereby waives and releases, to the fullest extent permitted by law, any claims that it may have against the Administrative Agent, the Arrangers, the Lenders and their respective Affiliates with respect to any breach or alleged breach of agency or fiduciary duty.

Section 9.25 [Reserved].

Section 9.26 Release of Liens and Guarantees.

The Administrative Agent shall (and each Lender hereby irrevocably authorizes the Administrative Agent to):

(a) release any Lien granted to the Administrative Agent under any Credit Document on any asset of any Credit Party (i) upon payment in full of the Credit Party Obligations and the cancellation of all Commitments hereunder, (ii) that is sold, transferred, encumbered or otherwise disposed of or to be sold, transferred, encumbered or otherwise disposed of as part of, or in connection with, any sale, transfer or disposition permitted under the Credit Documents to a Person that is not (and is not required to become) a Credit Party, (iii) that does not constitute (or ceases to constitute) Collateral, (iv) if such Credit Party has guaranteed the Obligations, upon the release of such Credit Party's guaranty in accordance with the terms of the Credit Documents, (v) that constitutes Excluded Assets, or (vi) to the extent such release is approved, authorized or ratified in writing by the Required Lenders in accordance with Section 9.1;

(b) automatically release any Person that has guaranteed the Obligations from its guaranty if such Person ceases to be a Domestic Subsidiary as a result of a transaction or series of transactions that is permitted under the Credit Documents; and

(c) subordinate any Lien granted to the Administrative Agent (or any sub-agent or collateral agent) under any Credit Document to any Lien that is permitted by clauses (c), (i) or (o) of the definition of Permitted Liens, or otherwise having priority by operation of law.

The Administrative Agent will, and each Lender hereby authorizes the Administrative Agent to, at the expense of the Borrower, execute and deliver to the relevant Credit Party such documents and/or instruments as such Credit Party may reasonably request to evidence or effectuate the release of any Lien or guarantee or the subordination of any Lien contemplated by this Section 9.26; provided, that the Administrative Agent shall have received a certificate of a Responsible Officer of the Borrower containing certifications regarding compliance with the provisions of the Credit Documents permitting the action giving rise to such action. Upon the request of the Administrative Agent, the Required Lenders will confirm in writing the Administrative Agent's authority to take the actions contemplated by this Section 9.26. Any representation, warranty or covenant contained in any Credit Document relating to any asset of any Credit Party shall no longer be deemed to be made once the Lien on such asset is released in accordance herewith.

Section 9.27 Acknowledgement and Consent of Bail-In of EEA Financial Institutions.

Solely to the extent any Agent, Lender or Issuing Lender that is an EEA Financial Institution is a party to this Agreement and notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

Section 9.28 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Arrangers, and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Credit Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of 29 CFR § 2510.3-101, as modified by Section 3(42) of ERISA) of one or more Benefit Plans in connection with the Loans, the Letters of Credit or the Commitments,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of subsections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has not provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Credit Party, that none of the Administrative Agent, any Arranger or any of their respective Affiliates is a fiduciary with respect to the Collateral or the assets of such Lender (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Credit Document or any documents related to hereto or thereto).

(c) The Administrative Agent, and each Arranger, the syndication agent or other agents listed on the cover page hereof hereby informs the Lenders that each such Person is not undertaking to provide investment advice, or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that

such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Letters of Credit, the Commitments, this Agreement and any other Credit Documents, (ii) may recognize a gain if it extended the Loans, the Letters of Credit or the Commitments for an amount less than the amount being paid for an interest in the Loans, the Letters of Credit or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Credit Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

ARTICLE X

GUARANTY

Section 10.1 The Guaranty.

In order to induce the Lenders to enter into this Agreement and any Bank Product Provider to enter into any Bank Product and to extend credit hereunder and thereunder and in recognition of the direct benefits to be received by the Guarantors from the Extensions of Credit hereunder and any Bank Product, each of the Guarantors hereby agrees with the Administrative Agent, the Lenders and the Bank Product Providers as follows: each Guarantor hereby unconditionally and irrevocably jointly and severally guarantees as primary obligor and not merely as surety the full and prompt payment when due, whether upon maturity, by acceleration or otherwise, of any and all Credit Party Obligations. If any or all of the indebtedness or other obligations becomes due and payable hereunder or under any Bank Product, each Guarantor unconditionally promises to pay such indebtedness to the Administrative Agent, the Lenders, the Bank Product Providers, or their respective order, on demand, together with any and all reasonable expenses which may be incurred by the Administrative Agent or the Lenders in collecting any of the Credit Party Obligations. The Guaranty set forth in this Article X is a guaranty of timely payment and not of collection. The word "indebtedness" is used in this Article X in its most comprehensive sense and includes any and all advances, debts, obligations and liabilities of the Borrower, including specifically all Credit Party Obligations, arising in connection with this Agreement, the other Credit Documents or any Bank Product, in each case, heretofore, now, or hereafter made, incurred or created, whether voluntarily or involuntarily, absolute or contingent, liquidated or unliquidated, determined or undetermined, whether or not such indebtedness is from time to time reduced, or extinguished and thereafter increased or incurred, whether the Borrower may be liable individually or jointly with others, whether or not recovery upon such indebtedness may be or hereafter become barred by any statute of limitations, and whether or not such indebtedness may be or hereafter become otherwise unenforceable.

Notwithstanding any provision to the contrary contained herein or in any other of the Credit Documents, to the extent the obligations of a Guarantor shall be adjudicated to be invalid or unenforceable for any reason (including, without limitation, because of any applicable state or federal law relating to fraudulent conveyances or transfers) then the obligations of each such Guarantor hereunder shall be limited to the maximum amount that is permissible under applicable law (whether federal or state and including, without limitation, the Bankruptcy Code).

Section 10.2 Bankruptcy.

Additionally, each of the Guarantors unconditionally and irrevocably guarantees jointly and severally the payment of any and all Credit Party Obligations of the Borrower to the Lenders and any Bank Product Provider whether or not due or payable by the Borrower upon the occurrence of any Bankruptcy Event and unconditionally promises to pay such Credit Party Obligations to the Administrative Agent for the account of the Lenders and to any such Bank Product Provider, or order, on demand, in lawful money of the United States. Each of the Guarantors further agrees that to the extent that the Borrower or a Guarantor shall make a payment or a transfer of an interest in any property to the Administrative Agent, any Lender or any Bank Product Provider, which payment or transfer or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, or otherwise is avoided, and/or required to be repaid to the Borrower or a Guarantor, the estate of the Borrower or a Guarantor, a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then to the extent of such avoidance or repayment, the obligation or part thereof intended to be satisfied shall be revived and continued in full force and effect as if said payment had not been made.

Section 10.3 Nature of Liability.

The liability of each Guarantor hereunder is exclusive and independent of any security for or other guaranty of the Credit Party Obligations of the Borrower whether executed by any such Guarantor, any other guarantor or by any other party, and no Guarantor's liability hereunder shall be affected or impaired by (a) any direction as to application of payment by the Borrower or by any other party, or (b) any other continuing or other guaranty, undertaking or maximum liability of a guarantor or of any other party as to the Credit Party Obligations of the Borrower, or (c) any payment on or in reduction of any such other guaranty or undertaking, or (d) any dissolution, termination or increase, decrease or change in personnel by the Borrower, or (e) any payment made to the Administrative Agent, the Lenders or any Bank Product Provider on the Credit Party Obligations which the Administrative Agent, such Lenders or such Bank Product Provider repay the Borrower pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding, and each of the Guarantors waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding.

Section 10.4 Independent Obligation.

The obligations of each Guarantor hereunder are independent of the obligations of any other Guarantor or the Borrower, and a separate action or actions may be brought and prosecuted against each Guarantor whether or not action is brought against any other Guarantor or the Borrower and whether or not any other Guarantor or the Borrower is joined in any such action or actions.

Section 10.5 Authorization.

Each of the Guarantors authorizes the Administrative Agent, each Lender and each Bank Product Provider without notice or demand (except as shall be required by applicable statute and cannot be waived), and without affecting or impairing its liability hereunder, from time to time to (a) renew, compromise, extend, increase, accelerate or otherwise change the time for payment of, or otherwise change the terms of the Credit Party Obligations or any part thereof in accordance with this Agreement and any Bank product, as applicable, including any increase or decrease of the rate of interest thereon, (b) take and hold security from any Guarantor or any other party for the payment of this Guaranty or the Credit Party Obligations and exchange, enforce waive and release any such security, (c) apply such security and direct the order or manner of sale thereof as the Administrative Agent and the Lenders in their discretion may determine and (d) release or substitute any one or more endorsers, Guarantors, the Borrower or other obligors.

Section 10.6 Reliance.

It is not necessary for the Administrative Agent, the Lenders or any Bank Product Provider to inquire into the capacity or powers of the Borrower or the officers, directors, members, partners or agents acting or purporting to act on its behalf, and any Credit Party Obligations made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

Section 10.7 Waiver.

(a) Each of the Guarantors waives any right (except as shall be required by applicable statute and cannot be waived) to require the Administrative Agent, any Lender or any Bank Product Provider to (i) proceed against the Borrower, any other guarantor or any other party, (ii) proceed against or exhaust any security held from the Borrower, any other guarantor or any other party, or (iii) pursue any other remedy in the Administrative Agent's, any Lender's or any Bank Product Provider's power whatsoever. Each of the Guarantors waives any defense based on or arising out of any defense of the Borrower, any other guarantor or any other party other than payment in full of the Credit Party Obligations (other than contingent indemnification obligations), including, without limitation, any defense based on or arising out of the disability of the Borrower, any other guarantor or any other party, or the

unenforceability of the Credit Party Obligations or any part thereof from any cause, or the cessation from any cause of the liability of the Borrower other than payment in full of the Credit Party Obligations. The Administrative Agent may, at its election, foreclose on any security held by the Administrative Agent or a Lender by one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable (to the extent such sale is permitted by applicable law), or exercise any other right or remedy the Administrative Agent or any Lender may have against the Borrower or any other party, or any security, without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent the Credit Party Obligations have been paid in full and the Commitments have been terminated. Each of the Guarantors waives any defense arising out of any such election by the Administrative Agent or any of the Lenders, even though such election operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of the Guarantors against the Borrower or any other party or any security.

(b) Each of the Guarantors waives all presentments, demands for performance, protests and notices, including, without limitation, notices of nonperformance, notice of protest, notices of dishonor, notices of acceptance of this Guaranty, and notices of the existence, creation or incurring of new or additional Credit Party Obligations. Each Guarantor assumes all responsibility for being and keeping itself informed of the Borrower's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Credit Party Obligations and the nature, scope and extent of the risks which such Guarantor assumes and incurs hereunder, and agrees that neither the Administrative Agent nor any Lender shall have any duty to advise such Guarantor of information known to it regarding such circumstances or risks.

(c) Each of the Guarantors hereby agrees it will not exercise any rights of subrogation which it may at any time otherwise have as a result of this Guaranty (whether contractual, under Section 509 of the U.S. Bankruptcy Code, or otherwise) to the claims of the Lenders or any Bank Product Provider against the Borrower or any other guarantor of the Credit Party Obligations of the Borrower owing to the Lenders or such Bank Product Provider (collectively, the "Other Parties") and all contractual, statutory or common law rights of reimbursement, contribution or indemnity from any Other Party which it may at any time otherwise have as a result of this Guaranty until such time as the Credit Party Obligations shall have been paid in full and the Commitments have been terminated. Each of the Guarantors hereby further agrees not to exercise any right to enforce any other remedy which the Administrative Agent, the Lenders or any Bank Product Provider now have or may hereafter have against any Other Party, any endorser or any other guarantor of all or any part of the Credit Party Obligations of the Borrower and any benefit of, and any right to participate in, any security or collateral given to or for the benefit of the Lenders and/or the Bank Product Providers to secure payment of the Credit Party Obligations of the Borrower until such time as the Credit Party Obligations (other than contingent indemnification obligations) shall have been paid in full and the Commitments have been terminated.

Section 10.8 Limitation on Enforcement.

The Lenders and the Bank Product Providers agree that this Guaranty may be enforced only by the action of the Administrative Agent acting upon the instructions of the Required Lenders or such Bank Product Provider (only with respect to obligations under the applicable Bank Product) and that no Lender or Bank Product Provider shall have any right individually to seek to enforce or to enforce this Guaranty, it being understood and agreed that such rights and remedies may be exercised by the Administrative Agent for the benefit of the Lenders under the terms of this Agreement and for the benefit of any Bank Product Provider under any Bank Product. The Lenders and the Bank Product Providers further agree that this Guaranty may not be enforced against any director, officer, employee or stockholder of the Guarantors.

Section 10.9 Confirmation of Payment.

The Administrative Agent and the Lenders will, upon request after payment of the Credit Party Obligations which are the subject of this Guaranty and termination of the Commitments relating thereto, confirm to the Borrower, the Guarantors or any other Person that such indebtedness and obligations have been paid and the Commitments relating thereto terminated, subject to the provisions of Section 10.2.

Section 10.10 Agreements for Contribution.

(a) To the extent that any Guarantor is required, by reason of its obligations hereunder, to pay to the Lender an amount greater than the amount of the value (as determined in accordance with applicable insolvency laws) actually made available to or for the benefit of such Guarantor on account of any Credit Document, such Guarantor shall have an enforceable right of contribution against the remaining Guarantors, and the remaining Guarantors shall be jointly and severally liable for repayment of the full amount of such excess payment.

(b) To the extent that any Guarantor would, but for the operation of this Section 10.10 and by reason of its Obligations hereunder or its obligations to other Guarantors under this Section 10.10, be rendered insolvent for any purpose under applicable insolvency laws, each of the Guarantors hereby agrees to indemnify such Guarantor and commits to make a contribution to such Guarantor's capital in an amount at least equal to the amount necessary to prevent such Guarantor from having been rendered insolvent by reason of the incurrence of any such obligations.

(c) To the extent that any Guarantor would, but for the operation of this Section 10.10, be rendered insolvent under any applicable insolvency law by reason of its incurring of obligations to any other Guarantor under the foregoing Sections 10.10(a) and (b), such Guarantor shall, in turn, have rights of contribution to the full extent provided in the foregoing Sections 10.10(a) and (b) against the remaining Guarantors, such that all obligations of all the Guarantors hereunder and under this Section 10.10 shall be allocated in a manner such that no Guarantor shall be rendered insolvent for any purpose under applicable insolvency law by reason of its incurrence of such obligations.

Section 10.11 Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Guarantor to honor all of its obligations under this Guaranty in respect of a Swap Obligation (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 10.11 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 10.11 or otherwise under this Guaranty voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). Except as otherwise provided herein, the obligations of each Qualified ECP Guarantor under this Section 10.11 shall remain in full force and effect until the termination of all Swap Obligations. Each Qualified ECP Guarantor intends that this Section 10.11 constitute, and this Section 10.11 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Credit Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

ARTICLE I

RELATION TO BASE INDENTURE; DEFINITIONS

Section 1.01. Relation to Base Indenture. The changes, modifications and supplements to the Base Indenture effected by this Sixth Supplemental Indenture shall be applicable only with respect to, and shall only govern the terms of, the Notes, which may be issued from time to time, and shall not apply to any other Securities that may be issued under the Base Indenture unless a supplemental indenture with respect to such other Securities specifically incorporates such changes, modifications and supplements. The provisions of this Sixth Supplemental Indenture shall supersede any corresponding or conflicting provisions and definitions in the Base Indenture.

Section 1.02. Definitions. For all purposes of this Sixth Supplemental Indenture, except as otherwise expressly provided for or unless the context otherwise requires:

(a) Capitalized terms used but not defined herein shall have the respective meanings assigned to them in the Base Indenture, the First Supplemental Indenture, the Second Supplemental Indenture, the Third Supplemental Indenture, the Fourth Supplemental Indenture and the Fifth Supplemental Indenture;

(b) Terms defined in more than one of the Base Indenture, the First Supplemental Indenture, the Second Supplemental Indenture, the Third Supplemental Indenture, the Fourth Supplemental Indenture and the Fifth Supplemental Indenture shall have the meanings assigned to them in, in order of priority, the Fifth Supplemental Indenture, the First Supplemental Indenture, the Fourth Supplemental Indenture, the Third Supplemental Indenture, the Second Supplemental Indenture and the Base Indenture;

(c) Terms defined herein and in any of the Base Indenture, the First Supplemental Indenture, the Second Supplemental Indenture, the Third Supplemental Indenture, the Fourth Supplemental Indenture or the Fifth Supplemental Indenture shall have the meanings assigned to them herein;

(d) All references herein to Articles and Sections, unless otherwise specified, refer to the corresponding Articles and Sections of this Sixth Supplemental Indenture; and

(e) All other terms used in this Sixth Supplemental Indenture, which are defined in the Trust Indenture Act or which are by reference therein defined in the Securities Act (except as herein otherwise expressly provided or unless the context otherwise requires) shall have the meanings assigned to such terms in said Trust Indenture Act and in said Securities Act as in force at the date of the execution of this Sixth Supplemental Indenture. The words "herein," "hereof," "hereunder," and words of similar import refer to this Sixth Supplemental Indenture as a whole and not to any particular Article, Section or other subdivision. The terms defined in this Article include the plural as well as the singular.

ARTICLE II GUARANTEES

Section 2.01. Guarantee.

(a) Subject to this Article II, each of the Guarantors hereby, jointly and severally, unconditionally guarantees on an unsecured, unsubordinated basis, to each Holder of a Note, authenticated and delivered by the Trustee, and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Sixth Supplemental Indenture, the Fifth Supplemental Indenture, the Fourth Supplemental Indenture, the Third Supplemental Indenture, the Second Supplemental Indenture, the First Supplemental Indenture or the Base Indenture, the Notes or the obligations of the Company hereunder or thereunder, that:

(i) the principal of, premium, if any, and interest on, the Notes will be promptly paid in full when due, whether at maturity, by acceleration or otherwise, and interest on the overdue principal and interest on the Notes, if any, if lawful, and all other obligations of the Company to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(ii) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at Stated Maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for any reason whatsoever, the Guarantors shall be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(a) The Guarantors hereby agree that their obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of this Sixth Supplemental Indenture, the Fifth Supplemental Indenture, the Fourth Supplemental Indenture, the Third Supplemental Indenture, the Second Supplemental Indenture, the First Supplemental Indenture, or the Base Indenture, the Notes, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of such Guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of bankruptcy or insolvency of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenant that this Guarantee will not be discharged except by complete performance of the obligations contained in the Notes and the Indenture.

(b) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or the Guarantors, any amount paid either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(c) Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations under the Notes guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article V of the First Supplemental Indenture and the Fifth Supplemental Indenture for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article V of the First Supplemental Indenture and the Fifth Supplemental Indenture, such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for purposes of this Guarantee. The Guarantors will have the right to seek contribution from any other guarantor of the Notes, or the Company, as the case may be, so long as the exercise of such right does not impair the rights of the Holders under this Guarantee.

Section 2.02. Limitation on Guarantors' Liability. Each Guarantor, and by its acceptance of the Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor of the Notes not constitute a fraudulent transfer, fraudulent conveyance or fraudulent obligation for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee of the Notes. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor shall be limited to the maximum amount that shall, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contributions from or payments made by or on behalf of any other guarantor of the Notes in respect of the obligations of such other guarantors of the Notes that are relevant under such laws, result in the obligations of such guarantor of the Notes under its Guarantee of the Notes not constituting a fraudulent transfer, fraudulent conveyance or fraudulent obligation.

Section 2.03. Execution and Delivery of Guarantees.

(a) To evidence its Guarantee as set forth in Section 2.01 hereof, each Guarantor hereby agrees that this Sixth Supplemental Indenture shall be executed on behalf of such Guarantor by one of its authorized officers or attorneys-in-fact.

(b) Each Guarantor hereby agrees that its Guarantee set forth in Section 2.01 hereof shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee.

Section 2.04. Contribution. Each Guarantor that makes a payment or distribution under its Guarantee of the Notes shall be entitled to contribution from any other guarantor of the Notes or the Company, as the case may be.

Section 2.05. Releases.

(a) The Guarantee of the Notes by a Guarantor will be automatically and unconditionally released, and any Person acquiring assets (including by way of merger or consolidation) or Capital Stock of a Guarantor shall not be required to assume the obligations of any such Guarantor:

(1) in connection with any sale, exchange, transfer, conveyance or other disposition of (whether by merger, consolidation or the sale of) a majority of the Capital Stock of such Guarantor (or such lesser portion as is sufficient for such Guarantor to cease to be a Subsidiary of the Company) or the sale of all or substantially all the assets of such Guarantor, to or with and into a Person which is not the Company or another Subsidiary of the Company;

(2) if any Guarantor is dissolved or otherwise no longer obligated to provide a Guarantee of the Notes pursuant to the Indenture;

(3) if such Guarantor's guarantee of any obligations under any Debt Facility of the Company (including the Credit Agreement) with an aggregate principal or committed amount of \$250 million or more is fully and unconditionally released, except that such Guarantor shall subsequently be required to become a Guarantor by executing a supplemental indenture and providing the Trustee with an Officers' Certificate and Opinion of Counsel as required by the Indenture at such time as it guarantees any obligations under any Debt Facility of the Company (including the Credit Agreement) with an aggregate principal or committed amount of \$250 million or more; or

(4) upon the Company's exercise of its legal defeasance option or covenant defeasance option as described in Section 12.02 or Section 12.03 of the First Supplemental Indenture and the Fifth Supplemental Indenture or if the Company's obligations under the Indenture and the Notes are discharged in accordance with Section 12.01 of the First Supplemental Indenture and the Fifth Supplemental Indenture.

(b) The Trustee shall execute any documents reasonably requested by either the Company or a Guarantor in order to evidence the release of such Guarantor from its obligations under its Guarantee under this Article II, subject to the Trustee's receipt of an Opinion of Counsel and Officers' Certificate stating that all conditions precedent to such release have been met.
