## Explanation of Responses:

1. Each Performance Share Unit ("PSU") represents a contingent right to receive one share of the Issuer's Common Stock upon vesting. The PSUs vest upon the satisfaction of both a service-based condition and a performance-based condition. The PSUs will vest, to the extent earned, on the three-year anniversary of the grant date, with the shares underlying the PSUs being earned in one-third installments based on the Issuer achieving stock price hurdles equal to 125%, 150% and 175% of \$13.55 for at least 20 consecutive trading days before the third anniversary of the grant date.
