2002 ANNUAL MEETING OF SHAREHOLDERS  
OF  
PEDIATRIX MEDICAL GROUP, INC.

-----

We are furnishing this proxy statement to Pediatrix's shareholders as part of the solicitation of proxies by Pediatrix's board of directors for use at Pediatrix's 2002 annual shareholders' meeting, and at any meeting following postponement or adjournment thereof.

DATE, TIME AND PLACE OF ANNUAL MEETING

Pediatrix's 2002 annual shareholders' meeting will be held on Tuesday, May 14, 2002, at 1:00 p.m., local time, at the Crowne Plaza Hotel, 13400 West Sunrise Boulevard, Sunrise, Florida 33323.

PURPOSE OF THE ANNUAL MEETING

At the annual meeting, Pediatrix's shareholders will be asked:

- to elect Pediatrix's entire board of directors;
- to approve amendments to Pediatrix's employee stock purchase plans to reduce the maximum number of shares issuable under the qualified stock purchase plan by 250,000 shares and to increase the maximum number of shares issuable under the non-qualified stock purchase plan by an equal amount; and
- to consider and act upon any other business properly brought before the annual meeting.

PEDIATRIX RECORD DATE; SHARES ENTITLED TO VOTE

Only holders of record of Pediatrix common stock at the close of business on April 2, 2002, the record date, are entitled to notice of, to attend and to vote at the annual meeting. Pediatrix's shareholders will have one vote at the annual meeting for each share of Pediatrix common stock owned on the record date.

At the close of business on the record date, 25,513,661 shares of Pediatrix common stock were issued and outstanding, which were held by approximately 126 holders of record. The closing sale price of Pediatrix common stock as reported on the New York Stock Exchange on the record date was \$41.50 per share.

QUORUM; ABSTENTIONS

A quorum will be present at the annual meeting if holders of a majority of the issued and outstanding shares of Pediatrix common stock on the record date are represented in person or by proxy at the annual meeting. If a quorum is not present at the annual meeting, Pediatrix expects to postpone or adjourn the meeting to solicit additional proxies.

Abstentions, including broker non-votes, will be counted as shares present and entitled to vote for the purposes of determining the presence or absence of a quorum, but will not be counted for the purposes of determining the number of shares represented and voting with respect to a proposal.

VOTES REQUIRED

Assuming that a quorum is present at the annual meeting, director nominees receiving the greatest number of affirmative votes from holders of Pediatrix common stock will be elected as directors of Pediatrix and the affirmative vote of a majority of the shares represented and voting at the annual meeting, provided that the total number of votes cast in such proposal represents a majority of the issued and outstanding shares of Pediatrix common stock entitled to vote thereon, is required to approve the amendments to Pediatrix's employee stock purchase plans as described in this proxy statement.

#### VOTING BY PEDIATRIX'S DIRECTORS AND EXECUTIVE OFFICERS

Each Pediatrix director and executive officer has indicated a present intention to vote, or cause to be voted, the Pediatrix common stock owned by such director or officer as follows:

- "FOR" the election of each of the nominees for director named in this proxy statement; and
- "FOR" the approval of the amendments to the employee stock purchase plans as described in this proxy statement.

#### VOTING OF PROXIES; BROKER NON-VOTES

Shareholders may vote without attending the meeting by submitting a proxy. All shares of Pediatrix common stock represented by properly executed proxies received in time for the annual meeting will be voted at the annual meeting in the manner specified by the holders of those shares. Proxies that are properly executed by the record holder but otherwise do not contain voting instructions will be voted as follows:

- "FOR" the election of each of the nominees for director named in this proxy statement;
- "FOR" the approval of the amendments to the employee stock purchase plans as described in this proxy statement; and
- in accordance with the recommendation of Pediatrix's board of directors, "FOR" or "AGAINST" all other matters that may properly come before the annual meeting.

Shareholders whose shares are registered in the name of a bank or brokerage firm may be eligible to vote electronically through the Internet or by telephone. Banks and brokerage firms that hold shares of Pediatrix common stock in street name for customers who are the beneficial owners of such shares may not give a proxy to vote those customers' shares in the absence of specific instructions from those customers, except in the case of the election of directors. These non-voted shares are referred to as broker non-votes and will be voted as abstentions.

#### REVOCABILITY OF PROXIES

The grant of a proxy on the enclosed proxy card does not preclude a shareholder from voting in person at the annual meeting. A shareholder may revoke a proxy at any time prior to its exercise by filing with Pediatrix's corporate secretary a duly executed revocation of proxy, by submitting a duly executed proxy to Pediatrix's corporate secretary bearing a later date or by appearing at the annual meeting and voting in person. Attendance at the annual meeting will not itself constitute revocation of a proxy.

#### SOLICITATION OF PROXIES

Pediatrix will bear the cost of the solicitation of proxies from its shareholders. In addition to solicitations by mail, Pediatrix's directors, officers and employees, and those of its subsidiaries and affiliates, may solicit proxies from shareholders by telephone or other electronic means or in person. Pediatrix will cause banks and brokerage firms and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of Pediatrix common stock held of record by such custodians, nominees and fiduciaries. Pediatrix will reimburse such banks, brokerage firms, custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses in doing so.

## ELECTION OF PEDIATRIX'S DIRECTORS

Pediatrix's articles of incorporation and bylaws, each as amended and restated, provide that the number of directors constituting Pediatrix's board of directors will be determined from time to time by resolution adopted by Pediatrix's board of directors. Pediatrix's board of directors resolved that the board of directors would have nine members in the upcoming year.

Eight of Pediatrix's nine incumbent directors have been nominated by Pediatrix's board of directors as directors to be elected at the annual meeting by the holders of Pediatrix common stock. In addition, Dr. Roger K. Freeman has been nominated by Pediatrix's board of directors as a director to be elected at the annual meeting.

Roger K. Freeman, M.D., 66, is a maternal-fetal medicine physician who, in 1995, founded Perinatal Associates of Southern California, a physician practice group affiliated with Pediatrix since the acquisition of Magella. Dr. Freeman is a graduate of the University of California at San Francisco. He completed his residency in Obstetrics/Gynecology at Harbor General Hospital, and is Board certified in Obstetrics/ Gynecology and Maternal-Fetal Medicine. Dr. Freeman has served on many national and local OB/GYN and perinatal organizations. In September 1999, Dr. Freeman retired from private practice. He is currently a director of the OB/GYN Newborn CareLine at Long Beach Memorial Women's Hospital and serves on the Board of Directors of Long Beach Memorial Medical Center. Dr. Freeman has authored numerous articles and three books.

Proxies will be voted "FOR" all such nominees absent contrary instructions. Dr. Medel has served as a director since 1979. Mr. Fernandez has served as a director since October 1995. Dr. Cunningham has served as a director since October 1996. Mr. Alvarez has served as a director since March 1997. Dr. Carlo has served as a director since June 1999. Messrs. Bratberg, Carlyle and Dr. Ratner have served as directors since May 2001. See below under "Management" for the biographies of these nominees for director. Mr. Mackesy has declined to stand for re-election and, effective May 15, 2002, will no longer serve as a member of Pediatrix's board of directors.

Each director elected will serve for a term expiring at Pediatrix's 2003 annual meeting of shareholders, which is expected to be held in May 2003, or until his successor has been duly elected and qualified.

Pediatrix's board of directors has no reason to believe that any nominee will refuse to act or be unable to accept election; however, in the event that a nominee for a directorship is unable to accept election or if any other unforeseen contingencies should arise, proxies will be voted for the remaining nominees and for such other person as may be designated by Pediatrix's board of directors, unless the proxies provide otherwise.

### VOTE REQUIRED AND RECOMMENDATION

If a quorum is present and voting at the annual meeting, the nine nominees receiving the highest number of votes "FOR" election will be elected to the board of directors of Pediatrix.

PEDIATRIX'S BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF EACH OF THE NINE NOMINEES FOR DIRECTOR.

## EMPLOYMENT CONTRACTS AND TERMINATION OF EMPLOYMENT AGREEMENTS

Pediatrix has entered into employment agreements with a number of the executive officers (collectively the "Employment Agreements"). Pursuant to the Employment Agreements, Dr. Medel and Messrs. Bratberg, Wagner and Gillon will receive base salaries of \$600,000, \$400,000, \$275,000 and \$300,000, respectively, in 2002. The Employment Agreements provide that such executives are eligible to receive performance bonuses. The Employment Agreements also provide for payments if the executive is terminated after a "change in control" as defined in their respective employment agreement in an amount equal to 200% of average annual compensation for Dr. Medel, and 100% of the average annual compensation for each of Messrs. Bratberg, Wagner and Gillon for the five taxable years prior to such termination. The executive officers each hold options to purchase Pediatrix common stock granted under Pediatrix's Amended and Restated Stock Option Plan. Pursuant to Pediatrix's Amended and Restated Stock Option Plan, such options will become immediately fully exercisable in the event of a "change in control" as defined in such plan. The Employment Agreements provide that each executive shall not compete with Pediatrix during the employment term and for a period of one year thereafter following the termination of the agreement for any reason.

## REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

Under rules established by the Securities and Exchange Commission, Pediatrix's compensation committee is required to provide a report explaining the rationale and considerations that led to fundamental compensation decisions affecting Pediatrix's executive officers, including Pediatrix's Chief Executive Officer during the past fiscal year.

General. Pediatrix's compensation committee is comprised of independent directors and is responsible for setting and administering policies that govern the annual compensation of Pediatrix's executive officers, as well as Pediatrix's stock option, employee stock purchase and incentive compensation plans. The compensation committee's general philosophy with respect to the compensation of Pediatrix's executive officers is to offer competitive compensation programs designed to attract and retain key executives critical to the long-term success of Pediatrix and to recognize an individual's contribution and personal performance. Accordingly, Pediatrix's compensation programs include a base salary and an annual performance-based bonus as well as stock option plans and incentive plans designed to provide long-term incentives. In addition, the compensation committee may recommend the grant of discretionary bonuses to executive officers.

In establishing the executive compensation program, the compensation committee takes into account the financial performance of the Company and compensation trends for comparable companies, and gauges achievement of corporate and individual objectives. The base salaries of Pediatrix's executive officers have been fixed at levels which the compensation committee believes are competitive to retain and motivate key executives. Performance bonuses have been structured to reinforce the achievement of both short and long-term corporate objectives. Pediatrix uses stock options to foster a long-term perspective aligned with that of its shareholders. The salaries for each of Pediatrix's executive officers is set forth in such executive's employment agreement.

2001 Compensation for the Chief Executive Officer. Dr. Medel's employment agreement with Pediatrix expires in 2006, and provides for a base salary of \$600,000 per year and a performance bonus of up to \$200,000 each year if Pediatrix meets or exceeds specific performance objectives set forth in his employment agreement. In 2001, in addition to his base salary, Dr. Medel received a performance bonus of \$100,000 based upon such objectives. In determining Dr. Medel's overall compensation for 2001, the compensation committee evaluated Pediatrix's performance during 2001, focusing on the following areas: (i) the number of neonatal intensive care unit ("NICU") patient days; and (ii) NICU same unit growth. The compensation committee believes that these achievements reflect the chief executive officer's strategic leadership for Pediatrix and, as a result, awarded the chief executive officer the bonus and stock options set forth in the Summary Compensation Table.

Policy on Deductibility of Incentive Compensation. Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), limits the tax deduction to \$1 million for compensation paid to Pediatrix's five most highly compensated executive officers, unless certain requirements are met. In order to comply with Section 162(m), the stock option plan limits the number of shares underlying options awardable during the 10-year term of the stock option plan to any plan participant and is administered by a committee consisting only of "outside directors" (as defined in Section 162(m)). While the tax impact of any compensation is one factor to consider, such impact is evaluated in light of the compensation committee's overall compensation philosophy. The compensation committee intends to establish executive officer compensation programs which maximize Pediatrix's deduction if the compensation committee determines that such actions are consistent with its philosophy and in the best interests of Pediatrix and its shareholders.

## CERTAIN BUSINESS RELATIONSHIPS

In March 1997, Mr. Alvarez was appointed to Pediatrix's board of directors. Mr. Alvarez is the President and Chief Executive Officer of Greenberg Traurig, P.A., which serves as one of Pediatrix's principal outside counsel and receives customary fees for legal services. Pediatrix currently anticipates that such arrangement will continue.

## SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires Pediatrix's officers and directors, and persons who own more than ten percent of Pediatrix's common stock, to file with the Securities and Exchange Commission reports of ownership and changes in ownership of Pediatrix common stock. Officers, directors and greater than ten percent shareholders also are required by rules promulgated by the Securities and Exchange Commission to furnish Pediatrix with copies of all Section 16(a) forms they file.

Based solely on a review of the copies of such reports furnished to Pediatrix, the absence of a Form 3, 4 or 5, or representations from certain reporting persons that no Forms 5 were required, Pediatrix believes that all Section 16(a) filing requirements applicable to its officers, directors and greater than ten percent beneficial owners were complied with during the fiscal year ended December 31, 2001, except that Mr. Gillon filed his Form 3 upon becoming an executive officer one business day after the prescribed filing deadline.

## PROPOSAL TO APPROVE AMENDMENTS TO PEDIATRIX'S EMPLOYEE STOCK PURCHASE PLANS

Shareholders are being asked to approve amendments to Pediatrix's Qualified Employee Stock Purchase Plan and Non-Qualified Employee Stock Purchase Plan:

- to reduce the maximum number of shares issuable under the Qualified Employee Stock Purchase Plan from 500,000 to 250,000 shares; and
- to increase the maximum number of shares issuable under the Non-Qualified Employee Stock Purchase Plan from 500,000 to 750,000 shares.

In 1996, the Company adopted two stock purchase plans. The Qualified Plan covers all of the full-time employees of Pediatrix and its subsidiaries. The Non-Qualified Plan covers all of the full-time employees of Pediatrix's affiliated professional associations, corporations and partnerships (the "PA Contractors"). These plans are an important part of Pediatrix's compensation program.

The proposed amendments will better enable Pediatrix to attract and retain officers and employees, without changing the aggregate number of shares available under both plans, by making available additional shares under the Non-Qualified Plan which covers more employees than the Qualified Plan. On March 31, 2002, approximately 420 persons were eligible to participate in the Qualified Plan and approximately 1,453 persons were eligible to participate in the Non-Qualified Plan. The proposed amendments will not change the aggregate number of shares issuable under both plans.

As of December 31, 2001, an aggregate of 562,434 shares have been issued under the plans to approximately 780 persons, of which 142,076 shares had been issued under the Qualified Plan and 420,358 shares had been issued under the Non-Qualified Plan.

## DESCRIPTION OF PEDIATRIX'S EMPLOYEE STOCK PURCHASE PLANS

Purpose: The purpose of each of Pediatrix's stock purchase plans is to encourage stock ownership in Pediatrix by employees of Pediatrix, its subsidiaries and the PA Contractors, thereby enhancing interest in the continued success and progress of Pediatrix. The plans permit eligible participants to purchase Pediatrix common stock at a favorable price through payroll reductions of the participants.

Administration: The plans are administered by Pediatrix's compensation committee.

Maximum Number of Shares Issuable: A maximum of 500,000 shares are issuable under each of the plans. Upon approval of the proposed amendments by shareholders, a maximum of 250,000 shares will be issuable under the Qualified Plan and a maximum of 750,000 shares will be issuable under the Non-Qualified Plan.

Purchase Periods: Purchase periods for each plan are the six-month periods ending on the last day of March and September. Before the commencement date of each purchase period, each eligible participant must elect to have compensation withheld during the purchase period of either a percentage of his or her compensation (not less than 1%) or a specific dollar amount (not less than \$25). The percentage or amount designated may not be increased or decreased during a purchase period, but a participant can discontinue payroll deductions for the remainder of a purchase period and withdraw his or her funds entirely. No participant may receive an option under any plan for shares which have a fair market value in excess of \$25,000, less the 15% discount, or \$21,250, in any one calendar year.

Investing in the Plans: As of the first day of the purchase period, a participant is granted an option to purchase that number of shares determined by dividing the total amount to be withheld by the purchase price described below. Based on the amount of salary withheld at the end of the purchase period, shares will be purchased for the account of each participant within five business days of the termination date of such purchase period. In no event, however, may a participant receive an option for shares which would cause the participant to own 5% or more of common stock of Pediatrix.

Purchase Prices: The purchase price to be paid by the participants will be the lower of (i) 85% of the average of the high and low sales price of Pediatrix's common stock as reported on the New York Stock Exchange as of the commencement date of the purchase period and (ii) 85% of the average of the high and low sales price of Pediatrix's common stock as reported on the New York Stock Exchange as of the purchase date.

Eligible Participants: The Qualified Plan is available to employees of Pediatrix and its subsidiaries who are regularly scheduled to work at least 20 hours per week and more than five months per calendar year. The Non-Qualified Plan is available to employees of the PA Contractors who are regularly scheduled to work at least 20 hours per week and more than five months per calendar year. Any employee eligible to participate in the Qualified Plan is not eligible to participate in the Non-Qualified Plan.

Qualified Plan: The provisions of the Qualified Plan are similar to the Non-Qualified Plan in all material respects, except that:

- the eligible participants of the two plans are different, as described above;
- each participant in the Qualified Plan agrees to promptly notify Pediatrix in writing of any disposition of any common stock purchased under the plan occurring within the two years after the date of the purchase; and
- the Qualified Plan is intended to comply with Section 423 of the Code.

Other Information: The specific future benefits or amounts to be received by executive officers and employees under the stock purchase plans as proposed to be amended in the manner described above is not determinable. For information on the common shares acquired through the foregoing plans by the named executive officers and directors, see "Share Ownership of Pediatrix" above.

Copies of the Plans: The complete text of each of the foregoing plans, as proposed to be amended in the manner described in this proxy statement, will be furnished, upon request, without charge to each person whose proxy is being solicited. The foregoing description of the plans is qualified in its entirety by reference to the complete text of such plans.

## VOTE REQUIRED AND RECOMMENDATION

Pediatrix's compensation committee has approved the proposed amendments to Pediatrix's employee stock purchase plans and is recommending approval by Pediatrix's shareholders because it believes that the proposed amendments are in the best interests of Pediatrix. The proposed amendments will better enable Pediatrix to attract and retain key officers and employees. The proposed amendments will not change the aggregate number of shares issuable under both plans.

Approval of the proposed amendments to Pediatrix's employee stock purchase plans requires the affirmative vote of a majority of the votes of Pediatrix common stock present in person or by proxy at the annual meeting, provided that the total number of votes cast in such proposal represents a majority of the issued and outstanding shares of Pediatrix common stock entitled to vote thereon at the annual meeting.

PEDIATRIX'S BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE PROPOSED AMENDMENTS TO PEDIATRIX'S EMPLOYEE STOCK PURCHASE PLANS AS DESCRIBED IN THIS PROXY STATEMENT.

## RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

Pediatrix's independent public accountants for the year ended December 31, 2001, was and for 2002 will be the firm of PricewaterhouseCoopers LLP. It is expected that representatives of such firm will (i) attend the annual meeting, (ii) have an opportunity to make a statement if they desire to do so, and (iii) be available to respond to appropriate questions.

## OTHER BUSINESS

The board of directors knows of no other business to be brought before the annual meeting. If, however, any other business should properly come before the annual meeting, it is the intention of the persons named in the accompanying proxy card to vote the shares they represent in accordance with the recommendation of Pediatrix's board of directors.

## INFORMATION CONCERNING SHAREHOLDER PROPOSALS

Pursuant to Rule 14a-8 promulgated by the Securities and Exchange Commission and Pediatrix's amended and restated articles of incorporation, a shareholder intending to present a proposal to be presented at Pediatrix's 2003 annual shareholders' meeting must deliver a proposal in writing to Pediatrix's principal executive offices to be received on or before December 17, 2002, but not earlier than October 18, 2002, or such proposal will be considered untimely.
