Explanation of Responses:

1. Restricted shares granted pursuant to the Issuer's Amended and Restated 2008 Incentive Compensation Plan, as amended, in connection with annual equity award. The number of shares being reported represents the "target" number of restricted shares and does not include the right of the reporting person to receive up to 9,215 additional shares based on the achievement of certain performance-based criteria for the twelve months ended December 31, 2018. The actual number of shares earned could be less than or greater than the target number, depending on the level of performance achieved, and all of the restricted shares granted are subject to forfeiture if minimum levels of performance are not met. Any restricted shares earned will vest in three equal installments on March 1, 2019, March 1, 2020 and March 1, 2021.
