FOR IMMEDIATE RELEASE

MEDNAX Announces Two-for-One Stock Split

FORT LAUDERDALE, Fla., December 5, 2013 – MEDNAX, Inc. (NYSE: MD), the national medical group specializing in neonatal, maternal-fetal, pediatric cardiology, other pediatric subspecialties and anesthesia physician services, today announced that its Board of Directors authorized a two-for-one split of MEDNAX’s common stock. Shareholders of record on the effective date of December 19, 2013 will receive one additional share of MEDNAX common stock for each share of MEDNAX common stock then held, without any further action on the part of MEDNAX’s shareholders. Shareholders do not need to exchange existing stock certificates and will receive additional shares as a result of the stock split through the Direct Registration System on December 20, 2013.

In order to complete the stock split, MEDNAX’s Board of Directors has also authorized the amendment of the Company’s Articles of Incorporation to increase the number of authorized shares of common stock from 100 million to 200 million.

“We are proud of the value MEDNAX has delivered to our shareholders over the long-term. This stock split is the result of the Company’s strong financial and stock price performance and reflects our continued confidence in MEDNAX’s long-term growth opportunities, as well as our ongoing determination to continue building long-term shareholder value,” said Roger J. Medel, M.D., Chief Executive Officer of MEDNAX. Prior to this action, the most recent MEDNAX stock split occurred in 2006.

The Company's common stock trades on the New York Stock Exchange under the symbol MD and is expected to trade on a post-split basis at the opening of trading on December 20, 2013. Upon completion of the stock split, MEDNAX will have approximately 101 million shares of common stock outstanding.

ABOUT MEDNAX

MEDNAX, Inc. is a national medical group comprised of the nation's leading providers of neonatal, maternal-fetal and pediatric physician subspecialty services as well as anesthesia services. Physicians and advanced practitioners practicing as part of MEDNAX are reshaping the delivery of care within their specialties and subspecialties, using evidence-based tools, continuous quality initiatives and clinical research to enhance patient outcomes and provide high-quality, cost-effective care. Pediatrix Medical Group, a unit of MEDNAX, was founded in 1979 and now includes neonatal physicians who provide services at more than 330 neonatal intensive care units, who collaborate with affiliated maternal-fetal medicine, pediatric cardiology and pediatric critical care physician subspecialists to provide a clinical care continuum. Pediatrix is also the nation's largest provider of newborn hearing screens. In 2007, MEDNAX expanded into anesthesia services. Today, American Anesthesiology includes more than 1,700 anesthesiologists and advanced practitioners who provide anesthesia care to patients in connection with surgical and other procedures as well as pain management. MEDNAX, through its affiliated professional corporations, employs more than 2,200 physicians in 34 states and Puerto Rico. Additional information is available at www.mednax.com.
